# **MEDIA INFORMATION**

# **MEDIA SERVICES**

The 2021 Georgia Tech Baseball Information Guide is published primarily as a source of information for members of the media. Requests for additional information, interviews and photographs should be directed to the Georgia Tech communications & public relations staff.

Baseball notes and statistics are updated regularly throughout the season. Access to this information can be achieved by accessing the official Georgia Tech Athletics website, www.RamblinWreck.com. The communications & public relations staff will email weekly releases to members of the media.

#### **MEDIA CREDENTIALS**

Media credentials are issued at the sole discretion of the Georgia Tech Athletic Association through its communications & public relations office. Professional media outlets and professional scouts may request credentials by contacting assistant director **Andrew Clausen** (aclausen@ athletics.gatech.edu or 678-764-0867) at least one day prior to the game or series.

Credential requests are honored from professional media outlets and website that have a corresponding publication and/or affiliation with a nationally recognized media entity. Websites that do not employ professional journalists will not be issued credentials. Georgia Tech reserves the right to refuse any credential request deemed not to be in the best interest of the Institute.

**Media Will Call:** Members of the media may claim credentials two hours prior to each game at the media will-call window at Mac Nease Baseball Park at Russ Chandler Stadium, which is located at the third-base ticket booth on the corner of Cherry Street and Ferst Drive.

**Media Parking:** A limited number of media parking spaces are available for games/series at Russ Chandler Stadium. Please include parking requests along with credential requests.

**Press Box:** The Mac Nease Baseball Park Press Box is located atop the grandstand behind home plate. It includes space for working members of the press, official and visiting scorers, the public address announcer and the scoreboard operator. Also located on the press level are two radio booths, a television booth, and eight luxury suites (two indoor, six outdoor). The Press Box is on the same level as the third-base entry gate.

# **MEDIA INTERVIEWS**

All interview requests for head coach Danny Hall or any Georgia Tech baseball player should be directed to the Georgia Tech communications & public relations staff and assistant director **Andrew Clausen** (aclausen@athletics.gatech.edu or 678-764-0867).

Players and coaches are available to the media before and after practice by appointment. Interviews with coaches or players while the team is on the road will be made on a case-by-case basis and requests should go through Andrew Clausen.

# **POSTGAME INTERVIEWS**

Head coach Danny Hall is available to meet any working members of the press immediately following the game in the classroom at Mac Nease Baseball Park. All player interviews are also conducted in the classroom following head coach Danny Hall's postgame press conference. The Georgia Tech locker room is always closed and media members are not permitted in the clubhouse area. Media will be escorted to the postgame media location by a member of the Georgia Tech communications & public relations staff.

The Georgia Tech communications & public relations staff will coordinate all postgame interview requests for the Yellow Jackets.

Interviews with visiting team members can be done on the field, subject to the policy of the visiting team's sports information/communications staff representative.

# **PHOTOGRAPHERS**

Media credentials are required for all photographers, videographers and television media. All credentials can be claimed at Will Call, located at the third-base entrance of the stadium.

Photo wells are located at the far end of both dugouts, but are reserved for the television broadcast teams. Photographers are permitted to shoot from the press level, but may also shoot from ground level between the two dugouts, down the first-base concourse and where space permits in the stands beyond the first-base dugout.

Photographers are not permitted on the field at any time.

# **PRESS BOX SERVICES**

Updated cumulative statistics, game notes, scorecards and team rosters are available in the Press Box prior to each home game.

An official scorer is assigned to all home games, and the Georgia Tech Communications & Public Relations staff will keep the media informed of all scoring decisions, noteworthy facts and records.

# **BROADCASTING**

**Television:** For the fifth-straight year, all home games will be broadcast live on ACC Network Extra, with a select number of games a part of the ACC television package (ESPN, ESPNU, ESPN2, ACC Network, RSN, etc.)

Georgia Tech's 2021 television schedule can be found at RamblinWreck.com.

**Radio:** All of Tech's baseball games will be aired on the radio in 2021. WREK Radio (91.1 FM in Atlanta/www.wrek.org), the nation's first 100,000-watt college station, will serve as the flagship home for Georgia Tech baseball once again this season. Boardcasts can also be heard on the Georgia Tech Gameday app and Tuneln app on mobile devices.

# MAC NEASE BASEBALL PARK AT RUSS CHANDLER STADIUM

Mac Nease Baseball Park at Russ Chandler Stadium is the only college baseball facility in the country to be been named "Field of the Year" by the Sports Turf Managers Association three times. Russ Chandler remains the only baseball stadium in the Atlantic Coast Conference to have earned the honor, taking the crown in 2008, 2014, 2019.

Scenically nestled in downtown Atlanta, Mac Nease Baseball Park provides a brilliant backdrop for college baseball and offers one of the best atmospheres for the game in the country.

The home of Georgia Tech baseball for nearly 90 years, Mac Nease Baseball Park has a long and storied history, from its original construction in 1930 with funds from Tech's 1929 appearance in the Rose Bowl game to its use as a training facility for the 1996 Centennial Olympic Games.

With incredible views of the Atlanta skyline, the facility underwent a \$4.5 million renovation and expansion underneath the stadium in 2014-15.

An anonymous \$2.5 million challenge grant was the lead for Phase I of the Mac Nease Baseball Park renovations. Phase II of the renovations, which includes further expansion of the team's clubhouse facilities down the left-field line, is entering the final development stages.

The latest renovation prior to the start of last season included a new state-of-the-art video board in left field as well as a new sound system throughout the stadium to better enhance the gameday

atmosphere.

Prior to the latest additions, 2014-15 saw the first renovation to Mac Nease Baseball Park since its complete reconstruction for the 2002 season. The reconstruction took less than eight months at a cost of \$9.7 million, making the "Rusty C" one of the top collegiate ballparks in America.

At a current capacity of 3,718, Georgia Tech's baseball facility more than doubled in size when the renovations were complete in 2002. Mac Nease Baseball Park features approximately 1,100 chair back seats behind the home plate area in addition to nearly 3,000 bleacher seats.

A wide concourse and plaza area is located at the main entrance to the stadium behind third base. Ticket booths, concession stands and restrooms are located on both the first base and third base sides of the stadium.

Above the grandstand is the press level, which includes ample space for the writers and broadcasters who cover Tech's nationally-ranked program. The main press box has seating for more than 30, while three auxiliary booths can accommodate television and radio crews.

Two enclosed luxury suites are located to one side of the press box, while six open-air, covered suites are on the other side of the press area.

# MARK TEIXEIRA LOCKER ROOM/PLAYERS LOUNGE

With the \$4.5 million renovation and expansion underneath the stadium in 2014-15, the Yellow Jackets' locker, training and weight rooms were transformed to make Russ Chandler into a state-of-the-art, all-around facility.

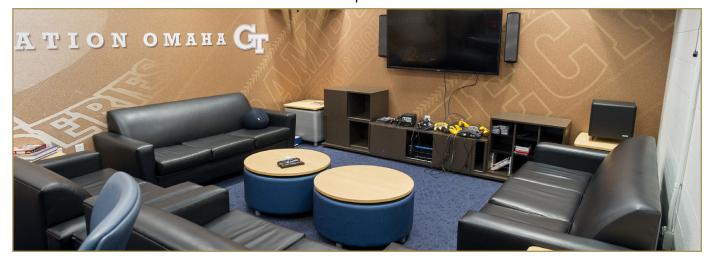

Tech's locker room (pictured above) doubled to 2,000-square feet and was renamed the Mark Teixeira Locker Room.

Georgia Tech's clubhouse, which is located on the third base side of the stadium, includes a player's lounge (pictured below), a study hall classroom, a video room where players and coaches can break down game film, and a separate locker area for the coaching staff. A state-of-the-art athletic training room is adjacent to the Tech locker room in addition to a sizable weight room and workout facility (pictured to the right).

The facility features locker rooms for both Georgia Tech and the visiting team, as well as for the umpires.

The stadium also includes three covered batting cages and pitching mounds. One is located underneath the grandstand, while an enclosed area above the left field grandstand houses two additional cages and mounds.

Head Coach 28th season at Tech

17

Danny Hall is a winner.

Hall's tenure at Georgia Tech has been his most successful, as he is the all-time winningest baseball coach in program history with 1,073 victories on The Flats.

Hall has led Tech to the NCAA Tournament on 21 occasions and guided the Yellow Jackets to the NCAA College World Series in 1994, 2002 and 2006 -- the program's only three berths.

Hall became Georgia Tech's winningest coach in 2005 with his 505th win (surpassing Jim Morris), and his Tech teams have posted an overall record of 1,073-556-1 in his 27 years at the helm of the Yellow Jackets' program. His 33-year head coaching record, which includes six seasons at Kent State, stands at 1,281-673-1.

Over his 27 years in the dugout at Tech, Hall's Yellow Jackets have won more than 65 percent of their games overall and nearly 60 percent of their Atlantic Coast Conference regular-season games.

Hall's long list of accomplishments at Georgia Tech includes:

- School-record 52 wins in 2002
- Tech has scored 12,697 runs in 27 seasons -- averaging 7.8 runs per game
- Set Georgia Tech team record for batting in 2000 (.342) and again in 2001 (.347)
- Led or finished second in the ACC in batting or run production 15 times

The 2021 season will be his 28th on The Flats and his 34th overall as a collegiate head coach. He ranks 20th all-time among all NCAA Division I baseball coaches with 1,281 career wins as a head coach. He also stands fourth among active coaches in number of victories (1,281) and ranks in the top 15 in career winning percentage (.657).

During a collegiate coaching career that spans 40 years (as a graduate assistant, an assistant and a head coach), Hall has been part of 1,718 victories and seven trips to the College World Series.

Each of Hall's Tech teams have been powered by a potent offense, leading or finishing second in the ACC in batting or run production in 15 of his 27 years as the Yellow Jackets' head coach; most recently leading the ACC in hitting in 2019 with a team batting average of .297 on the regular season.

Hall's players have earned 126 all-ACC honors in his 26 years, while 41 different players have garnered a total of 108 all-America honors. Since Hall's arrival in 1994, a staggering 128 Yellow Jackets have been selected in the Major League Baseball Draft a total of 145 times -- that includes a school-record 10 draft picks in 2004, 2007 and 2010, and a record five top-10 round picks in 2013. Fourteen of his student-athletes have been selected in either the first or supplemental round, while 65 have been taken in the first 10 rounds. A total of 64 players have been drafted out of high school but have chosen instead to play for Hall at Georgia Tech.

Hall's no-nonsense, professional approach has given his players the fundamentals they need to be successful after leaving Georgia Tech. That is indicated in the number of his former players that have excelled on the MLB level, headlined by Matt Wieters of the St. Louis Cardinals, Charlie Blackmon of the Colorado Rockies, Derek Dietrich of the Houston Texans, Buck Farmer of the Detroit Tigers, Blake Wood of the Los Angeles Angels of Anaheim, Sam Clay of the Washington Nationals and former MLB stars Mark Teixeira, Nomar Garciaparra, Jason Varitek and Jay Payton.

The success of Hall's players in professional baseball is molded by their accomplishments at Tech, as his Yellow Jacket teams have advanced to 21 NCAA Regionals in 27 seasons. Georgia Tech has posted 54 NCAA tournament victories since his arrival, winning six NCAA Regional titles and a pair of NCAA Super Regional crowns in both 2002 and 2006.

Just as Hall stresses the importance of on-field performance, his student-athletes have been equally successful in the classroom. More than 200 of his student-athletes have been named to the ACC honor roll (with a 3.0 or higher grade point average) and 10 have earned academic all-America honors on 14 occasions.

Hall has worked tirelessly to keep his former Yellow Jackets connected to the program. Through annual events like golf outings or offseason training sessions, Tech baseball alums can always be seen on The Flats.

Hall and Teixeira helped spearhead a major renovation to Russ Chandler Stadium in 2014-15, with Phase II renovations close to complete.

The Mark Teixeira Locker Room was part of a multi-million dollar overhaul to the Yellow Jackets' team facility, which also included a state-of-the-art weight room, academic center and new athletic training facilities.

In his first year at Georgia Tech, Hall guided an extremely talented and veteran unit with four all-Americans and three first-round draft choices to the brink of a national championship, Georgia Tech's first-ever appearance in the College World Series, and a 50-17 record. Hall was recognized by his American Baseball Coaches Association (ABCA) peers as Coach of the Year in the Atlantic Region, and may have won the national honor if not for the unranked-to-national title season put together by Oklahoma's Larry Cochell. Three Yellow Jackets earned consensus first-team all-America recognition and those three players finished in the top three in the conference batting stats, a first in ACC history.

Hall guided Tech back to the NCAA Regionals in 1995 and 1996 with teams dominated by freshmen and sophomores. His 1997 squad captured its first ACC regular season title in just his fourth year on The Flats and played in the NCAA Mideast Regional. In addition to earning his first ACC Coach of the Year accolade in 1997, the Yellow Jackets' skipper was named the National Coach of the Year by Sporting News, the first such honor for any Tech baseball

After the Yellow Jackets failed to earn an NCAA Regional bid in 1999 for the first time since his arrival at Tech, Hall guided the Jackets to one of their most successful seasons in 2000 - capturing both the ACC regular season and tournament championships in addition to the NCAA Atlanta Regional title. The team concluded the year with a 50-16 record, and Hall was tabbed the ACC's Coach of the Year for the second time.

Following another 40-win season in 2001, the sixth since Hall took over the reins in 1994, the Jackets' skipper guided Tech to just its second College World Series appearance in 2002 by turning in one of the best coaching jobs of his career, leading a Tech team that included 17 freshmen and only three seniors back to Omaha. The Yellow Jackets swept through the NCAA Atlanta Regional and the NCAA Atlanta Super Regional with a perfect 5-0 record before finishing fifth at the College World Series. They concluded the 2002 campaign with 52 victories, establishing a school record for wins in a season.

Hall led Georgia Tech to its sixth ACC championship, and second in four years under his direction, with an improbable run to the title in 2003. An early-round loss, combined with weather issues, forced Tech to play a triple-header on the final day of competition, with Hall

guiding the Yellow Jackets to a 10-6 win over North Carolina, a 10-7 win over Florida State and a 6-5, 10-inning victory over NC State to claim the title in the first triple-header sweep in league history.

In 2004, the Yellow Jackets captured their third ACC regular season title under Hall while the team made its fifth-straight NCAA appearance and 10th since Hall's arrival on The Flats. Tech hosted an NCAA Regional for the fourth time in five years and advanced to an NCAA Super Regional for the third time since 2000. From 2004-05, Hall directed Tech to an ACC-record 25-straight conference wins, and the Yellow Jacket skipper was awarded with his third ACC Coach of the Year award honor after guiding Tech to both the 2005 ACC regular season and tournament titles.

Georgia Tech, which earned a top-eight national seed in the NCAA Tournament for the fourth-consecutive year, made its third-straight NCAA Super Regional appearance the following season in 2006 and advanced to its third College World Series since Hall's arrival. Hosting an NCAA Regional for the fifth-straight year, Tech swept through the regional and then the super regional with a perfect 5-0 record before ending the 2006 season in Omaha with a 50-10 overall record.

With a squad that was among the youngest in the nation in 2011, Tech tied a school record with 22 ACC wins and claimed the ACC regular season title. The following year, 2012, may go down as one of Hall's best coaching jobs on The Flats. A team that was battered with injuries, especially in the bullpen, snuck into the ACC Tournament on the final day of the regular season and got hot at just the right time. Tech rolled through Greensboro an undefeated 4-0, becoming the first No. 8 seed in conference history to win the title and the first to defeat a No. 1 seed (Florida State) in tournament play. The Jackets hit .329 overall as a team and outscored the opposition 35-15.

Tech's 8-5 win over Miami in the 2012 ACC title game was Hall's fourth win in five ACC championship game appearances.

The Jackets bashed their way out of the gate in 2013, opening the season 14-2 with staggering offensive numbers. Tech set a school record by scoring double-digit runs in nine-straight games and 14 of the first 21. Paced with home run power from eventual all-Americans Daniel Palka and Zane Evans, Tech finished the season leading the ACC with 58 home runs and was second in both batting average (.304) and slugging percentage.

The Jackets won series over No. 2 North Carolina and No. 5 Virginia during the

regular season, beat No. 7 Florida State in the ACC Tournament and knocked off No. 2 Vanderbilt, 5-0, during the NCAA Nashville Regional - the 18th NCAA trip in Hall's 20 seasons at Tech.

Tech was one of the nation's youngest teams again in 2014, starting as many as six true freshmen position players. Yet Hall was able to mold the group into champions as the Yellow Jackets, the ACC's ninth seed, made a remarkable run through Greensboro and captured the program's ninth ACC Tournament title.

The team did its

damage with pitching and defense, shaving nearly a full run off its ERA from 2013 and setting the school record for fielding percentage (.974) while leading the nation in double plays (77)

Tech reached the NCAA Regional for the 19th time under Hall in 2014, following a regular season that included series wins over then No. 1 Florida State, No. 22 Miami, No. 13 North Carolina, Georgia, Duke and Virginia Tech.

In 2015, freshman Kel Johnson became the 20th player under Coach Hall to earn freshman all-America honors as the Yellow Jackets finished the season at 32-23 overall, including a stellar record of 21-8 at home on the year. Four Jackets in Matt Gonzalez, A.J. Murray, Brandon Gold and Johnson all earned all-ACC honors, as Tech saw its season cut short in the ACC Championship Tournament for the first time since 2007, ending a streak of seven-straight NCAA Tournament appearances.

The Yellow Jackets got back on track in a huge way in 2016, as Coach Hall's squad swarmed out of the gates with 12-straight wins to start the season off at 12-0. Despite hitting a rough patch midseason, which was caused by a slew of injuries to the pitching rotation, the Yellow Jackets made their 31st overall NCAA Regional appearance, 20th under Coach Hall, and finished the injury plagued season at 38-25 overall.

The only school from the state of Georgia to advance to the NCAA postseason in 2016, Tech went 2-2 in the regional to finish as the runner-up.

Coach Hall's squad registered a non-conference midseason sweep of the eventual 2016 NCAA National Champions in Coastal Carolina from April 29 thru May 1, taking three-straight from the Chanticleers by scores of 9-1, 9-8 and 4-2 in a shortenedcontest. On top of the sweep over the eventual national champions, the Jackets also took two-of-three games on the road at both No. 3 North Carolina and No. 23 Clemson in ACC play and used a three-run 10th inning to upend Georgia 6-3 in the Yellow Jackets' final game at Turner Field

Freshmen Joey Bart and Tristin English were both named to the 2016 Louisville Slugger freshman all-American team and the ACC all-freshman team, while English was also named to the D1Baseball freshman all-American second team. Pitcher Matthew Gorst earned a spot on the NCBWA all-American second team, while a number of Yellow Jackets earned all-ACC honors in English (first team), Kel Johnson (first team), Matt Gonzalez (first team), Brandon Gold (second team), Gorst (second team), and Connor Justus (third team). Gorst, Gonzalez and Gold were all also named to the 2016 ABCA/Rawlings Atlantic all-region team, the first Jackets to receive all-region honors since 2013. A total of five Yellow Jackets – Justus, Gonzalez, Gold, Gorst and Arden Pabst where selected in the 2016 Major League Baseball First-Year Player Draft in June, the most picks by the Yellow Jackets in a single season since seven were

chosen in 2013. One of only 32 NCAA Division I baseball programs to earn the 2015-16 American Baseball Coaches Association Team Academic Excellence Award, Tech had four players in Ben Parr, . Johnson, Trevor Craport and Brandt Stallings named to the 2016 all-ACC academic team.

In 2017 the Jackets were hindered by injuries all season long, as Tech had a total of 11 student-athletes miss significant time (six games or more) due to an injury throughout the year. In what proved to be a grueling schedule, the Yellow Jackets played a total of 16

games (30 percent) of its schedule against top-20 teams in No. 12 Oklahoma, No. 9 North Carolina, No. 7/16 Auburn, No. 5 Clemson, No. 2 Louisville, No. 8 Virginia and No. 12 Wake Forest (rankings at time of competition), scoring one win apiece versus Oklahoma, North Carolina, Auburn, Clemson and Virginia.

Despite the uncharacteristic Georgia Tech baseball season, the Jackets had one player named to all four all-ACC teams in 2017. Junior second baseman Wade Bailey was named to the all-ACC first team, while sophomore catcher Joey Bart earned a spot on the second team. Junior third baseman Trevor Craport was named to the third team, while freshman shortstop Austin Wilhite was named to the all-ACC freshman team. Both Bailey and Bart earned ABCA/Rawlings all-region accolades, while Bailey was also named to the all-America second team by Collegiate Baseball. Wilhite was named to both the Collegiate Baseball freshmen all-America first team and an NCBWA freshman all-American.

2019 marked the return of a sleeping giant as the Yellow Jackets blasted their way back onto the national scene, winning 43 games, a program-record 10-straight series and nine-straight Atlantic Coast Conference series, and capped it by being named the No. 3 National Seed and the host of the 2019 NCAA Atlanta Regional. Georgia Tech were led by a veteran group that included consensus all-Americans Tristin English, Kyle McCann and Connor Thomas, as well as shortstop of the year finalist Luke Waddell and all-ACC selections Baron Radcliff, Michael Guldberg and Xzavion Curry. Once again leading the ACC in hitting (.297) and finishing second in run production (.464), the Jackets showed intense GriT - as it soon became their season moniker - and lost only one ACC series, despite losing two of their weekend starting pitchers to season-ending injuries. The blue-collar season and effort earned head coach Hall his fourth ACC Coach of the Year honor - tied for third-most selections in conference history.

With their NCAA Atlanta Regional appearance, the Jackets have made 29 NCAA Regional appearances in the last 36 years, the fourth-most by any school during that same span (Florida State -35, Miami -32, LSU -32).

From a pair of conference titles and NCAA Regional appearances as a player, through six Big Ten championships and four College World Series teams as an assistant coach, to two conference titles and a pair of NCAA Regionals as a head coach at Kent State, Hall was well-prepared for the task that faced him when he took over the reins at Georgia Tech in December 1993.

In his six years as the head coach at Kent State (1988-93), he guided the Golden Flashes to Mid-American Conference championships and bids to the NCAA Regionals in each of his last two seasons, compiling an 86-28 record during that time.

He forged a 208-117 (.640) record in his six years at Kent State, twice winning Mid-American Conference Coach of the Year honors. He also won more games than any other MAC school from 1989-93. He had 18 Kent State players drafted by major league organizations.

Before his first head-coaching position, Hall served as an assistant coach at the University of Michigan, where the Wolverines won the Big Ten six times, participated in seven NCAA Regionals and four College World Series. During his tenure, Hall coached future major leaguers Jim Abbott, Scott Kamieniecki, Barry Larkin, Hal Morris, Chris Sabo and Gary Wayne.

Larkin was inducted into the Major League Baseball Hall of Fame in 2012, becoming the first of what could be many of Danny Hall's former players to be enshrined.

A former president of the American Baseball Coaches Association (ABCA), Hall now sits on its Board of Directors and is directly responsible for future elected officers within the ABCA as a member of its Nominations Committee. Hall was also a contributing writer on base running techniques in Baseball Strategies, a book produced by the ABCA in 2002.

Hall was selected to the Miami (Ohio) Athletics Hall of Fame in 1998 and the Kent State Athletics Hall of Fame in 2005. He was also inducted into the Miami Cradle of Coaches in 2007.

He is married to the former Kara Zufall and has three sons, Danny III, Carter and Colin

### DANINY BORRELL

Assistant Coach (Fitching) Second season at Tech

Former New York Yankee and Yankees pitching coordinator Danny Borrell was named the pitching coach at Georgia Tech baseball on August 16, 2019.

Borrell arrived on The Flats after spending 18 years in the Yankees organization, first for seven years as a left-handed pitcher, then as a pitching coach and eventual pitching coordinator for its farm system.

"I am so excited to have Danny Borrell as our pitching coach," head coach Danny Hall said. "He has excelled at every level of baseball. He will use his experience as a player, coach, and pitching coordinator of the New York Yankees to mold and develop our pitching staff. Everyone I have spoken to about 'D-Bo' talks about his ability to blend mechanics with the new age of analytics and technology to develop pitchers. His job the last five years has been to develop major league pitchers for the Yankees, who arguably are the best franchise in all sports. I welcome Danny and his family to The Flats."

The youngest pitching coordinator in the MLB when hired by the Yankees in 2015, Borrell led approximately 180 pitchers per year and 11 pitching coaches over nine minor league affiliates. During the last three seasons, Borrell helped lead the Yankees to be the best pitching organization in baseball as their staffs led in a multitude of statistics, including strikeout percentage, strikeouts/9 innings, strikeouts/walk, and fastball velocity. In total, he developed 34 Big Leaguers during his tenure with New York — including MLB All-Stars Dellin Betances and Luis Severino.

"It is an absolute honor to join the Georgia Tech baseball family," Borrell said. "To be considered as a candidate by Danny Hall is flattering in itself, but to be offered a position on his staff, as pitching coach, is surreal. My wife, son, and I were always treated as family during my 18 years with the New York Yankees, so it was a very difficult decision to change organizations."

Borrell continued, "Once my wife and I met with Danny Hall, James Ramsey, and their wives, however, we instantly felt that same family atmosphere which made this decision that much easier. I look forward to instilling and implementing the same player development plan I had with the Yankees into our pitching program with the Yellow Jackets."

A second-round pick in the 2000 Major League Baseball Draft to the New York Yankees, Borrell played for both the Yankees (2000-06) and Oakland A's (2006-08) during his nine-year professional career. The 6-foot-3, left-handed pitcher made 138 appearances and 120 starts in his career, pitching to a 3.49 career ERA. In addition to being named the 2002 Yankees Minor League Pitcher of the Year, Borrell would help bring home four minor league championships (2000, '01, '02, '08).

Prior to the MLB, Borrell was a standout two-way player at Wake Forest from 1998-2000, earning freshman All-American and second-team NCBWA All-American during his college career. Borrell helped lead the Demon Deacons to two of their four ACC titles (1998, '99) in program history, pitching a complete game in the 1998 ACC Championship win over Florida State. Wake Forest was 131-59-1 in his three years, including a program-record 47 wins in 1999.

He finished his career 10-8 on the mound in 24 starts with a 6.21 ERA, while batting a career .336 with 37 homers and 174 RBI – both still tied for 10th in Wake Forest history.

The Sanford, N.C. native led Lee County High School to the state baseball championship in 1996. He graduated from Wake Forest with a bachelor's degree in communication in 2009.

Borrell and his wife of 18 years, Martha, reside in Atlanta with their 12-year-old son, Logan.

### WHAT THEY'RE SAYING ABOUT DANNY BORRELL

### Brian Cashman – General Manager of the New York Yankees:

"Over the past 19 years, Danny has been a force for the New York Yankees – first as a player, coach and eventually our Coordinator of Pitching. We look forward to watching him impact his players in the same positive way as he did for us with his new position."

#### Larry Rothschild - Former New York Yankees Pitching Coach:

"I've been fortunate to have worked with Danny for the better part of nine years. He is an excellent pitching coach and is able to understand all the facets of today's world. His communication skills are excellent and this enables him to develop a great relationship with pitchers. He will be an invaluable asset for Georgia Tech. You could not have hired anyone better to be the pitching coach."

### Dellin Betances - Four-time MLB All-Star and New York Mets:

"Danny Borrell is one of the best pitching coaches I ever worked with and part of the success I've had, I owe it to him."

### JAMES RAMSEY

Assistant Coach (Hitting)
Recruiting Coordinator
Tillul season at Tech

Former ACC Player of the Year, All-American and MLB first-rounder James Ramsey was announced as the assistant baseball coach/hitting at Georgia Tech on Feb. 7, 2019.

In just Ramsey's first year at the helm of the Yellow Jackets' hitters, Georgia Tech led the ACC in hitting (.297) and finished second in run production (464), hits (702), slugging (.462), and finished third in home runs (418) and walks (356). Tech blasted back on the national scene in 2019, winning 43 games, a program-record 10-straight series and nine-straight Atlantic Coast Conference series, and capped it by being named the No. 3 National Seed and the host of the 2019 NCAA Atlanta Regional. Under Ramsey's tutelage, consensus all-American Tristin English dominated the plate in ACC play, slashing .381/.462/.825 for 32 runs, 37 RBI and 11 homers. Just in the postseason, English hit .500 for 16 hits, five doubles, three home runs and 14 RBI.

Ramsey's approach to hitting resonated immediately with the Yellow Jacket hitters as he preached patience, strategy and process to the offense. The buy-in paid dividends as seven players hit better than .299, including designated hitter Michael Guldberg, who led the team at .355 and catcher Kyle McCann, who launched 23 home runs for 70 RBI. The two biggest benefactors to Ramsey's approach were Baron Radcliff and Nick Wilhite, who became monumental pieces to the lineup by raising their averages 77 and 156 points, respectively, from 2018.

Joining the Seminoles in August 2018, Ramsey coached the outfielders and assisted with individual and team hitting approaches. In addition to coaching first base, he also began the process of integrating technology into player evaluation and development. Off the field, Ramsey coordinated community service and character development efforts for the team, as the Noles accumulated 200 hours volunteering this fall.

Prior to beginning his coaching career, Ramsey was a standout outfielder at Florida State and was a first-round MLB draft pick in 2012 by the St. Louis Cardinals. In seven seasons playing with the minor league affiliates of the Cardinals, Cleveland Indians, Los Angeles Dodgers, Seattle Mariners and Minnesota Twins, Ramsey totaled 502 hits, 105 extra-base hits, 59 home runs and 219 RBI for his career.

In addition to making the All-Star MLB Futures Game in 2014, Ramsey then went on to help lead the Columbus Clippers to the 2015 AAA International League Championship.

Ramsey finished his collegiate career (2009-12) as one of the best to don the Garnet and Gold. He was the 2012 ABCA Player of the Year and the ninth consensus All-American in Florida State history, earning first-team recognition from the ABCA, Baseball America, NCBWA, Louisville Slugger and Perfect Game. A team captain in 2012, Ramsey was named the 2012 ACC Player of the Year en route to capping his college career with a fourth-consecutive ACC Atlantic Division title, a pair of victories at the College World Series and No. 4 national ranking.

Ramsey was named to the D1Baseball's All-Decade Team for 2020 in the outfield for being a "a well rounded player who hit for average and power, posted three straight double-digit stolen base campaigns, played quality defense, and provided memorable leadership as the heart and soul of FSU's 2012 Omaha team."

For his collegiate career, Ramsey hit an impressive .339 with 48 doubles, 15 triples, 34 home runs and 202 RBI. He started the final 202 games of his college career, posting a .994 fielding percentage and committing just one error in 160 chances in 2012.

An all-around student-athlete, Ramsey was also a two-time first-team CoSIDA/ Capital One Academic All-American (2011, 2012) and the 2012 Academic All-American of the Year. He was the ACC Student-Athlete of the Year in 2011 and 2012 and the Lowe's Senior CLASS Award winner — the first recipient of the award for any Seminole student-athlete.

Ramsey graduated with a degree in finance in 2012 after earning three Golden Torch Awards — given to the Florida State student-athlete with the highest GPA on their respective team.

Ramsey and his wife, Grace, were married in 2016, and welcomed their first child, Brogan, in October 2019. Grace was a cheerleading captain at Georgia Tech, graduating with a business degree in 2012.

On Sept. 1, 2019, the Georgia Institute of Technology welcomed Ángel Cabrera as its 12th president. Cabrera came to Georgia Tech after serving for seven years as president of George Mason University (GMU) in Fairfax, Virginia.

Under his leadership for the past year thousands of members of the Georgia Tech community have contributed to a new 10-year strategic plan to be launched fall 2020. The plan is grounded on a new mission statement that was approved by the Board of Regents in May and reaffirms Tech's commitment to "developing leaders who advance technology and improve the human condition."

He is leading the Institute through one of the most critical times in its history in response to the Covid-19 pandemic, internally to prioritize the health and safety of the Tech community and externally to develop innovative solutions to combat the disease.

Cabrera is a Georgia Tech alumnus, the second in the Institute's 134-year history to serve as president. He holds an M.S. and Ph.D. in cognitive psychology from Georgia Tech, which he attended as a Fulbright Scholar. He also holds a telecommunications engineering degree from Universidad Politécnica de Madrid (B.S. and M.S. in computer and electrical engineering).

President Cabrera met his wife, Beth, while both were graduate students at Georgia Tech. Dr. Beth Fraser Cabrera was a management professor at Carlos III University in Madrid and Arizona State University, and currently delivers leadership development programs for business executives. Their son Alex, who recently received his undergraduate degree from the Institute, is a PhD student at Carnegie Mellon University. Daughter Emilia is a senior at Harvard University.

Cabrera serves on the boards of the Atlanta Committee for Progress, the Bankinter Foundation for Innovation, the Metro Atlanta Chamber, and the National Geographic Society. He is serving on the newly formed Task Force to Restore Georgia's Economy.

Under Cabrera's leadership, George Mason University reached the top tier among research universities in the Carnegie Classification and accounted for more than half of all public university enrollment growth in Virginia. Before becoming GMU's president, Cabrera served as dean of IE Business School in Madrid and president of Thunderbird School of Global Management (now part of Arizona State University). As a business educator, Cabrera played a key role in advancing professional ethics, internationalization, and corporate social responsibility. As a senior advisor to the United Nations Global Compact, in 2007 he was the lead author of the "Principles for Responsible Management Education," now adopted by more than 700 schools around the world.

Cabrera's research has been published in leading academic journals. He has been quoted by leading global media, including The Economist, BBC, CNN, CNBC, El País, Forbes, The International Herald Tribune, and The New York Times. His op-eds have been published by The Washington Post and the international press, and he has appeared on NPR programs and PBS

He's been named a "Young Global Leader" by the World Economic Forum, a "Star of Europe" by Businessweek, "Henry Crown Fellow" by the Aspen Institute, and "Great Immigrant" by the Carnegie Corporation of New York. He has received honorary degrees from Miami Dade College and Universidad Politécnica of Madrid. He is the first native of Spain to serve as president of an American university.

# DR BARATUNDE COVA Reculty Athletics Recursentative

Baratunde A. Cola knows just what it takes to be a student and an athlete at the highest collegiate level.

A professor of heat transfer, combustion and energy systems in the George W. Woodruff School of Mechanical Engineering, Cola was named faculty athletics representative (FAR) to the Georgia Tech Athletic Association with his three-year term beginning in July 2020. The FAR serves as the liaison between the Institute and the Athletic Association on issues regarding rules compliance, developments at the National Collegiate Athletic Association (NCAA), and activities related to Atlantic Coast Conference (ACC) membership.

Cola began his education at Vanderbilt University where he was a football student-athlete and the starting fullback in 2002. He graduated with a bachelor's of education degree after winning the football program's dedication award, before going on to earn his master's degree from Vanderbilt in 2004.

After six years at Vanderbilt, he began researching thermal applications of carbon nanotubes at Purdue University, interning as a test research and development engineer at Intel Corporation in 2007, as he worked toward earning his Ph.D. from the university in 2008.

From there Cola had a brief stay as a visiting scholar at the University of Texas at Dallas before joining the faculty at Georgia Tech in April 2009 as an assistant professor.

Cola's research is currently focused on understanding and designing thermal transport and energy conversion in nanostructures and devices. His group develops tools to characterize thermal transport across several orders of scale for this purpose. They seek to solve problems with high importance to applications in clean energy (e.g. direct conversion) and the efficient utilization of energy (e.g. more efficient thermal management), and in major industrial segments such as consumer electronics, enterprise services (e.g. the cloud supporting infrastructure), transportation, and lighting.

Cola was promoted to professor at Georgia Tech in 2019.

# TODD STATISBURY Director of Attitudies

Todd Stansbury, a Georgia Tech alumnus and football letterwinner, was introduced as the Institute's ninth director of athletics on Sept. 22, 2016. In just three full years as the athletics director at his alma mater, Stansbury has overseen a resurgence on The Flats. Most notably, the Yellow Jackets have put together consecutive ultra-successful years athletically. In 2018-19, Georgia Tech leapt 55 spots in the final Learfield IMG

In 2018-19, Georgia Tech leapt 55 spots in the final Learfield IMG Directors' Cup standings, good for Tech's highest finish in the national all-sports competition since 2010-11.

The Jackets were on pace for a similarly successful campaign in 2019-20. When the sports world came to a halt due to the global Covid-19 pandemic in March 2020, Georgia Tech men's basketball had just finished off the program's best Atlantic Coast Conference season in 24 years, women's basketball was on the NCAA Tournament bubble and golf and women's tennis were both ranked in the top 10 nationally. Additionally, Georgia Tech volleyball won the 2019 National Invitational Volleyball Championship and Tech football, under first-year head coach Geoff Collins, secured only the second top-25-ranked recruiting class in school history.

Academically, Georgia Tech was the only institution from a Power Five conference that had a multiyear NCAA Academic Progress Rate (APR) higher than the national average in every sport in 2018-19, a feat it nearly replicated in 2019-20, when 13 of its 14 programs compiled an APR above the national average in their respective sports.

In the community, Stansbury led the charge to institute Georgia Tech athletics' Jackets Without Borders international service program, which won the ACC's prestigious Game Changers award for community service in 2019.

Under Stansbury, Georgia Tech athletics has also reached new heights in fundraising. The Alexander-Tharpe Fund, the Georgia Tech Athletic Association's fundraising arm set records for funds raised in consecutive fiscal years (2019 and 2020) and Athletics Initiative 2020, Tech athletics' drive to raise \$125 for facilities, endowments and operations in a three-year span from 2018-20, surpassed its goal six months ahead of its Dec. 31, 2020 deadline.

The uptick in fundraising has led to a much-needed revitalization of Georgia Tech's athletics facilities, including:

- a new \$4.5 million football locker room;
- a series of exciting upgrades to football's Bobby Dodd Stadium, highlighted by a new state-of-the-art Shaw Sports Turf Legion NXT playing surface, new LED lighting system, new sound system and all new re-branded signage throughout the stadium;
- a new \$2.5 million women's basketball locker room and team area; the \$9 million Phase II renovation project at baseball's Russ Chandler Stadium, featuring a concourse-level atrium that will serve as an iconic point of entry on gamedays, new premium seating areas, including a terrace view club that overlooks the field and Atlanta skyline and a new, expanded, state-of-the-art indoor training facility;
  - a \$1.2 million investment in new videoboards at several competition venues (baseball, softball, volleyball and tennis, as well as Bobby Dodd Stadium's Callaway Plaza);
- a refresh of the student-athletes' nutrition center and training table. Still to come is groundbreaking on the crown jewel of Al 2020, the \$70 million renovation of the Edge/Rice Center. The new Edge/Rice Center will serve as a sleek and innovative home base for Georgia Tech athletics' teams and administration, a one-stop shop for key student-athlete services, an anchor for recruiting efforts and a showcase for the Institute's commitment to student-athlete success and fan engagement.

Stansbury began setting the stage for these accomplishments as soon as he officially arrived back on The Flats on Nov. 28, 2016. In the first months of his tenure as athletics director, he identified four strategic priorities for Georgia Tech athletics — to define the GT athletics brand, to establish an internal culture, to align the internal structure and to generate new revenue. He has addressed those priorities through a slew of initiatives and accomplishments. Highlights include:

- a significant revenue lift, which can be traced in large part to an innovative overhaul of sales operations that focused on integrating fundraising and ticket sales efforts;
- the establishment of a partnership with adidas to serve as the official apparel provider of Georgia Tech athletics, which was announced on Aug. 22, 2017 and went into affect on July 1, 2018;
- a re-emphasis on Georgia Tech athletics iconic Total Person Program, with investments for additional staff and programming for student-athletes, including the department's first three Jackets Without Borders service trips to Costa Rica (2017) and Puerto Rico (2018 and 2019);
- a comprehensive brand refinement that included defining Georgia Tech athletics' official colors, Tech's first-ever athletics wordmark and a simplification of the iconic interlocking GT logo;
- the creation of Georgia Tech's "Gold Code," which outlines the department's core values, brand differentiators, vision, mission and the Everyday Champions formula — Winning + The Institute + Total Person Program = Everyday Champions;
  - the establishment of two new offices within the athletics department the office of brand and ideation, which works to identify and tell the story of the Yellow Jackets' brand, and the office of innovation, which oversees Georgia Tech's efforts to build on its status as college athletics' leader in innovation, particularly through collaboration and partnerships with the Institute and innovation hubs throughout Atlanta.

A native of Oakville, Ontario, Stansbury was initially drawn to Georgia Tech when he befriended several Tech football student-athletes while on a family vacation in Florida as a youngster. The student-athletes invited Stansbury and his family to attend a practice on their way back through Atlanta . They accepted and, after visiting campus, Stansbury was determined to attend and play football at Tech.

Several years later, he was offered and accepted a football scholarship to attend Tech. He enrolled in 1980 and played linebacker and special teams for the Yellow Jackets under head coach Bill Curry. He went on to be selected in the third round of the Canadian Football League draft by the Saskatchewan Roughriders in 1984 but after a brief CFL career, returned to Atlanta to begin a banking career.

In 1988, he left banking and returned to The Flats to become an academic advisor for Georgia Tech's football program. In 1991, he was promoted to assistant athletics director for academics by legendary A.D. Homer Rice.

After leaving Tech in 1995, Stansbury's career included stops at Houston (associate A.D. – 1997-2000) and Oregon State (executive associate A.D. – 2003-12), as well as three stints as an athletics director at East Tennessee State (2000-03), UCF (2012-15) and Oregon State (2015-16).

Stansbury and his wife, Karen, who were married inside the current Edge Center, reside in Atlanta. After they were married in 1995, the couple traveled the world for 18 months before returning to the United States.

Omaha, at last. Georgia Tech's baseball squad finally reached college baseball's promised land in the summer of 1994 under first-year head coach Danny Hall. Over the previous decade, Georgia Tech had produced one of America's most consistent baseball programs, averaging 45 wins per season while earning 10-straight NCAA Tournament invitations. Included in that span were numerous national and No. 1-rankings, and yet no College World Series appearances. But all of that changed in 1994 when the Yellow Jackets outlasted a talented Washington club, 18-7, in the final game of the Midwest II Regional in Wichita, Kansas.

With four of the premier talents in all of college baseball, including consensus first-team All-Americas Jason Varitek, Nomar Garciaparra and Jay Payton, and second-team All-American Brad Rigby - all four of whom were taken among the first 36 players in the June, 1994, draft - Tech headed to Omaha, where they came within one win of the school's first NCAA title.

The Yellow Jackets faced a talented Cal State Fullerton team in the opening game of the 1994 College World Series, with both teams throwing their aces. The Jackets drew first blood in the bottom of the fifth inning when Garciaparra earned a bases-loaded walk. Rigby then took over, striking out the side in the sixth while adding whiffs in the seventh and eighth as well as two more in the ninth to finish with a three-hitter and 10 strikeouts.

A familiar foe was on deck, with Georgia Tech squaring off against Mike Martin's Florida State team in Yellow Jackets' second game of the College World Series. With the score knotted at 4-4 in the top of the ninth inning, Varitek singles home Garciaparra with the first run of an eight-run explosion that set a CWS record for scoring in an extra frame. Matt Saier, the No. 9 hitter in the Tech order, capped the outburst with a grand slam to help the Jackets move on to game three.

Faced with a rematch against Cal State Fullerton, Tech stood one win away for playing for the championship. Payton snapped a 1-for-8 CWS slump with a two-run homer in the top of the first inning, but the Titans tied the game with runs in the first and fourth innings against Rigby. Both teams relied on pitching and defense over the next seven innings before Garciaparra ended the scoring drought with a solo home run in the top of the 12th inning. Fullerton quickly responded by putting runners on the corners with no outs, but Chris Myers struck out DH Sal Mancuso, popped up first baseman D.C. Olsen and retired left fielder Brian King on a liner to Payton to give the Yellow Jackets a berth in the NCAA championship game.

The Yellow Jackets' enjoyment in the title match up is short-lived, as Oklahoma scored a pair of runs in the bottom of the first inning before home runs in the second and third innings by Varitek and Garciaparra tie the game at 2-2. Disaster struck for Georgia Tech over the next three innings though, as the Yellow Jackets yielded nine runs - five in the fourth and four more in the sixth - to the Sooners, who went on to capture the national title with a 13-5 win.

Georgia Tech ended the 1994 season with its highest final ranking ever. Collegiate Baseball, Baseball America and USA Today all ranked the Yellow Jackets No. 2 in the year-end polls, a mark that has been unmatched since Tech's magical 1994 run.

With Georgia Tech's emphatic 11-5 victory over Florida Atlantic to win the NCAA Atlanta Super Regional, Kyle Bakker was looking forward to the homecoming he'd always dreamed of. A native of Omaha, Bakker returned to his hometown as part of just the second Georgia Tech team to ever advance to the College World Series. The big man didn't disappoint in his one and only hometown appearance either - shutting out South Carolina through eight innings while recording nine strikeouts to lead Georgia Tech to an 11-0 win in the Yellow Jackets' opening game of the 2002 College World Series. Victor Menocal and Matt Murton recorded four hits apiece to pace Tech's offense, and Brian Burks shut the door on the Gamecocks by recording three outs on just six pitches to end the game.

The Yellow Jackets didn't fare as well two days later, as Clemson jumped on Georgia Tech early with an eight-run explosion in the second inning. Tech would get as close as two runs in the sixth inning, but Matt Henrie held the Yellow Jackets to just one hit over the final 2.1 innings to preserve the Tigers' 9-7 win. Menocal and Jason Perry collected three hits apiece and Murton and Eric Patterson each added two hits in the game as Georgia Tech out-hit the Tigers, 14-9, and played flawless defense, but struggled to drive in runs, leaving a staggering 13 men on base.

Playing out of the loser's bracket two days later, Georgia Tech again faced the Gamecocks but couldn't produce the same results. Timely hitting by the Gamecocks, combined with costly errors by the Yellow Jackets, helped South Carolina stake a 9-2 lead through 7.5 innings. Tech answered with a pair of runs in the bottom of the seventh on a two-run home run by Jeremy Slayden, and the Jackets tacked on another run in the bottom of the eighth inning, but the comeback fell short as South Carolina moved on with a 9-5 win.

The 2002 season was one of the finest in school history, as the Yellow Jackets set a new school record with 52 wins while eclipsing the 50-win mark for the fourth time in the program's history. Six Yellow Jackets were selected in the 2002 MLB Draft, including Victor Menocal, who was named to the All-College World Series team after batting a blistering .563 with six runs scored in Omaha.

The Yellow Jackets also finished as a consensus top-10 team for just the third time under head coach Danny Hall, including a No. 5 final ranking by Collegiate Baseball and USA Today while Baseball America ranked Georgia Tech at No. 8.

The Yellow Jackets and Tigers were just two of a league-record four ACC teams taking part in the 2006 College World Series, joining Miami and North Carolina in Omaha.

The Yellow Jackets jumped on the Tigers early, scoring three runs in the top of the first inning. Wally Crancer doubled to reach base with one out and scored on a run-scoring single from Matt Wieters. A two-run home run by pitcher-turned-outfielder Jeff Kindel quickly made the score 3-0 in Tech's favor. Meanwhile, junior left-hander Lee Hyde kept Clemson's batters off balance all afternoon, holding the Tigers scoreless through seven innings, but the league champions mounted a comeback in the eighth inning. Clemson scored eight runs in the frame and held on to take the 8-4 win in the opener.

Dropped into the CWS loser's bracket, the Yellow Jackets found themselves matched up against Cal State Fullerton in the tournament's first elimination game on Sunday, June 18. Tech again scored three runs in the first inning, with RBI singles from Kindel and Wes Hodges and a sacrifice fly from Whit Robbins. Blake Wood cruised through the first three innings before yielding runs in both the fourth and fifth. The Titans would take the lead with back-to-back run-scoring hits in the fifth inning to chase Wood, but the Jackets answered with a solo home run from Wieters in the sixth inning to tie the game. The score remained tied until the top of the ninth, when Cal State Fullerton scored two runs on an infield single.

Despite the 0-2 record in Omaha in 2006, the season was special for several reasons. The Yellow Jackets eclipsed the 50-win mark for just the fifth time in history, and fourth under Hall. Tech led the league in runs (8.7 pg), doubles, home runs, RBI, slugging percentage and walks, while seven Yellow Jackets were selected in 2006 MLB Draft, led by second round selection Wes Hodges.

Tech turned in a consensus top-10 season, according to the final national college baseball rankings. Baseball America and USA Today listed the Yellow Jackets' at No. 7, while Collegiate Baseball had Georgia Tech ranked No. 8.
