Candidate for center on the football team.

JAMES FRITCH—Sophomore, 5-10, weighs 170, age 19, lives in Jasper, Ind. Substitute guard as a freshman last year but played enough to letter. Scored 32 points during regular season and saw action in all four of the tournament games involving Tech. Shows promise of developing into fine player, but needs experience and polish on defense. Good ball handler.

BARRY BLEMKER—Sophomore, 6-2, weighs 185, age 19, lives in Miami Springs, Fla. Was on the squad last year but saw little service. Is one of the most improved players on the team, but still lacks polish. Good offensively, but just average on defense.

ROBERT RIEDEL—Sophomore, 6-0, weighs 165, age 20, lives in Cliffside Park, N. J. First year on squad. Appears to be good all-around prospect, and while not regarded as excellent in any department, also is not too weak in any department.
