

Off-Campus Recruiting

All off-campus recruiting activities must be conducted in accordance with NCAA bylaw 13.1.2 and applicable recruiting calendars.

Contact and Evaluation Procedures

- All off-campus contacts and evaluations must be logged in FrontRush in real time to accurately track recruiting contact and applicable sport recruiting person/evaluation day limits.
 - During summer months, individual evaluations do not need to be logged (*NCAA Bylaw 13.1.5.7 – Counting Contacts and Evaluations*), but the applicable contest and/or tournament/event must be logged.
- Accurate and complete information for all off-campus recruiting activities must be present in FrontRush for reimbursements to be reviewed and approved.
- The compliance office will review submitted logs and FrontRush recruiting logs for compliance with recruiting calendars and other applicable NCAA recruiting legislation.
