### INDIVIDUAL TACKLES AND DEFENSIVE RATINGS

After each Georgia Tech football game the Tech coaches study the game film, chart the performance of each individual player, then make up a report from this study which report is given to Coach Bobby Dodd. All figures listed below are taken from these reports—not from press box spotting and charting. In addition to listing number of tackles participated in by each player, coaches rate his over-all defensive play as E (excellent), G (good), F (fair) or P (poor). These ratings are also tabulated in the final season defensive statistics listed below.
