

ABOVE THE LINE

Since he was first asked about depth charts and two-deeps, Georgia Tech head coach Geoff Collins has insisted that he doesn't believe in them. He coaches his student-athletes to be **ABOVE THE LINE (ATL)**. Those who are ATL are ready to play and can see game action, while others work to get to that level. In place of a traditional depth chart that often omits some student-athletes who see game action and lists others who seldom enter the game, Georgia Tech lists all student-athletes that are ATL numerically by position.

The ATL list is updated on Thursday of each game week. The list below reflects those who are ATL going into Game 11 vs. Notre Dame.
