

**GEORGIA TECH INVITATIONAL
GEORGE C. GRIFFIN TRACK – GEORGIA TECH
FRIDAY-SATURDAY, APRIL 19-20, 2024**

LAST MINUTE MEET NOTES

1. **Bands:** GOLD wrist bands for competitors and PINK wristbands for coaches/support staff will be in packet at packet pick-up. Coaches will have access to the infield, or inside the fenced area of the track. Athletes not competing may not be inside fenced areas and will be asked to leave inside the track/infield areas.
2. **Warm-up area:** Wrist bands will allow you access into the check-in & warm-up area located inside the Brock indoor facility. To reach the Brock facility, walk around the first turn of the track, outside of the fence, to the backstretch. Team areas should be along the inside walls of Brock, and are not allowed on the indoor football area which is designated for warm ups. Athletes will be brought out by heat for stride on the track.
3. **CHECK-IN PROCEDURE FIELD:** All access to field event areas will go through the clerk area. Pole Vaulters with poles may drop off poles through front gate by pole vault pit. Field athletes must check-in with the field event judge no later than 30 minutes prior to scheduled start of the event (60 minutes for the pole vault). Field event athletes will be allowed onto the competition site 60 minutes prior to scheduled start (90 minutes for PV). 15 minutes prior will be for flight specific warm ups only.
4. **CHECK-IN PROCEDURE RUNNING:** All running athletes must check-in at the clerks table located in the northeast corner of the Brock indoor facility. Running event athletes, except for 200m runners (see below) must check-in with clerk at least 30 minutes prior to event start. Running event athletes will be escorted onto the track by section.
5. **ALL 200M RUNNERS:** You must check in with the clerk between 2:45-3:45pm, if you intend on running to 200m. Sections and lane assignments will be seeded for the 200m after check-in. If you do not check-in by 3:45pm, YOU WILL BE SCRATCHED!
6. **IMPLEMENT WEIGH-IN:** Located underneath the track stands at the west entrance (finishline side). Implements may be dropped off during earlier weigh in times as well as on Thursday during packet pick up times.
