

Outside Competition process

Any time a Georgia Tech student-athlete participates in official competition, as defined by *NCAA Bylaw* 17.02.10 – *Organized Competition* and *NCAA Bylaw* 17.02.11 – *Outside Competition*, they shall submit the Outside Competition form to the compliance office designee <u>prior to</u> such participation.

For competition as a member of an outside team, please complete this form: https://bit.ly/39t8exZ

For competition as an individual, please complete this form: https://bit.ly/3MWu6R4

For competition in the sport of basketball in a summer basketball league, please complete this form: https://bit.ly/gtaabbsummer

The student-athlete will complete their portion of the form, it will then require review and approval from a member of their sport's coaching staff or designee, and then the compliance office designee will review for a final determination regarding participation.
