TOP STORYLINES

• The Jackets are coming off a series victory in the opening weekend of ACC play, taking two of three at Virginia Tech.

• Tech has now won its first series of ACC play for the sixth year in a row and have won the first ACC road series for the first time since 2021.

• GT has won three games this season while tied or trailing going into the ninth inning, including doing so twice in ACC play, already matching the ACC win total from last season.

• Tech is led by reigning National Freshman of the Year, **Drew Burress**. He leads all of Division I with a .785 career slugging percentage.

• The Houston Co. product became the fastest Yellow Jacket in program history to reach 30 career home runs – doing so in just 73 games, a full 20 games faster than the previous record holder, Kevin Parada

• The emergence of the pitching staff has been the highlight of the season, boasting 11.0 strikeouts-per-game this season - Tech has not averaged double-digit strikeouts from the pitching staff since the COVID shortened 2020 season (10.9) and hasn't done it over a complete season this century - that 11.0 Ks/9 number is 21st in the nation.

• The early bullpen success has been spearheaded by **Mason Patel** who became the first Yellow Jacket pitcher in 23 years to win each of his first five appearances (first since Kyle Bakker in 2002).

• **Patel** leads the nation with five victories and a 0.47 WHIP. He is the only pitcher in the nation to not allow a run with 10+ IP and at least 1 inning/Team Game.

• Tech leads the nation with 50 doubles this season, headlined by **Kyle Lodise**, who leads the ACC with nine.

• GT is the only Power 4 program with three players at 7+ doubles this year - **Kyle Lodise** (9) **Carson Kerce** (8), and **Kent Schmidt** (7) and one of only two DI programs (also Utah) with four players at 6+ doubles (**Drew Burress** (6)).

• Freshman **Alex Hernandez** holds the second-most home runs of any freshman in Division I (5) and the third-most RBI (20). He is the only undergraduate and one of only three players in Division I to record a save and hit at least five home runs this season.

• There is a three-way tie for the team lead in home runs between **Hernandez**, **Burress** and **Lodise** – all with five. Tech is one of 10 programs across Division I to have three players hitting 5+ HRs this season.

• Head Coach **Danny Hall** currently has 1,424 career wins – the 11th most all-time and 2nd most among active NCAA head coaches after South Carolina hired Paul Mainieri (1,519) out of retirement this season. He is three wins away from tying Cliff Gustafson for the 10th most career wins.

• Tech is the only program in the Power 4 to be led in RBI by two different freshmen for total season RBI (**Hernandez** – 20) and conference season RBI (**Caleb Daniel** – 5)

• GT's .335 avg. is 3rd in the ACC and 12th in the country.

• GT is 2nd in the nation with 15 SAC flys - led by **Parker Brosius** (3)

TOTAL	**159-112**	**.586**

• The Cardiac Jackets wasted no time returning for 2025, winning opening day by one run, 3-2, after scoring the go-ahead run in the bottom of the eighth after an infield grounder from **Nathan Waugh** gave just enough time for **Drew Burress** to come sliding home from third, despite a 5-man infield from ODU.

• In the 2nd game, Tech fell behind, 3-0 before recording an out, only for the bullpen to come in and pitch 9.0 innings of scoreless ball, striking out a season high 16 and only allowing three base hits. The bullpen kept the game, 3-0, until the bottom of the ninth, when Tech exploded for seven runs, the most scored in a ninth inning in a decade of GT baseball.

• That 7-run 9th inning began with a 5-pitch walk by **Nathan Waugh** before **Vahn Lackey** delivered his 2nd hit of the game to put runners at 1st and 2nd. **Alex Hernandez** drew a walk on 4 pitches to load the bases for **Tyler Neises** who connected on an 0-1 pitch, driving it into left for a single and cutting the deficit to one run, 3-2. **Will Baker** reached on an error when his sacrifice bunt was mishandled by the ODU pitcher, loading the bases for **Kyle Lodise** who took his second walk of the day to score Hernandez and tie the game. The very next batter was **Drew Burress** and he made no mistake, smashing a 1-0 pitch over the wall in right for the walk-off opposite field walk-off grand slam.

• The Jackets began ACC play with a pair of ninth-inning rallys to take two of three at Virginia Tech. On Friday, GT had been trailing, 2-3, since the fifth inning but **Carson Kerce** and **Kyle Lodise** led off the inning with walks before being brought home off

singles from **Kent Schmidt** and **Alex Hernandez**, before **Patel** slammed the door in the bottom of the inning to earn the 4-3 win.

• In the series finale, Tech entered the 9th tied, 6-6 and had not scored since the 3rd. **John Giesler** led off the inning with a four-pitch walk, followed by a 5-pitch walk from **Parker Brosius.** It was freshman **Caleb Daniel** who came through in the clutch, launching a ground-rule double to put GT ahead, 7-6. **Carson Kerce** would drive home **Brosius** on a SAC fly to add the insurance run before the combination of **Brett Barfield** and **Cooper McMullen** shut down the VT bats for the victory and the 1st career save for **McMullen**.

• This season, Tech has come from behind in nine of its 13 victories.

IT STARTS AT HOME...

• Since 1985, Tech has won a whopping .753 percent of its games at home (1,040-335-1).

• In 31 home games in 2024, Tech has hit .339 with 75 doubles, five triples and 61 home runs for 279 RBI.

• Since 2002, Tech has only hit below .300 at home in two full seasons – 2017 and 2021.

• So far in 2025, the Jackets are 10-2 with a .354 average. 41 doubles, two triples and 19 HR for 114 RBI.

CHASE FOR THE TOP 10

• ABCA Hall of Famer **Danny Hall** became the 11th NCAA Division I coach all-time to reach the 1,400 career win mark on April 14 when Tech defeated then-No. 16 Virginia Tech, 11-7.

• In addition to his career-win milestone, Coach Hall also reached the 1,200 wins at Georgia Tech after defeating No. 9 Duke on May 12.

• He currently has 1,424 career wins – the 2nd most among active NCAA head coaches after South Carolina hired Paul Mainieri (1,519 career wins) this season.

• Hall is 3 wins shy of Cliff Gustafson (1,427 at Texas 1967-1996) and 20 away from tying Chuck Hartman (1,444 at High Point/Virginia Tech 1959-2006).

• When Hall passes Gustafson, 4 wins from now, Georgia Tech will replace Texas as the only program in Division I with two coaches in the all-time top-10 for career victories - Jim Morris coached at GT from 1982-93.

Returning Starters

• Georgia Tech baseball returns four bats from the starting lineup of the 2024 Athens Regional Final: Drew Burress, John Giesler, Parker Brosius and Vahn Lackey.

• 2024 National Freshman of the Year (D1 Baseball/Perfect Game) and National Freshman Hitter of the Year (NCBWA) Drew Burress returns for his sophomore season after delivering one of the greatest freshman seasons in college baseball history last year.

• Burress led Georgia Tech in a myriad of categories last year, including average (.381), home runs (25) and RBI (67), becoming the 12th Yellow Jacket to win Tech's triple crown.

• He set the Georgia Tech record for most assists by an outfielder, gunning down 10 base-runners from center field while also setting the program record with four home runs in a single game, against Georgia State (Feb. 27, 2024).

• His .821 slugging percentage from last season gives him the highest career slugging percentage in program history, with a minimum of 200 at bats in White & Gold. It was the 4th highest slugging percentage in a single season by a Yellow Jacket, the best since 1926 and the first .800+ slugging season in 45 years (Tommy Thompson (.811) – 1979).

Spinning From The Start

• The Georgia Tech pitching staff got off to a historically strong start in 2025 - holding its opponents to fewer than five runs in each of its first six games for the first time since 2002.

• The pitching staff allowed nine runs over the course of the series, a 10-run improvement after averaging 19 runs allowed over the previous three opening series sweeps (14 RA in 2024, 24 RA in 2023 and 19 RA in 2022).

• The Jacket pitchers struck out 40 in the opening weekend against Old Dominion — tied with 2022 for the most strikeouts through the first three games this century.

No PATEL-ing How Long This Will Last

• Senior RHP Mason Patel is simply put, the most effective pitcher in the nation in 2025.

• The senior Georgia State transfer from two seasons ago leads the nation with five victories and a 0.47 WHIP. He is the only pitcher in the nation to not allow a run with 10+ IP and at least 1 inning/Team Game.

• He became the first Yellow Jacket pitcher in 23 years to win each of his first five appearances (first since Kyle Bakker in 2002).

• He was awarded ACC Co-Pitcher of the week on Feb. 24 after dominating both Marshall and Georgia Southern to the tune of 8.1 innings with a 0.00 ERA, 11 strikeouts and a 2-0 record while only allowing four base runners.

• Patel becomes the first GT pitcher to earn pitcher of the week since Andy Archer (March 29, 2021).

• Patel's award-winning week got started on Wednesday, when he came out of the bullpen to start the third inning in Tech's road opener at Georgia Southern. Patel was perfect through 5.1 innings, retiring the first 16 batters he faced in order to quiet the Georgia Southern bats and allow for Tech to take the game, 5-3. He struck out a career-best nine batters in that appearance, which also goes down as his longest outing in White & Gold – Patel's longest since pitching 6.0 innings in a start against Brown for Georgia State back in 2023, all in only 50 pitches.

• He followed that with another gem of an outing on Sunday against Marshall, entering the game with runners on second and third and nobody out in the fifth inning, working around a hit-by-pitch to keep the Thundering Herd off the board with yet another scoreless inning. He would pitch two more scoreless to earn the victory, leaving after the 7th inning with the Jackets in front, 10-3.

• Patel's efforts bolstered a resurgent GT bullpen in 2025. The Tech bullpen has struck out 54 batter while holding opponents to a .180 average – the best numbers by a Tech bullpen through seven games since at least the turn of the century.

• In his third appearance of the season, Patel entered in the sixth inning - retiring the first batter he saw to get Tech into the 7th inning and earning the win and improving to 3-0 – becoming the first Yellow Jacket pitcher to be 3-0 after only nine games since Xzavion Curry in 2018.

• Patel was first out of the bullpen last week vs. KSU, working a pair of flyouts to get Tech out of the second inning before striking out two around a couple of hits in the third and adding another K in the fourth around a two-out walk for 2.2 scoreless innings

• He would get credit for the win, improving to 4-0 on the season and becoming the first Yellow Jacket to earn the win in each of his first four appearances since Mark Pope in 2011.

• **Patel** came out of the bullpen in the 5th inning of the series opener at VT and continued his unconscious season, pitching 4.2 innings without allowing a hit.

• Patel allowed only three base runners (one walk, one HBP, one ROE) and retiring 7 straight during the middle innings.

• He would get credit for the win, becoming the first Yellow Jacket to earn a win in each of his first five appearances since Kyle Bakker in 2002.

• He is the first GT pitcher this century to begin a season with 17.0 scoreless innings.

Jim Poole Number - John Giesler

Georgia Tech baseball continues the legacy of former Yellow Jacket standout and Major League Baseball relief pitcher Jim Poole, who passed away from ALS in October of 2023, by designating a student-athlete each year to wear his No. 21 jersey. The student-athlete selected must exemplify Poole's characteristics both on and off the field.

This year, senior infielder John Giesler becomes the third Yellow Jacket to earn the honor, continuing the tradition begun by Jack Rubenstein in 2023 and Ben King last season.

"I am excited that John Giesler will wear number 21 this year," Head Coach Danny Hall said. "Jim Poole was part of an era in Georgia Tech Baseball that established us as a national power. Jim's prowess on the mound and in the classroom set the bar high for future Yellow Jacket players and teams. John exemplifies those same character traits of excellence on the field and in the classroom. As a two-time Captain he is the ultimate "Tech Man" to honor Jim's legacy."

Giesler, a sixth-year senior from Marietta, Ga. (Walton HS) will wear No. 21, having shown a longstanding commitment to Poole's ideals – self-determination, a strong academic work ethic, and high moral fiber on and off the field. Giesler is a five-time member of the ACC Academic Honor Roll, a two-time academic all-district honoree and earned Academic All-America (3rd Team) in 2023. He is currently pursuing a master's degree in real estate development.

On the diamond, Giesler is entering his second season as team captain. He is a career .308 hitter for the Yellow Jackets and set career highs in doubles (17), home runs (10) and RBI (43) last season while delivering a .990 fielding percentage in 41 games in the corner infield. He will be a key piece of the Jackets' offense again in 2025 as Tech strives for its 36th NCAA Regional berth and fifth in Giesler's career in White and Gold.

"Simply put, this is the greatest honor I have ever been given," Giesler said. "From knowing Jim and knowing who he was as a person, I don't feel deserving but I am incredibly honored. I will do everything I can this year to wear this number with respect and honor him and his family the best I can."

ABOUT JIM POOLE

Poole arrived on The Flats in 1985 and had an immediate impact, as Georgia Tech baseball would win the first of four-straight ACC Tournament Championships. During his four years, he pitched in 120 games and struck out 263 batters in 188 innings. He still ranks first in the Tech record book with 22 career saves, including 10 as a junior and nine as a senior. He was named all-ACC his last two seasons. Poole would be enshrined into the Georgia Tech Sports Hall of Fame just nine years later in 1997.

A stellar worker in the classroom, Poole elected not to turn professional after being selected in the 34th round of the 1987 MLB Draft by the LA Dodgers, and returned to Georgia Tech for his senior year, recording a 2.03 ERA and 113 strikeouts in only 71 innings. Once again, the LA Dodgers would call his name in the 1988 MLB Draft, this time taking him in the ninth round. He would return to

graduate from the Institute with a degree in electrical engineering in 1990.

Poole played 11 years in the major leagues, predominantly with the Baltimore Orioles, Cleveland Indians, and San Francisco Giants. In 431 games played, he finished with 22 victories and a 4.31 ERA, as well as 256 strikeouts and four saves. He helped pitch Cleveland to two American League Championship Series (1995, 1998), making it to the 1995 World Series where he would face the Atlanta Braves.

Following his retirement at the end of the 2000 season, Poole returned to Georgia Tech to join the Alexander-Tharpe Fund as a fundraiser and supporter of the baseball program. He then began serving as the pitching coach at Johns Creek High School in 2010, teaching many young men about pitching mechanics, while also conveying his personal pitching philosophy.

He later joined the business world as a Personal Wealth Advisor for the Baseball Division of BIP Wealth.

After being diagnosed with ALS in 2021, Poole worked tirelessly to raise awareness for the disease. In addition to serving on MLB ALS boards, he also worked with Georgia Tech, who together hosted an ALS Awareness Day during the 2022 baseball season, with Tech wearing Jim Poole shirts and both teams wearing honorary wristbands. Professional players also wore the shirt. Tech later designated the number 21 each year to be worn by a student-athlete who exemplify Poole's ideals – self-determination, a strong academic work ethic, and high moral fiber on and off the field.

Every 90 minutes, someone is diagnosed with ALS, or Lou Gehrig's disease, with an estimated 30,000 people living with ALS in the United States at any given time. Primarily affecting people between the ages of 40 and 70, ALS is a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord. There is no known cure.

2025 ACC TOURNAMENT

Beginning this spring with the 2025 ACC Baseball Championship in Durham, North Carolina, all 16 teams in the ACC will compete in a single-elimination championship. The championship will remain six days as it has in previous years, running from Tuesday, May 20, through Sunday, May 25, 2025, from Durham Bulls Athletic Park.

"There's once again tremendous excitement surrounding ACC Baseball and today's announcement will bring an improved championship experience for our student-athletes, coaches, and fans alike," stated ACC Commissioner Jim Phillips Ph.D. "Nationally, the ACC is once again well-represented in the preseason polls and award lists. After what we know will be a highly competitive regular season, we look forward to showcasing all 16 baseball teams in Durham this May."

Since 2006, the ACC Baseball Championship has been played in a pool play or round-robin style format. The tournament last expanded its field size in 2017, moving from 10 to 12 teams.

Under the new format, the top four seeds in the championship will be based off the performance in the regular season and will receive a double-bye into the quarterfinal round, which is scheduled to be held on Thursday and Friday. Seeds five through eight will earn a bye into Wednesday's second round. Seeds 9-16 will begin play with four first round games on Tuesday.

LET'S BRAG ABOUT BURRESS

"Burress is as big a star as you'll find in college baseball, the reigning D1Baseball Freshman of the Year and a 2024 first-team All-American after hitting .381/.512/.821 with 25 homers. He's a no-brainer first-team preseason All-American as a sophomore, and our preseason pick for ACC Player of the Year.
– D1Baseball

• In 2024, Drew Burress established himself as one of the best hitters in college baseball and one of the most exciting prospects to watch leading up to the 2026 draft. If he can continue his historic run through the ranks of NCAA Baseball, every MLB front office will be begging for Burress to become the next face of the franchise.

• Burress hit 25 home runs last season, one shy of the Georgia Tech program record (set by Kevin Parada in 2022) and two shy of the NCAA freshman home run record set by Tommy White (NC State) in 2022 as well.

"If he continues to crush the ball at anything mirroring his current rate, he could follow in [Dylan] Crews' footsteps and reach his high ceiling when he's eligible for the 2026 Draft."
– Jesus Cano, MLB.com

• Burress can claim to have an unofficial piece of the GT home run record since he hit a home run against Georgia that would ultimately not be recorded officially after the game was ended due to rain.

• Last year, Burress became the 1st Yellow Jacket to ever slug over .800 with at least 200 at bats. His .821 slugging percentage led all Division I freshman and 6th overall among those with 200+ ABs.

• Not only did Burress turn heads with his bat but he also set the Georgia Tech record for the most assists by an outfielder in a single season, gunning down 10 runners from his spot in center field.

"He has thunderous bat speed and does a nice job creating leverage in his swing, and shows off plus power, especially to the pull side."
– Peter Flaherty, Baseball America

• This season, Burress has placed an emphasis on showing off his base running. After stealing 8 bags on 10 attempts last year, Burress feels that his speed isn't getting enough attention & looks to amend that in 2025.

• He became the fastest Yellow Jacket in program history to reach 30 career home runs – doing so in just 73 games, a full 20 games faster than the previous record holder, Kevin Parada and faster than legendary Tech sluggers such as Jason Varitek, Mark Teixeira and Nomar Garciaparra

"From Day 1, you never thought he was a freshman. He's a very mature kid. He doesn't mix any words about it. He wants to be a first-round pick. He wants to be the best player in the country. That's what drives him. That's his passion. He is one of those guys that makes everybody around him better. Every day."
– Danny Hall, ABCA Hall of Famer
