

YOUR INVESTMENT IN GT BASEBALL

GT Baseball boasts a storied history with 31 NCAA Tournament appearances, 9 ACC Championships, 3 trips to the College World Series and numerous Major League alumni.

Donors to the Grand Slam Club support our core values to recruit the student-athletes fit to succeed competitively, academically and personally at a peerless institution. Through annual giving toward our current operations and long-term philanthropy that leaves a legacy, our most loyal supporters directly help us achieve our mission.

The GT Baseball Grand Slam Club has set an annual fundraising goal of **\$40,000** through June 30, 2018, to enhance our annual current operations and to maintain a championship caliber program. Some examples of how these funds could be used in this giving year are:

- **Upgraded technology**
 - » To invest in modern and innovative technologies that provide instant analytic feedback to improve player performance.
 - » To provide new training techniques and weight machinery can improve physical conditioning and prevent injury
- **Visual branding within Russ Chandler Stadium**
 - » To tell the GT Baseball story in our venue, proudly displaying our championship pedigree for fans and recruits to see
- **Updating of equipment and unbudgeted expenses**
 - » To have the ability to quickly address unexpected circumstances requiring immediate funding

Reaching this mark will ensure our ability to deliver a second-to-none experience to all of our student-athletes. Your support will earn benefits unique to GT Baseball, and will provide the resources necessary to develop top student-athletes who compete at their highest potential during their time at Tech. Thank you for your consideration, and Go Jackets!

ADDITIONAL AREAS OF SUPPORT

RUSS CHANDLER STADIUM RENOVATION

Renovations of Russ Chandler Stadium will have a significant impact on GT Baseball by helping attract the best recruits and providing student-athletes with the environment necessary to perform at the highest level. Phase I of the renovations included upgrades and enhancements to the locker room and lounges, training room, coaches' locker room, and study room. Phase II will include improved indoor practice areas, a team theater, and multi-functional space.

SCHOLARSHIP ENDOWMENTS

One of the best ways to ensure the financial stability of GT Baseball is to have all scholarships endowed. Donors who create an endowed scholarship receive the opportunity to meet, mentor and nurture a personal relationship with a Georgia Tech student-athlete and enjoy knowing their support will continue in perpetuity. Endowments may be individually named and can be established at the levels below (payable over five years):

- \$1,000,000: "Old Gold" Endowment
- \$500,000: "White" Endowment
- \$125,000: "Navy" Endowment
- \$25,000: Named Endowment
