GEORGIA TECH SEASON PREVIEW

2019-20 record: 14-18 overall, 6-12 ACC (10th place)

Quick 2019-20 Preview

Georgia Tech enters its fourth season under head coach Josh Pastner, having gone 14-18 last season and posting its highest Atlantic Coast Conference finish since 2013.

Pastner welcomes back all five players who started the final two games of the season, and eight players who started a total of 123 games. Tech returns its top three scorers from the 2018-19 season – 6-foot junior guard Jose Alvarado, 6-9 senior center James Banks III and 6-4 sophomore guard Michael Devoe - who accounted for 48.4 percent of the Yellow Jackets' points, 41.6 percent of the rebounds and 47.2 percent of the minutes.

Altogether, Tech returns eight of its top 11 players, who combined for 73.2 percent of its points, 66.4 percent of its points and 73.7 percent of its minutes. Most promising among the rest of the returning group is 6-9 junior forward Moses Wright, who reached double figures in four of his last five games, including a career-high 25 vs. Notre Dame in the ACC Tournament, 19 at Miami and 18 at NC State. He averaged 15.6 points (36-of-58 FG) and 6.2 rebounds over that stretch.

Tech adds two high-level transfers in 6-7 forward Jordan Usher from Southern California and 5-11 guard Bubba Parham from VMI, both of whom hail from the Atlanta area and were successful with their former schools. Usher, a former 4-star high school prospect, averaged more than eight points a game last year at USC, while Parham, an All-Southern Conference selection, led the SoCon in scoring at 21.4 points per game. The Jackets also signed an all-state high school guard from South Carolina in 6-5 Asanti Price, and 6-8 junior college forward David Didenko.

Tech 4-0 in Summer Tour of Spain

Georgia Tech went 4-0 in its seven-day August tour of Spain, winning two games each in Barcelona and Madrid against a collection of players from Spanish professional leagues.

The tour took place from August 8-16, coinciding with the break between summer and fall academic terms. The Yellow Jackets spent the first three days (Aug. 9-11) in Barcelona, took a high-speed train to Madrid, where they stayed from Aug. 12-16.

The Yellow Jackets won their four games by an average of 19.8 points, the closest game being an 87-83 win in the final contest, and averaged 93 points per game while working to play an up-tempo style.

Tech shot 55.8 percent from the floor overall, 34.5 percent from three-point range while hitting an average of 10.5 three-pointers per game.

The Jackets' top three-point shooters in the tour were Jose Alvarado (8-of-16), Shembari Phillips (6-of-12) and Michael Devoe (8-of-19).

Tech assisted on 84 of 138 field goals - 60.8 percent, 21 assists per game.

Along with the basketball competition, the Yellow Jackets visited the professional soccer facilities of FC Barcelona and Real Madrid, and the La Sagrada Familia basilica in Barcelona among other activites.

Tech has made summer international tours twice previously, most recently to The Bahamas in 2015. The Jackets traveled to France in August of 1991.

Following the Trends

• For the last eight games of the season, Georgia Tech started out in a 4-out, 1-in alignment, starting guards Jose Alvarado and Michael Devoe with two wings and post man James Banks III. The two wing forwards rotated, but Moses Wright occupied one of those for the past seven games, and freshman Khalid Moore started the last two. That lineup started eight games during the season and posted a record of 6-2.

• Moore started 10 games last season, while Wright started 21. Devoe, a freshman, started Tech's last 23 games, Banks started the last 26 games in the post, and Alvarado started 30 games.

• Georgia Tech used 12 different starting lineups in 2018-19. No Yellow Jacket started every game this season, and 10 different players started three or more games.

• Tech utilized its shortest playing rotation of the season – seven players – in its final two regular season games, expanding to eight in the ACC Tournament loss to Notre Dame. Tech's bench logged just 68 minutes in the last three games. At least eight Yellow Jackets, and often nine of 10, had played in every previous ACC game.

• Tech shot 50 percent or better in 10 games last season, one fewer than in the previous two seasons combined. The Jackets hit 50 percent or better five times during conference play and the ACC Tournament, one more than in the previous two seasons combined. The Jackets shot 50 percent in six games in 2017-18 (three ACC games), and five times (once in ACC play) in 2016-17.

• Tech finished the season shooting better than 50 percent in three straight games (53 percent combined) – 50.8 vs. Boston College, 58.1 vs. NC State and 51.7 vs. Notre Dame.

Georgia Tech had 22 wins and one loss during the 2016-17 and 2017-18 seasons vacated by the NCAA's Committee on Infractions.

• Tech scored 40 or more points in the paint in each of its final three games – 44 each against Boston College and NC State, 40 against Notre Dame. The Jackets averaged 32.1 points in the paint per game for the year.

• Tech's two best shooting games last season came in its two ACC road wins – 59.5 percent at Syracuse and 58.1 percent at NC State – and in those games attempted just 17 three-point shots and went 43-for-68 inside the arc.

• Tech matched a low for turnovers under Josh Pastner (6) against Notre Dame in the ACC Tournament and committed fewer than 10 in three of its last four games. Conversely, the Jackets managed to win three road games last season despite high turnover counts – 20 at Arkansas, 22 at Syracuse and 16 at NC State.

• Tech (7-for-20 vs. Notre Dame) averaged 6.8 threes and shot 34.4 percent from beyond the arc in its final eight games (Devoe 46.7 pct., Sjolund 38.2 pct. in that stretch). For the season, Tech averaged 5.5 threes and connected on 30.7 percent.

• Tech held 18 opponents last season, and nine ACC opponents, under 40 percent from the floor. The Jackets limited 16 opponents, nine in the ACC, to 30 percent or less from three-point range.

• Two fouls in the first half? No problem. The Yellow Jackets led the nation, according to KenPom.com, in highest percentage of first-half minutes played by players with two fouls (64.8 pct.). The national average was 21.5 percent.

Personnel Highlights

• **Jose Alvarado** scored in double digits in six of Tech's last seven games, averaged 16.1 points over that stretch and leading the Jackets in scoring five times. He hit 38-of-83 shots from the floor (45.7 percent), 13-for-36 from three-point range (36.1 percent). The 6-foot sophomore scored 17 against Florida State, 29 vs. Pittsburgh, 20 at Miami, 12 at Virginia, 21 against Boston College and 11 at NC State. Alvarado had scored a total of 25 points, attempting just two free throws, in the six games prior.

• Alvarado scored (38) or assisted (29) on 67 of Tech's 154 field goals in the last seven games. In those six games, he also had 32 rebounds and 13 steals.

• Alvarado committed just nine turnovers over his last nine games (349 total minutes).

• Alvarado played all but seven minutes in Tech's last seven games, playing the full 40 minutes against Pittsburgh, Miami and NC State and 44 of 45 in Tech's overtime win over Boston College. The sophomore has 13 complete games in his career, five in 2018-19.

• **Moses Wright** reached double figures in four of his last five games, tallying more than a third of his season total over that stretch (19 vs. Miami, 10 vs. Boston College, 18 at NC State, career-best 25 against Notre Dame in the ACC Tournament). He averaged 15.6 points and 6.2 rebounds and hit 36-of-58 shots from the floor (62.1 pct.) in those games. Prior to that, Wright had averaged 4.9 points and 3.2 rebounds.

• Going back further, Wright averaged 26 minutes over the final eight games of the season, averaging 11.8 points and 5.1 rebounds, while hitting 42-of-80 field goals (52.5 pct.). Prior to that, Wright had averaged 11.9 minutes, 3.1 points and 2.6 rebounds in the Jackets' first 11 conference games.

• **James Banks III** rebounded from his first scoreless game as a Yellow Jacket (Feb. 23 at Miami) to finish the season with four straight double-figure games, 11 points and seven rebounds at Virginia followed by 18 and 9 against Boston College, 19 and 9 at NC State, and 12 and 11 against Notre Dame (that's 15.0 ppg and 9.0 rpg). He hit 26-of-35 shots from the floor (74.2 pct.) and 8-of-11 from the foul line in the four games.

• Banks blocked 31 shots over the last 10 games of the season and finished with 78 in 31 games - 2.52 per game, which led the ACC.

• **Khalid Moore** started Tech's final two games and 10

altogether on the season. He played 68 total minutes (career high 36 at NC State) and scored 19 points, including his best in an ACC game, 11 points against Notre Dame in the ACC Tournament. Moore had three double-digit games on the season, and he did not commit a turnover in the season's final five games.

• **Michael Devoe** finished the season with four double-figure games in the last five, averaging 11.6 points and 3.2 assists. The 6-4 freshman hit 42 percent of his shots from the floor (21-50) and 40.7 from behind the three-point stripe. Devoe hit a team-best 43.8 percent of his three-point tries in regular-season ACC play, leading the Jackets with 32 threes. Devoe was 25-of-54 from three-point land (46.3 pct.) in his last 10 games.

• Devoe played all but one minute in Tech's last three games, playing every minute of Tech's overtime win against Boston College and all 40 against Notre Dame in the ACC Tournament. He finished the season with four complete games and ranked seventh among all freshmen in power conferences in minutes played.

Pastner's Key Metrics

• **Assists to made field goals:** The Jackets finished at 57.4 percent for the season (49th in the nation) and 56.4 percent in ACC games. Tech, whose nightly goal is 60 percent, averaged 17.3 assists in its final three games and assisted on 59.8 percent of its field goals.

• **Free throws made to opponents' attempts:** Tech is 39-17 under Josh Pastner when attempting more free throws than its opponent. Tech made more free throws than its opponent (a nightly goal for the team) just six times during the season, and was outscored from the free throw line 13.4-11.4 per game in conference play, 13.8-12.7 per game overall.

• **Turnovers:** Tech averaged 14.3 turnovers per game in ACC play, and only forced 11.3. The team's target each night is to commit 11 or fewer, which Tech met only three times all season (all in the last four games). More telling for Tech under Josh Pastner is that when Tech has committed fewer turnovers than its opponent, it is 22-15. When it has committed more, it is 23-30.

• **Guard rebounding:** The group of Alvarado, Alston, Devoe, Haywood, Moore and Phillips combined to take 364 of Tech's 809 defensive rebounds (56 percent).

Build the Wall

Due to its ability to play both zone and man-to-man and keep opponents off-balance, Georgia Tech has been able to rely on its mixture of defenses to win games over Josh Pastner's first three seasons at Georgia Tech.

This Yellow Jacket team played it well enough to rank No. 43 in adjusted defensive efficiency (96.6 ppg/100 possessions). Tech ranked as high as 11th during the season before adjusting its lineup in an effort to boost its offensive output. and was No. 5 in the ACC and No. 53 in the NCAA in scoring defense at 66.6 points per game.

Tech was most effective at shutting down the three, ranking 13th nationally, and rim protection with center James Banks III leading the ACC and ranking No. 11 nationally in blocked shots.

Tech faced three of the nation's top 15 teams in offensive efficiency as ranked by KenPom.com - Tennessee (3), Duke (6) and Virginia Tech (12) - and held them to an average of 61.3 points. Each posted their lowest efficiency rating of the season against the Jackets. North Carolina was No. 7, and the Jackets held the Tar Heels to their fourth-lowest rating of the season. Tech held Florida State (36th) to two of its three lowest efficiency ratings of the season, and NC State (29th) to its lowest of the season outside of its 24-point game against Virginia Tech.

Tech's NIT finals team from 2017 ranked No. 6 in adjusted offensive efficiency (91.0 points allowed per 100 possessions) according to KenPom.com. That group ranked

• Said Florida State coach Leonard Hamilton: *"Georgia Tech utilizes a defensive scheme that is probably the best match-up zone defensive scheme that I've seen in my coaching career. They do an outstanding job of taking away so many different spots on the floor that you normally are accustomed to operating in."*

• Said Notre Dame coach Mike Brey: *"They are really hard to score on. There's a reason why their stats play out as one of the best, if not the best, defensive team in our league. They are just really hard to deal with. They're long, they're athletic, they're in passing lanes and if you do beat them, they've got a shot blocker in the back."*

• Said Pittsburgh coach Jeff Capel: *"Their defense is difficult. Their defense is different. It's unique. They have length around the basket and they understand how to move in their defense and their zone."*

Assisted Living

Georgia Tech coach Josh Pastner preached and prodded his Yellow Jackets on ball and player movement and hard cutting from the first time he got his team on the practice court. His primary measuring stick on how well the Jackets perform offensively is their ratio of assists to made field goals, and the Jackets' struggle to score last season was not for lack of ball movement.

Tech finished No. 49 in 2018-19 at 57.6 percent (56.4 pct. in ACC games), well above the national average (52.1 pct.) in that category.

The Jackets did not perform as well in that department

In Pastner's first season, the Yellow Jackets ranked 13th nationally, according to KenPom.com, in highest percentage of assists to made field goals at 62.6 percent, the team's highest rate since the 2000-01 season. Tech's number was 63.2 percent in ACC games. Pastner's nightly goal is 60 percent.

Tech's top assists-to-made field goals ratios: 1987-88 – 68.3; 1988-89 – 65.9; 1986-87 – 65.8; 1992-93 – 65.0; 1985-86 – 64.8; 2000-01 – 62.9; 1999-00 – 62.9; 2016-17 - 62.6

Jose Can You See

Point guard Jose Alvarado, recruited to Georgia Tech primarily for his winning attitude and determination, was given the green light by head coach Josh Pastner to handle the position as a freshman, sink or swim.

The Brooklyn native, the first Tech player from the New York area in nearly 20 years, developed into the Yellow Jackets' engine on the floor in his sophomore season, leading the Jackets in scoring (12.5 ppg), assists (3.6 apg), steals (1.8 pg) and free throw percentage (76.9 pct.) in ACC games. He also took 3.9 rebounds on average in ACC games, tied for second most on the squad.

Alvarado's freshman season was full of promise until it came to an abrupt halt on Feb. 11, when he dislocated his left elbow on a hard fall to the floor trying to contest a breakaway shot from Duke's Javin Delaurier. Until then, he had averaged 12.6 points per game to rank second on the team, 3.9 rebounds and 3.3 assists. He also shot the ball well, making 45 percent of his shots from the floor, 37.4 percent from three-point distance, and 80.2 percent from the foul line on 80 attempts.

Alvarado has posted 36 double-figure scoring games in his career, 10 times scoring 20 or more. And the 6-foot playmaker has averaged more than 34 minutes per game, with 13 complete 40-minute games.

• Said Pittsburgh coach Jeff Capel: *"[Jose] Alvarado is a big-time competitor. We told our guys coming into this game, I know that kid and I know his spirit. With his team struggling, I knew that he would try to take it upon himself to be aggressive and have a great game. He was sensational."*

Devoe Steadily Grows

Freshman guard Michael Devoe, the highest-rated high school prospect Georgia Tech has recruited under Josh Pastner, steadily improved for the Yellow Jackets since the season began.

The Orlando, Fla., native suffered a setback by missing six weeks of preseason practice with a toe injury and began the season slowly, but steadily played more minutes and improved his production.

He entered the Tech starting lineup at Arkansas on Dec.

19, a game Tech won, 69-65, and scored 11 points. He has connected on 43.8 percent of his three-point tries in ACC games (would rank No. 3 in the ACC with enough 3PM) and averaged 35.4 minutes (10th-most).

Devoe scored 16 points in his ACC debut against Wake Forest, and had nine double-digit scoring games in his last 14. He hit 32-of-68 (47.1 pct.) three-point tries in his last 15 games.

Banking Hours

The most significant development in the direction of this year's Georgia Tech team may have occured Nov. 13, when the NCAA granted James Banks III immediate eligibility after his transfer from Texas.

Tech received that news while conducting its shootaround for its second game of the season, at Tennessee. Arrangements were made to get Banks to Knoxville (transfers do not travel with the team), where he contributed five points and seven rebounds in a 66-53 loss.

The personable 6-9 post player progressed rapidly since that modest start. He posted his first double-double four games later at Northwestern (12 pts/12 rebs), and made his first start the game after that against St. John's (14 pts/12 rebs).

In ACC play, Banks was Tech's No. 2 scorer (11.4 ppg) and top rebounder (7.1 rpg), hitting 55 percent of his shots from the floor and 71.2 percent of his free throws, while leading the conference in blocked shots (2.52 pg).

Defensively, he led the conference and ranked No. 11 nationally in blocked shots (2.52 per game), anchoring one of the nation's top defensive teams (No. 37 nationally in defensive efficiency according to Kenpom.com).

He added three more double-doubles, 24/11 against Louisville, 16/10 and 12/11 in two meetings against Notre Dame, and had six for the season.

It took Banks 23 games at Tech to exceed his 46-game totals at Texas in every offensive category, plus blocks and steals.

Getting it Wright

Part of Georgia Tech's improvement at the end of the year can be attributed to the emergence of sophomore forward Moses Wright.

The 6-9 Raleigh, N.C., native started the Yellow Jackets' last seven games and blossomed in the last four, averaging 15.6 points and 6.2 rebounds while connecting on 36-of-58 shots form the floor.

Wright came out of William G. Enloe High School in Raleigh with no recruiting rating, but played well in his senior year of varsity basketball and in AAU ball and drew the attnetion of Tech's coaching staff for his athletic ability and his basketball IQ.

He is most effective running the floor, attacking the basket to score and rebound, and using his athletic ability and length to

be disruptive on defense. Before taking up basketball seriously just a few years ago, he played tennis and swam.

Wright started 14 games early in the year but was inconsistent, posting three double-figure scoring games, but also going scoreless five times.

He began playing more extensively again Feb. 13 at Virginia Tech (24.7 mpg), and scored 19 points at Miami on Feb. 23. In his first trip back to Raleigh in a Tech uniform, he scored 18 points with eight rebounds in a career-high 39 minutes in the Jackets' win at NC State. He finished off the season with a career-high 25 points (12-of-18 FG) in the ACC Tournament against Notre Dame.

Banks Named to ACC All-Defensive Team

Georgia Tech's James Banks III was named to the ACC's All-Defensive team, the Yellow Jackets' fifth All-Defensive team honoree in the last seven years, joining centers Daniel Miller (2013, 2014) and Ben Lammers (2017, 2018), and the fourth different Tech center to make the team since its establishment in 2000.

The 6-9 junior from Decatur, Ga., led the ACC in blocked shots last season (2.52 in ACC games, 2.52 in all games) and anchored a Tech defense that has ranked as high as 11th nationally in defensive efficiency according to KenPom.com. The pivotman also ranked in the ACC's top 10 in rebound average (7.7) and has scored 10.5 points per game.

Building Depth

The upward progress of Georgia Tech's program is evident in the development of its last two classes, each of whom has played significant minutes and made significant contributions on the ACC level. Though not highly-rated in terms of rankings, the players have a wide range of skills and are developing into consistent conference-level performers for the next couple of years.

a. The 2017-18 class of Jose Alvarado, Evan Cole and Moses Wright combined to start 54 games last season, contributing 20.7 points, 8.7 rebounds and 57.5 minutes per game.

b. The 2018-19 class of Michael Devoe, Khalid Moore and Kristian Sjolund combined to start 37 games last season, contributing 15.7 points, 5.4 rebounds and 54.4 minutes.

c. James Banks III, who transferred from Texas, took just 23 games to eclipse his two-year totals at Texas, averaging 10.5 points and 7.7 rebounds and leading the ACC in blocked shots (2.52 per game).

Player Development Success

Notable player development successes over the past three seasons include Josh Okogie, Ben Lammers, Tadric Jackson, Abdoulaye Gueye, James Banks III and Moses Wright, who maximized their skill sets and their production under the current coaching staff.

Okogie went from being ranked 11th in the state as a HS senior to a first-round NBA draft pick. In the last two seasons, Gueye, a 6-9 forward, developed from a project player into an ACC-level contributor. Banks, a 6-9 center, exceeded his two-year totals at Texas in just 23 games and led the ACC in blocked shots. Graduate transfer Brandon Alston had similar statistical numbers at the ACC level as he compiled in two seasons at Lehigh. Wright blossomed at the end of the 2018-19 season and averaged more than 15 points and six rebounds, tripling his season scoring average and doubling his rebound norm.

Other Storylines for 2019-20

• **105th season** - Georgia Tech will play its 105th season of basketball in 2019-20 and has an all-time record of 1,376-1,244.

• Georgia Tech will return its top three scorers, and six of its top eight, from the 2018-19 roster. Next year's team will

• For the first time in 2019-20, Georgia Tech's roster will be entirely composed of student-athletes recruited by head coach Josh Pastner and his staff.

• Tech won 48 games overall and 20 ACC games in Josh Pastner's first three seasons, on par or better than the first three years of each of Josh Pastner's predecessors in the ACC era. For comparison, Tony Bennett won 21 ACC games (53 overall) in his first three years at Virginia, Leonard Hamilton won 14 at Florida State (45 overall) and Mike Krzyzewski won 13 (38 overall).

• Tech has sold out 12 games at McCamish Pavilion over the past three seasons, including a facility-record five games in 2017-18 and four in 2018-19. Tech's 40 homecourt wins over Pastner's first three seasons are more than any three-year period for Tech in its ACC era except the 2004-05 through 2006-07 seasons (also 40).

Asanti Price signs in the Spring

Asanti Price, a 6-5, 175-pound guard from Columbia, S.C., and W.J. Keenan High School, signed a national letter-of-intent during the spring signing period.

Rated a three-star prospect and ranked No. 74 among shooting guards nationally in the 247Sports composite rankings, Price led W.J. Keenan High school with 17.9 points per game and was considered one of the top shooters in the area during the 2018-19 season. Price had more than 20 points in the Raiders' final two playoff games including 22 in the state championship game victory over Ridgeland-Hardeeville, a game in which he went 8-of-12 in the second half. He was a Class 3A all-state selection and also selected to play in the Carolinas Classic.

Price played his senior year at Keenan for coach Zach Norris and helped lead the Raiders to a 30-1 record after previously attending Eau Claire High School, where he averaged 16 points per game as a junior.

Parham Granted Immediate Eligibility

Georgia Tech guard Bubba Parham, a 5-11 transfer from VMI, received NCAA approval waiving his required year of residency and will be eligible immediately to compete for the Yellow Jackets. Parham has two seasons of eligibility remaining.

Parham, who is from Snellville, Ga., and attended Brookwood High School, transferred to Tech in June after two standout seasons at VMI in Lexington, Va., where he earned second-team All-South Conference honors in 2018-19 and was named the conference's Freshman of the Year in 2017-18. He started all 62 games for the Keydets over two seasons, scoring 1,125 points and averaging 18.1 points per game. In two seasons, he connected on 37.2 percent of his three-point field goal tries, making 2.8 per game, and 79.5 percent of his free throw attempts.

Last season, Parham led the Southern Conference with 21.4 points per game, scoring 30 points or more nine times, the most for a SoCon player since Stephen Curry logged 15 such games in 2008-09. Among those games was a 35-point effort with a school-record 10 three-pointers at Kentucky, and a career-high 41 points with six three-pointers and 17-of-18 performance from the foul line against in the Southern

For the 2011-12 season, Tech played its home games at Philips Arena and the Arena at Gwinnett.

Conference tournament. He led the SoCon with 3.63 three-point field goals per game and made 39.7 percent of his attempts.

USC Transfer Usher Joins Jackets

Jordan Usher, a 6-7, 225-point forward, transferred from Southern California and enrolled at Tech for the spring semester.

Usher arrived Tech after playing a season and a half for the Trojans, departing from USC after the fall 2018 semester. He must complete a year of residency at Georgia Tech and will become eligible to play for the Yellow Jackets following the conclusion of the fall 2019 term. He will be eligible for the remainder of the 2019-20 season and all of the 2020-21 season.

A native of Canton, Ga., Usher played in all 36 games with two starts for the Trojans as a freshman in 2017-18, averaging 4.8 points and 2.0 rebounds per game while connecting on 40.9 percent of his three-point field goal attempts. In 2018-19, Usher played in 12 games and made two starts, averaging 8.6 points and 3.7 rebounds. A 4-star prospect ranked No. 104 in the nation by 247Sports, Usher played his senior season (2016-17) at Wheeler High School in Marietta, Ga., and prior to that, he attended Sequoyah High School in Canton.

Didenko Signs in the Fall

David Didenko, a 6-8, 230-pound forward from Boca Raton, Fla., who attends Palm Beach State College, signed a national letter-of-intent with Georgia Tech during the early signing period in November.

Didenko attended Boca Raton Community High School before enrolling this year at Palm Beach State, a junior college in Boca Raton. A full academic qualifier in high school, Didenko enrolled at Tech in the summer and has three years of eligibility with the Yellow Jackets.

Born in Russia, Didenko moved to New York in August, 2010, at the age of 10. Prior to his enrollment at Boca Raton, Didenko attended Northeast High School as a junior, and Montverde Academy for his ninth- and 10th-grade years.

Wire-to-Wire

Though he expanded his playing rotation last year to reflect the growing level of talent within the program, head coach Josh Pastner remains committed to a tight playing rotation, reminiscent of the way Bobby Cremins coached the Yellow Jackets over his 19 seasons.

Tech utilized its bench for an average of 47.6 minutes (23.6 percent of available minutes) in its regular-season ACC games after averaging 78 minutes in non-conference play.

Jose Alvarado, who had played 96.7 percent of possible ACC minutes prior to his Feb. 11 injury as a freshman, averaged 36.2 minutes in ACC games last season and played 35 or more minutes 18 times last season.

Freshman Michael Devoe averaged 35.4 minutes in ACC games, and James Banks III averaged 32.8. Alvarado and Devoe, who both ranked among the ACC's top 10, each played the full 40 minutes at Notre Dame on Feb. 10. Alvarado also did so against Pittsburgh, Miami and NC State, and Devoe went all 45 minutes in overtime against Boston College and played the full 40 in the ACC Tournament against Notre Dame.

As a freshman, Alvarado had ranked fifth among freshmen nationally in percentage of minutes played and minutes per game before he was injured. He has posted 13 complete, 40-minute games in his career.

Tech players had 20 complete games combined in 2017-18, and had at least one player play the full 40 in 12 of 19 ACC games (regular season plus tournament). Last season, Alvarado had five and Devoe three.

NOTE: Between the Cremins era and the arrival of Pastner, only one Georgia Tech player played every minute of a game, regulation or overtime, and that was Marcus Georges-Hunt on Feb. 20, 2016, in a win over Notre Dame at home.

Thin Gold Line

Some of Georgia Tech's most successful teams in the Atlantic Coast Conference era have had thin benches and a trio of players who averaged more than 35 minutes per game in ACC play, beginning with the Yellow Jackets' first ACC Championship team in 1985, dubbed the "Thin Gold Line."

1985 ACC Champions, NCAA Elite Eight
(7-man rotation)

Mark Price	37.2 mpg
Bruce Dalrymple	35.6

1990 ACC Champions, NCAA Final Four

1996 ACC Regular-Season Champions, NCAA Elite Eight

In the final 15 seasons of Cremins' tenure (1985-86 through 1999-2000), a total of 196 players logged a 40-minute game.

Winning Starts at Home

Georgia Tech and head coach Josh Pastner have made a priority of making McCamish Pavilion a real homecourt advantage for the program, and the Yellow Jackets made a good start on that by setting a program record for wins at home (17) in 2017-18, which included a 7-2 ACC record and two NIT victories.

Tech is 16-11 against ACC teams at home under Pastner, and that includes a 5-5 mark against ranked opponents.

The Jackets' 60-53 win over No. 25 Notre Dame on Jan. 10 was the latest triumph in a list that includes eventual NCAA champion North Carolina (No. 9 at the time), No. 6 Florida State and No. 15 Notre Dame last season, as well as a 64-54 win over No. 15 Miami on Jan. 3 this season. Tech's only losses came to No. 9 Louisville last January and to No. 2 Virginia and No. 18 Clemson this season.

Tech is 40-18 at McCamish Pavilion under Pastner.

20-Game ACC Schedule Rotation Announced

The Atlantic Coast Conference announced the future matchups of the league's 20-game men's basketball schedule, which begins with the 2019-20 season. The 20-game matrix is in effect for three years through the 2021-22 season.

Each team will play its two primary rivals every season both home and away (four games, Clemson and Notre Dame remain Georgia Tech's primary home-and-away opponents) and four repeat opponents both home and away (eight games). The remaining eight opponents will be single games, four at home and four on the road. The full cycle of repeat opponents will be complete following the third year.

In 2019-20, Georgia Tech will play Louisville, NC State, Pittsburgh and Syracuse both home and away in addition to Clemson and Notre Dame, with Duke, Miami, Virginia and Virginia Tech visiting McCamish Pavilion.

In 2020-21, Tech's home-and-away opponents will be Clemson, Notre Dame, Duke, Florida State, Virginia and Wake Forest, with home games against Boston, North Carolina, Pittsburgh and Syracuse.

In 2021-22, the Yellow Jackets play Clemson, Notre Dame, Boston College, Miami, North Carolina and Virginia Tech both home and on the road, and will host Florida State, Louisville, NC State and Wake Forest.

Tech to Open 2019-20 Season at NC State

Georgia Tech will open its 2019-20 season Tuesday, Nov. 5, with an ACC game at NC State as part of the opening slate of conference games. The two-day opening schedule will broadcast games on ACC Network (ACCN), ESPN2 and ESPNU. In all, the ACC will open up with seven conference games to start the season.

ESPN announced four games will be broadcast on the ACC Network, the new 24/7 national platform that will launch on August 22, 2019. The exclusive early-season basketball broadcasts include: Louisville at Miami and Georgia Tech at NC State (Tuesday, Nov. 5); Notre Dame at North Carolina and Virginia at Syracuse (Wednesday, Nov. 6).

Three additional conference games will be aired on ESPN2 or ESPNU including Virginia Tech at Clemson (Nov. 5), Wake Forest at Boston College (Nov. 6), and Florida State at Pitt (Nov. 6). Duke is set to compete in the State Farm Champions Classic (November 5), which will be aired on ESPN.

Tech to Play in 2019 Diamond Head Classic

Georgia Tech will make its fifth trip to the state of Hawai'i in program history in December when it will compete in the 2019 Hawaiian Airlines Diamond Head Classic in Honolulu, Hawai'i.

The field for the 2019 Hawaiian Airlines Diamond Head Classic features Ball State (Mid-American), Boise State (Mountain West), Georgia Tech (ACC), tournament host school Hawai'i (Big West), Houston (AAC), Portland (WCC), UTEP (Conference USA), and Washington (Pac-12). The 11th annual event will be played at the Stan Sheriff Center on the campus of the University of Hawai'i.

The Jackets will open against Boise State, and will face Houston or Portland in the second round.

Three teams in the 2019 field were a part of the postseason last season – Boise State (NIT), Houston (NCAA) and Washington (NIT). Meanwhile, five teams will make their first-ever appearance in the Hawaiian Airlines Diamond Head Classic.

Tech has a 10-5 record all time in four previous tournament events in Hawai'i, including a 6-3 mark in three appearances in the Rainbow Classic – 1984 champions, 1988, 1994 – which also were held at the University of Hawai'i. The Yellow Jackets also played in the 1998 Big Island Classic in Hilo, and the 2006 Maui Invitational.

Tech and Kentucky to Play 2-Game Series

Georgia Tech and Kentucky will begin a two-game series this season, beginning with the Yellow Jackets traveling to Lexington this December, and the Wildcats playing in Atlanta during the 2020-21 season.

Kentucky, which has won the NCAA Championship eight times, most recently in 2012, will host the Yellow Jackets Dec. 14 at Rupp Arena this season, and Tech will host the Wildcats in a "Holiday Hoopsgiving" event Nov. 27, 2020, at State Farm Arena in downtown Atlanta. Kentucky becomes the third Southeastern Conference opponent on the Yellow Jackets' pre-conference schedule this season, joining Georgia (Nov. 20 in Athens) and Arkansas (Nov. 25 at McCamish Pavilion).

The former Southeastern Conference rivals have met 71 times previously, the fifth-most meetings for the Yellow Jackets against any non-ACC opponent. The Wildcats have a 56-15 advantage since the teams first met in 1924, but the Jackets won the most recent contest, 86-84 on Dec. 9, 2000 at Philips Arena in Atlanta.

Nine of Tech's 15 wins over Kentucky came between 1955 and 1964 under legendary coach John "Whack" Hyder, three of those against Wildcat teams ranked No. 1 in the nation. The teams have met 34 times in Lexington, including three games at Rupp Arena, and 29 times in Atlanta.

Tech-UGA Game Moves to November Next Two Seasons

The Georgia Tech and Georgia basketball teams have signed an agreement to play the next two games of the series the week before Thanksgiving, giving both teams an opportunity to play the game at home in front of their student bodies before the fall semester ends.

The teams will face off this season on Wednesday, Nov. 20, at Stegeman Coliseum in Athens, and the following season on Thursday, Nov. 19, at McCamish Pavilion in Atlanta.

In the 194-game history of the series, Tech and Georgia have played their game before Thanksgiving only twice, on Nov. 15, 2013 in Athens and Nov. 14. 2014 in Atlanta. The Yellow Jackets won both games and lead the all-time series, 105-89.

As Southeastern Conference foes from 1932-64, the games were played in January, February and March. After Tech left the ACC, most of the games remained in January and February until the rivalry became a late December fixture at the Omni arena in downtown Atlanta from 1981-94. The series has been played on the two campuses every year since then, mostly in December.

Arts and Letters

Beginning with Moe Miller and Lance Storrs in the summer of 2011, every four-year senior in the Georgia Tech program has graduated, with the exception of the Yellow Jackets' 2018 two seniors, who are both expected to return and complete their degrees this summer after a year of pro ball overseas.

Graduate student Brandon Alston (economics), fifth-year senior Abdoulaye Gueye (business administration) and fourth-year junior Sylvester Ogbonda (business administration) all will complete their course work this semester and receive their degrees in May.

Georges-Hunt and Jackson made the Academic All-ACC team twice, and the Yellow Jackets have had at least one player named to that team since it was instituted for the 2010-11 season.

Tech's men's basketball team has recorded the highest Academic Progress Report scores the last five years since the NCAA began tracking academic performance in 2004-05. The Jackets scored a perfect team single year APR score of 1000 three straight years from 2011-13.

TECH NOTEBOOK

Media Guidelines

Georgia Tech's practices are closed to the public and the media, but coaches and tudent-athletes are made available prior to each game before one of the team's practices. Notices will be distributed weekly to confirm the schedule.

TV stations are allowed to shoot B-roll during the first 10 minutes of those practices.

Media are asked to notify Mike Stamus *the day before* of their need to attend and to make specific student-athlete requests.

Interview requests with student-athletes that need to be conducted at other times must be arranged through the Georgia Tech communications office at least 24 hours in advance. These interviews will be conducted at a time and place convenient to the student-athletes' availability and class schedule.

Media are asked not to contact student-athletes directly either by phone, e-mail, text or social media. They are instructed not to respond. Every effort will be made to make them available.

Interviewing Coach Pastner

Media wishing to speak with Coach Pastner at times other than scheduled media availabilities must notify Mike Stamus in the communications office in advance to make or confirm arrangements. He also is available each Monday on the ACC Teleconference (10:50 a.m.) beginning January 7.

Post-Game Protocol

Each head coach will hold a post-game press conference in the designated interview room (Shah Media Room at McCamish Pavilion).

Student-athletes requested by the media will be brought to the interview room following the coaches press conferences, when the team is at home, outside the team's locker room when the team is on the road.

Josh Pastner Radio Show

Head coach Josh Pastner's weekly radio show airs each Monday from 7-8 p.m. on "680 the Fan" and 93.7 FM, beginning Dec. 3.

ACC Coaches Weekly Teleconference

The 15 ACC head basketball coaches will be featured on nine Monday teleconferences during the 2018-19 season, beginning on Monday, January 7, and continuing through March 4. Each coach will have 10 minutes to make an opening statement and answer questions. There will be an instant replay of each teleconference on the Conference's internet site TheACC.com each Monday afternoon.

Georgia Tech head coach Josh Pastner will be on the teleconference at 10:50 a.m. each week.

Coaches that play on Monday in January and February are not required to participate in that day's call. Coach Pastner will be on every Monday at the same time. The teleconference schedule for each Monday will differ for the other 14 head coaches, depending on what teams play that Monday night.

Contact the ACC media relations office at 336-851-6062 for the call-in number and for questions on the schedule.

Four Tech Alumni on NBA Rosters

Since 1982, Georgia Tech has produced 19 first-round NBA draft picks and 44 draft picks overall. A total of 38 Georgia Tech alumni have played in the NBA.

Four former Georgia Tech basketball stars will be on NBA rosters at the start of the 2019-20 season, including guard **Josh Okogie**, who was drafted 20th overall by for the Minnesota Timberwolves in 2018 and will begin his second season with the team.

Iman Shumpert, an eight-year NBA veteran, played three full seasons in Cleveland after helping the Cavaliers win the NBA championship in 2016, and has been traded twice since, to Sacramento and then to Houston.

Thaddeus Young, a 12-year NBA veteran, finished three full seasons with the Indiana Pacers in 2019 after playing seven seasons in Philadelphia, one in Minnesota and two in Brooklyn. He signed with the Chicago Bulls during the off-season

Derrick Favors emerged as a key figure in his nine seasons with the Utah Jazz, but became a free agent after the 2018-19 season and signed with the New Orleans Pelicans.

Welcome to The Hank

Georgia Tech is playing its seventh season in McCamish Pavilion, which was for all intents and purposes, brand new when it opened for the 2012-13 season. The only physical elements of McCamish Pavilion that remain from the venerable Alexander Memorial Coliseum are the roof and the 32 steel ribs that support it.

The capacity of McCamish Pavilion is 8,600, including 1,665 seats in the new balcony level and 6,935 seats in the lower seating bowl. There are no suites, but there is a club area that seats 500. Alexander Memorial Coliseum seated 9,191 spectators in its final configuration.

The most impressive features of McCamish Pavilion are its grand entrance, which fronts 10th and Fowler Streets, the ability for patrons to view the court from the main concourse all the way around, and the theatrical lighting system, which concentrates light on the court while leaving the seating areas dark, modeled after the Staples Center in Los Angeles and Madison Square Garden in New York.

Tech played 55 seasons in Alexander Memorial Coliseum, compiling a record of 556-194 (.741). Miami was the last team to play Tech in Alexander Memorial Coliseum, a game Tech won, and was the first ACC team to play in McCamish Pavilion on Jan. 5, which Miami won. For the 2011-12 season, Tech played its home games at Philips Arena and the Arena at Gwinnett.

Tech's NCAA Tournament History

Georgia Tech has played in the NCAA Tournament 16 times in its history. Fifteen of those appearances have occurred from 1985 to the present, 10 under head coach Bobby Cremins and five under Paul Hewitt.

Tech has a record of 23-16 in NCAA Tournament play, highlighted by its 2004 trip to the NCAA title game as well as a Final Four berth in 1990. The Yellow Jackets have reached the NCAA Sweet 16 seven times (1960, 1985, 1986, 1990, 1992, 1996, 2004).

The 2004 and 2005 appearances were the Yellow Jackets' first back-to-back appearances since Bobby Cremins led the Institute to the Big Dance nine straight years from 1985-93.

Georgia Tech has won at least one game in 11 of its 16 NCAA Tournament appearances.

Tech's ACC Tournament History

Georgia Tech has played in 40 ACC Tournaments, and has a 26-37 all-time record in the event. The Yellow Jackets have won three championships, in 1985 (Atlanta), 1990 (Charlotte) and 1993 (Charlotte).

Tech has been a runner-up four times (1986, 1996, 2005, 2010). The 1986, 1996 and 2010 runs to the finals occurred in Greensboro. Tech also made the finals in 2005 at the Verizon Center in Washington, D.C.

Tech was 0-2 in the ACC Tournament under coach Dwane Morrison, 15-16 under Bobby Cremins (including all three titles), 9-11 under Paul Hewitt (runner-up in 2005 and 2010), 2-5 under Brian Gregory. and 0-3 under Josh Pastner.

MOSES WRIGHT 5

Forward • 6-9 • 230 • Junior • Raleigh, N.C. • William G. Enloe HS

General

Rapidly developing forward from Raleigh, N.C., described as a "late-bloomer" whose best basketball is ahead of him ... Earned significant playing time early in his freshman season and again late in the year as injuries thinned Tech's ranks ... Blossomed into a major contributor at the end of his sophomore season ... Has gained the ability to impact the game at both ends with his scoring, rebounding and shot-blocking skills ... Has grown four inches and added 40 pounds since his sophomore year in high school ... Has good athleticism and a high basketball IQ, at his best when he attacks the basket on offense and crashes the boards ... First North Carolina native to sign with Tech since Anthony Morrow (Charlotte), who played at Tech from 2004-08 and is an eight-year NBA veteran ... Wore No. 12 as a freshman, changed to No. 5 as a sophomore ... Began playing basketball by trying out for his high school team at the age of 14 ... Enjoys swimming and working puzzles ... Studying business administration.

2018-19

Finished the season with the best game of his career to date, scoring 25 points in the ACC Tournament against Notre Dame ... Made 12-of-18 shots from the floor, grabbed seven rebounds, had three assists and two blocked shots ... Averaged 15.6 points and 6.2 rebounds in the last five games, four of them away from home, while hitting 36-of-58 shots from the floor (62 pct.) ... Scored a career-high 19 at Miami, 10 against Boston College and 18 in his return home to Raleigh against NC State ... Started the final seven games of the season, 21 altogether ... Initially replaced the injured Evan Cole at the "4" spot, starting 13 games, and was inconsistent despite logging three double-figure games ... Played 21 minutes off the bench at Clemson and started against Louisville with Abdoulaye Gueye absent (16 points, seven rebounds, 7-of-12 FG combined) earlier in the ACC schedule ... Scored 11 points vs. UTRGV (5-of-8 FG), 12 points (5-of-8 FG) vs. St. John's, 10 (5-of-8 FG) vs. Kennesaw State for his only other double-digit games ... Finished as Tech's No. 5 scorer in ACC games (6.1 ppg), while averaging 3.6 rebounds and hitting 47.2 percent of his field goals.

2017-18

Received his most extensive playing time since before Christmas with an average of 23.1 minutes over Tech's final eight games, including a season-high of 35 at Virginia ... Averaged 4.3 points and 4.9 rebounds ... Had played very little in Tech's first 11 ACC games ... Started four straight games (8.3 ppg, 5.5 rpg) around the holiday before seeing his minutes curtailed when ACC play began ... Had played a total of 19 minutes in five games over a 12-game span for Tech before Tech's Feb. 11 game against Duke, in which he had nine points and seven rebounds in 20 minutes ... Scored a season-best 19 points (8-9 FG) with seven rebounds and three steals in a season-high 27 minutes against Florida A&M ... Had four points, six rebounds, one assist, one block and one steal in 26 minutes at Georgia ... Grabbed a season-high eight rebounds against Bethune-Cookman ... Scored six points each against Tennessee and Wofford ... Had five big rebounds in 17 minutes against Northwestern.

High School

Under head coach Patrick Paye, employed a deft inside-out offensive attack while his 7-foot-2 wingspan allowed him to wreak havoc on the glass ... In his senior season, led his team in scoring (22.0 ppg), rebounding (11.0 rpg), blocks (2.0 bpg) and three-point shooting (41.0 pct.) ... Earned all-conference and all-region honors his senior season and was also selected to play in the North Carolina-South Carolina All-Star game ... Played for the Garner Road Elite in the AAU circuit, from which coach Dwayne West has sent players like Isaiah Hicks (North Carolina) and T.J. Warren (NC State) to ACC programs ... Also played and lettered one year in tennis.

PLAYERS & STAFF

HEAD COACH JOSH PASTNER

"Josh is a perfect fit. As a coach, as a leader and as a teacher he excels with today's player. He will build a program that the entire community will be proud of." **-- Kentucky head coach John Calipari**

"Josh is a good man, honest and a great recruiter. No one will work harder than him. Georgia Tech made a GREAT HIRE!" **- retired Arizona coach Lute Olson**

After guiding Memphis to five post-season berths in seven seasons as the Tigers' head coach, Josh Pastner became Georgia Tech's 14th head basketball coach on April 8, 2016.

Implementing a high-energy style of play and creative offensive and defensive schemes, and building the Jackets' talent base for the future, Pastner has tirelessly promoted the program on campus and throughout the city of Atlanta in an effort to re-create the major homecourt atmosphere that surrounded the Yellow Jackets throughout the 1980s, 1990s and into the middle of the 2000s. The result has been numerous wins, high excitement and 12 sellouts in three seasons at McCamish Pavilion.

Two of his players - guard Josh Okogie and Ben Lammers - have earned All-Atlantic Coast Conference honors before moving on to the professional ranks. Okogie, in particular, developed from an under-the-radar high school prospect into a highly-regarded NBA rookie, having been selected 20th in the 2018 NBA Draft.

In his first season at the helm, his Yellow Jacket team defied all pre-season expectations by reaching the post-season and advancing to the finals of the National Invitation Tournament. Tech earned victories over No. 9 North Carolina, No. 6 Florida State and No. 14 Notre Dame (later vacated by the NCAA Committee on Infractions), who all finished among the top four in the ACC regular season. He was named Coach of the Year in the ACC and in NABC District 2.

Pastner also was honored as the "Most Positive College Coach" in Georgia by Positive Athlete Georgia, an organization which promotes the benefits of positivity among young athletes.

After the season, Sports Illustrated honored Pastner as "Best At Beating SI's Projections, Major Conference," saying, "Last fall, a certain member of the punditry made the now-infamous claim that Pastner was presiding over one of the worst major-conference rosters ever. SI's projection system wasn't that harsh, but it didn't love the Yellow Jackets, ranking them 204th in the preseason. Pastner proceeded to build the nation's No. 6-ranked defense around rim-protector Ben Lammers. That helped Tech upset North Carolina, Notre Dame, Florida State and Syracuse in the regular season, finish as the NIT runner-up and rank 77th in efficiency."

Two of his players earned all-Atlantic Coast Conference honors; junior center Ben Lammers was named second-team All-ACC and ACC Defensive Player of the Year, while freshman guard Josh Okogie was named to the ACC All-Freshman team.

Though hampered by several significant injuries and other issues in 2017-18, Tech still was able to knock off a pair of top-25 teams while Lammers and Okogie again earned conference honors, and Okogie developed into an NBA first-round draft choice. In 2018-19, the Yellow jackets picked up three significant road wins - at Arkansas, Syracuse and NC State, each of whom made post-season play - and center James Banks III was named to the ACC's All-Defensive team.

He was honored in April of 2019 with his induction into the Jewish Sports Heritage Association.

Pastner, who turned 43 in late September, compiled a 167-73 record over seven seasons as the head coach at Memphis, where the Tigers earned bids to the NCAA Tournament four times. He was tied for the 10th most wins for a head coach in his first seven seasons in Division I basketball history, and is the second winningest active coach under the age of 40 in NCAA Division I. He is the 14th head coach in Tech's program history.

"Coach Pastner's accomplishments on the floor speak for themselves but what makes him such a great fit at Georgia Tech is the culture that he has established for our men's basketball program," director of athletics Todd Stansbury said. "His energy, his positivity and his commitment to do things the right way are all attributes that not only lead to success on the court but also set our student-athletes up for success after graduation, and are a source of pride for our alumni, students and fans."

Despite his young age, Pastner has been involved in basketball at the Division I level for 21 years, as a player and an assistant coach at Arizona, and as an assistant coach and the head coach at Memphis. He has been a part of teams that have won 524 games, played in 17 NCAA Tournaments and 19 total post-season events. Teams he has been involved with have won 12 conference tournament or regular-season championships, advanced to seven Sweet Sixteens, five Elite Eights, two Final Fours and two NCAA championship games.

As an NCAA head or assistant coach and an AAU head coach, he has coached nearly 25 NBA draft selections.

"I fully understand what it means to be sitting in this chair, what it means to the community and the entire city, and to all the alumni locally and nationally," said Pastner. "When you're in coaching, you want to play for a national championship and compete at the highest level. You want to have a championship program year in and year out. I believe that Georgia Tech and the job here is a true gold mine. You have an opportunity to have the highest level of success that you strive for.

"I love Georgia Tech and the time I've spent here. The success we have had is a direct result of my staff and the unbelievable job they did, the players who bought in and performed so well, and the fans who gave us the home-court advantage we need. I'm grateful to [Georgia Tech] President [G.P. "Bud"] Peterson and Todd Stansbury for the tremendous

HEAD COACH JOSH PASTNER

WHAT COACHES SAID ABOUT TECH...

"I cannot say enough, I don't have to say anything -- Josh [Pastner] was coach of the year in the toughest conference in the country -- but I can't say enough really about the job he's done with that team. Their defensive numbers are top 10 in the nation in terms of points per possession." - Belmont coach Rick Byrd

"Tremendous atmosphere. Golly. We love the opportunity to play in the NIT but, as a lot of you know, sometimes places don't get as excited about that as they ought to. This place was excited about an NIT game and it was a great atmosphere." - Belmont coach Rick Byrd

"They've done a great job. I think they play with purpose. They know exactly what they're doing. They're a very difficult team to play against. This team beat North Carolina, Florida State, Notre Dame. Those are three top-20 teams, really top-15 teams. And Josh has done a great job with that team." - Syracuse coach Jim Boeheim

"It shows that, when you have guys working together, really good coaching, the improvement of players ... Josh has done a great job with his staff, and it's a great story. They're five guys playing as one. They're a solid unit that has good concepts offensively and defensively. And then the improvement of a player of Lammers from one year to the other, and Jackson, too. They're great for our league. It shows how strong our league is." - Duke coach Mike Krzyzewski

"Georgia Tech has an outstanding brand that was established by my good friend Bobby Cremins, so it's not a program that's not won. It's a program that won big but hasn't won for a while and they've locked into that and have that spirit back." - Krzyzewski again

"I think Josh has done a fabulous job. He's done some really unique things on both ends of the floor. With what they're doing with their triangle stuff offensively is a difficult preparation. It's very, very hard to guard. And then the changing zone defenses and then you've got the rim protector in (Ben) Lammers back there, they're hard to score against. They're just a really tough preparation and it certainly isn't a fluke." - Notre Dame's Mike Brey

"I was really so frustrated about the way we played down there that day. I didn't give them enough credit. They've had a fantastic year. It's shown. I'm hoping they make the NCAA Tournament." - North Carolina's Roy Williams

"Josh has just taken a team that nobody expected to be even competitive, never mind get an NCAA berth, (to tournament consideration). It's great to see because Josh is a tremendous young man and he's doing an outstanding job." - Louisville coach Rick Pitino

"I said after the first time we played them that they were better than people realized, and it's proven to be true. They're good. I said that this team was more talented than people realized. They don't have as much depth as some of the teams in our league, but they're starting five or six is very good. Josh and his staff have done a great job of creating a system that they can be successful in." - Clemson's Brad Brownell

"He's doing a phenomenal job. He hired a really good staff. Josh has gone a tremendous job of getting them to play together. I don't think they were picked last because of their talent, but Josh and his staff have done a tremendous job of maxing out that talent. Georgia Tech is constantly changing defenses. They play every kind of zone there is, and they do a good job of keeping teams from getting into a flow." - Virginia Tech's Buzz Williams

"Josh Pastner and his staff have done an amazing job. The players have really embraced the schemes, both offensively and defensively. Ben Lammers has got to be seriously considered for most improved player in the league. Josh Heath has done a tremendous job of orchestrating what they are doing at both ends of the floor. Josh Okogie is really something, reminds me of Josh Hart from Villanova the way he plays." — Miami head coach Jim Larranaga

"...You've got to go back and guard that action because they run it for 25 seconds and they're not shooting jump shots. They're coming at your throat with stuff. So it's physical, it's grinding, it's exhausting." - Notre Dame's Mike Brey on Tech's OFFENSE

"The transformation's unbelievable," he said. "It's incredible for a team to be picked last, next to last, and to do what they're doing. To me, it's one of the best stories in college basketball right now. Again, you've got to give Brian (Gregory) some credit, but Josh Pastner has taken this group together, and it's amazing. And everybody feels it." - former Tech coach Bobby Cremins

"I like how he's tweaked his system to fit his players. That lets me know he knows what he's doing. I think that's half the battle. But the energy, the effort, they play hard — that's worth watching. That's worth watching." - former Tech All-American Dennis Scott

support we have, and for seeing the big picture and where we want to go as a program."

Pastner's Memphis teams averaged 23.9 wins per season and compiled a conference regular-season record of 82-36, including a conference winning streak of 28 games. The Tigers went 11-4 in Conference USA and American Athletic Conference tournaments, including three championships.

He guided Memphis to five post-season berths, the NIT in 2010 and the NCAA Tournament in 2011, 2012, 2013 and 2014. He became one of three head coaches in Tigers history to earn postseason berths in five of his first seven seasons (Larry Finch, John Calipari are the others), one of two to lead the program to four NCAA Tournaments in his first seven seasons (Dana Kirk is the other) and one of three head coaches in program history to lead the Tigers to four straight NCAA Tournament appearances (2011-14; joins Dana Kirk 1982-85, John Calipari 2006-09).

Pastner twice won Conference USA Coach of the Year honors (2010, 2013) by various organizations and news media. Known as a tireless recruiter, he was named the country's No. 7 high-major recruiter by FoxSports.com following the 2007-08 season, and has signed five straight nationally-ranked recruiting classes, including the nation's No. 1 class in 2010 and No. 2 class in 2013.

Pastner was born in Glen Dale, W.Va., and grew up in Kingwood, Texas. He earned his bachelor's degree in family studies in December of 1998, in just two and a half years, from Arizona and his master's degree in teaching and teacher education from Arizona in December of 1999, all while lettering four years in basketball for the Wildcats under head coach Lute Olson.

He married the former Kerri Lamas of Sierra Vista, Ariz., in 2009. He has a stepson (Ethan) and three daughters, Payten, Kamryn and Harper.

ERIC REVENO
Assistant Coach

Eric Reveno, who served 10 years as the head coach at the University of Portland, joined Josh Pastner's men's basketball staff at Georgia Tech as assistant coach on May 6, 2016.

The former post player oversaw one of the Yellow Jackets' great successes in 2016-17 in the development of 6-10 center Ben Lammers, who became a second-team All-ACC performer and the conference's Defensive Player of the Year. He also helped develop another former reserve forward, Abdoulaye Gueye, into a significant contributor for the Yellow Jackets in his final two seasons, and helped transfer James Banks III develop into one of the ACC's top defensive players in 2018-19, making the ACC's All-Defensive team.

Reveno's penchant for analytics has led to partnering the Jackets with advance technology systems to help the team's performance, such as the Noah shot-tracking system which was installed in both the Zelnak Practice Facility and the main floor at McCamish Pavilion. In addition to recruiting and on-court coaching, Reveno also handles budget management and game scheduling for the program.

Reveno, 53, spent 10 years spearheading a rebuilding effort at Portland in which the Pilots played in four CollegeInsider.com Postseason Tournaments (CIT) during his tenure and had a three-year span where the Pilots averaged 20 wins from 2008-10. Reveno was named the WCC Coach of the Year in 2009 after leading Portland to back-to-back third-place finishes in the league standings. The Pilots were also one of the best three-point shooting teams in the nation during Reveno's term.

"Eric is known as one of the great developers of big men in the country," said Pastner. "He worked at Pete Newell's Big Man Camp for seven years, and he was on the staff at Stanford during a time when they recruited and developed a number of tremendous big men and were highly successful. He's got a tremendous IQ for the game of basketball and a high level of character."

Twenty Pilots were named to All-WCC teams since 2007, including eight first-team selections, and 16 of the program's graduates since 2009 have gone on to play professionally. Reveno finished with a 140-178 overall record, including a 60-95 mark in West Coast Conference games.

Off the court, the Pilots had 16 WCC All-Academic team selections under Reveno. The team boasted a 100 percent graduation rate, a near-perfect rating in the NCAA's Academic Progress Rate, and 20 Academic All-WCC selections since 2007.

"I have known Coach Pastner since he was a player at Arizona, and he has impressed at every stage of his career," said Reveno. "His commitment and passion for helping each student-athlete become the best he can be and building a championship team is infectious. To be able to join him, at one of the nation's top academic institutions, competing in the best league in college basketball, is an opportunity of a lifetime."

Voted one of the Top 25 Recruiters in the nation by rivals.com in 2006, Reveno has a track record of player development, and respects the role of the student-athlete. He built the foundation for future success through quality recruiting and an emphasis on development, both on the court and in the weight room.

Long recognized as a leader in the use of sports performance analysis technology, Reveno spoke in Sydney, Australia during the fall of 2008 at a worldwide summit hosted by SportsTec, one of the foremost providers of video and technology solutions to the international sports community. The cutting edge approach to technology became a staple of the Pilot program in teaching, player development and recruiting. As a result, Reveno was the lone representative from the United States asked to speak to an audience of performance professionals from some of the top sports leagues and organizations in the world."

An imposing 6-foot, 8-inch figure, Reveno developed a passion for a disciplined style of play reminiscent of his formative coaching years as an assistant under legendary coach Mike Montgomery at Stanford. He also credits Dr. Tom Davis, the man who recruited and coached him at Stanford his first two years, and legendary coach Pete Newell as major influences on his coaching style. Reveno served as an assistant coach under Montgomery at Stanford for seven years before being promoted to associate head coach during the 2004-05 season alongside Trent Johnson.

A post player for the Cardinal in the late `80s under both Davis and Montgomery, Reveno helped coach his alma mater to seven 20-win seasons, three 30-win seasons, eight NCAA Tournament appearances, an NCAA Final Four in 1998, three years with a No. 1 national ranking and four Pacific-10 Conference Championships. He played in 116 games during his career at Stanford (1985-87, 89), including 30 games as a starter during his senior season. He was a two-time team captain and averaged 9.4 points and 5.1 rebounds per game as a senior, helping the Cardinal to a 26-7 record (15-3 mark in the Pac-10) and a No. 12 national ranking. The Cardinal advanced to the NCAA Tournament, Stanford's first appearance in the tourney since 1942.

Reveno recruited and coached numerous outstanding frontline players for the Cardinal, including Mark Madsen, Jarron Collins, Jason Collins, Curtis Borchardt, Tim Young, Rob Little, Justin Davis and Matt Haryasz. He was also a prominent staff member at the nationally renowned Pete Newell Big Man Camp from 1998-2004. Seven players under Reveno's tutelage at Stanford went on to play in the NBA.

After graduating from Stanford in 1989 with a degree in economics, he spent four years playing professional basketball in Japan. He returned to Stanford and obtained his masters degree in business administration in 1995. Prior to joining the Stanford coaching staff in 1997, he served as president for two years of Riekes Center in Menlo Park, a non-profit mentoring organization that works with athletes of all ages.

Reveno was born in Stanford, Calif. on March 12, 1966 and attended The Menlo School. He and his wife, Amanda, have two children: Katie (16) and Andrew (13).

JULIAN SWARTZ
Assistant Coach

A 16-year coaching veteran, including 10 years on the NCAA Division I level, Julian Swartz was named an assistant coach on Josh Pastner's staff in August of 2018.

Swartz, 39, is responsible for on-court development of Tech players and will focus his efforts on the Yellow Jackets' defensive schemes as well as handle recruiting responsibilities. He helped guide Tech's defense to a national ranking of No. 37 in efficiency in 2018-19, according to KenPom.com, and the Yellow Jackets also ranked among the top 15 in effective field goal percentage and three-point defense.

"Julian has been an outstanding member of my staff going back to Memphis, and did a terrific job when given the chance to coach while also handling his off-court duties," said Pastner. "He is a high-energy individual and a great fit for Georgia Tech. He does an excellent job with our player development, and can evaluate and recruit at the level we need to continue to build this program."

One of two members of head coach Pastner's staff at Memphis to follow him to Georgia Tech, Swartz came to The Flats in May, 2016, after four years with Pastner at Memphis, where he served stints as assistant director of operations, director of player development and interim assistant coach.

He served his first two years at Tech as director of recruiting and compliance, which included serving as the staff liaison with compliance, coordinating on-campus recruiting operations and summer camps. He retained many of those duties during the 2017-18 season even after being named interim assistant coach to fill a vacancy on the coaching staff.

"I am extremely grateful to Coach Pastner, whom I've had the pleasure working for the last six years, and our administration for this tremendous opportunity," said Swartz. "There is simply no better place than Georgia Tech – Atlanta, academics and the ACC. I am honored and excited to invest all my energy and enthusiasm to the culture and standards of our program while pursuing championship excellence in all we do."

During his time at Memphis, the Tigers compiled a 92-44 overall record while transitioning to the American Athletic Conference from Conference USA.

Prior to Memphis, Swartz spent three years as a graduate assistant at Marquette (2005-08) with head coach Tom Crean and one as an intern at Indiana (2008). Among his duties at Marquette were assisting in the areas of video, scouting reports, statistics, student-athletes' academic progress, on-campus recruiting visits and coordinating summer camps. He also assisted in player development, working with All-Big East honorees Lazar Hayward, Dominic James, Wesley Matthews, Jerel McNeal and Steve Novak. Novak, Matthews, McNeal, and Hayward have all played in the NBA. In those three seasons, the Golden Eagles posted a 69-31 overall record and a 31-19 Big East Conference mark and earned three NCAA Tournament berths.

From 2009-12, he served as a counselor in the West Allis/West Milwaukee school district, counseling kids and teaching character education, while also serving as an assistant coach for the Waukesha South High School varsity hoops squad (2003-05, 2009-11) along with coaching youth basketball (2009-12).

A native of Waukesha, Wis., Swartz graduated from Carroll College in 2005 with a bachelor's degree in psychology. He earned his master's degree in school counseling in 2008 from Marquette, which made him the recipient of the 2016 Marquette University Alumni Counselor Education and Counseling Psychology Achievement Award.

A successful high school player, Swartz scored 2,123 points in his career, was a first-team all-state selection three times and was named the 1999 Associated Press Wisconsin High School Player of the Year along with being named academic all-state. He began his collegiate playing career at the University of Wisconsin in 1999-2000 and was a member of the Badgers squad that advanced to the 2000 NCAA Final Four.

ANTHONY WILKINS
Assistant Coach

A nthony Wilkins, an Atlanta native who spent the past five seasons on the coaching staff at Tulane University, joined Georgia Tech's basketball staff in June of 2018.

Wilkins, 39, served as an assistant coach for four seasons at Tulane under two head coaches -- Ed Conroy and Mike Dunleavy - after serving as director of basketball operations during his first year with the Green Wave. At Tulane, Wilkins handled game strategy and scout prep responsibilities along with player development and recruiting duties. He also had six years of professional playing experience prior to entering the coaching world.

Focusing his on-court efforts with Tech's offense, the Yellow Jackets made significant strides toward the end of his first season on The Flats, and he is credited with the development of sophomore forward Moses Wright, who averaged more than 15 points and shot 62 percent from the floor over his last five games.

"Anthony is an outstanding coach on the court and excellent with player development, which is critical in our program," said Pastner. "He has the ability to evaluate and recruit at a high level and help us continue to build for the future. Anthony has worked for five years at a prestigious academic institution, which should serve him well here, and will be a tremendous representative for Georgia Tech."

He went to Tulane after serving one season as player development director at his alma mater Kent State (2012-13), where he helped guide the Golden Flashes to a 21-14 overall record and an appearance in the CollegeInsider.com Tournament. During that season, he completed studies for his bachelor's degree in communications from Kent State.

"As I was growing up in Atlanta, Georgia Tech set the standard for high-level athletics," said Wilkins. "I'm humbled to have the opportunity to come home and help Josh restore that feeling in McCamish Pavilion. The storied tradition of excellence in this program calls for the very best in recruiting, coaching and developing high-level student athletes. I'm excited to help bring Georgia Tech basketball back to national prominence."

Prior to that, Wilkins co-founded and served as associate head coach of Stackhouse Elite AAU travel team in 2011 in Atlanta, and he also served as a counselor and coach at the NBA Top 100 camp. His player development background includes training draft eligible players, along with a number of professional players currently playing in the NBA or abroad.

Wilkins began his coaching career after spending six years playing professional basketball in Sweden, Ukraine, Mexico and South Korea. He played in the NBA's Development League (now G League) for Fort Worth and Tulsa (2005-06) and Bakersfield (2007-08). Wilkins also participated in the Atlanta Hawks Vet Camp in 2005 and played on the organization's summer league team in 2006.

As a senior at Kent State, Wilkins was co-captain of the 2002-03 team that went 22-9 and advanced to the NIT. He started all 31 games and was named the team's defensive player of the year while scoring 9.9 points per game and hitting 39 percent of his three-point field goals. As a junior in 2001-02, his Kent State team finished 30-6 and advanced to the Elite Eight in the NCAA Tournament.

Born in Atlanta, Wilkins lived in the city for much of his childhood and attended Therrell High School for two years before finishing his high school studies at Glenville High School in Cleveland, Ohio.
