Autographs & Memorabilia Requests

Autographs

You may be approached by individuals requesting your autograph. While there is nothing wrong with signing autographs and/or memorabilia items, please be aware that the receipt of payment in any form (e.g., cash, check, exchange of goods, discounts, etc.) for signing autographs is a violation of NCAA rules and will impact your eligibility, including competition, practice, and standing with the team. Please use your best judgement when signing autographs that are not facilitated by the GTAA, especially if an individual is requesting multiple autographs or items signed. Please contact the compliance office to verify any requests and/or report any suspicious activity and/or autograph requests.
