TECH GOLF NOTEBOOK

Tech Looking for 20th ACC Title

With three starters back from its semifinal finish at last year's ACC, Georgia Tech is seeded No. 6 in the 71st edition of the Atlantic Coast Conference Men's Golf Championship.

Head coach Bruce Heppler's 30th Yellow Jacket team, which has one victory (Olympia Fields/Fighting Illini Invitational) from the fall on its resume this year, finished seventh out of 12 teams at its most recent tournament, the Ford Collegiate in Richmond Hill, Ga. The Yellow Jackets also tied for fourth place at the Watersound Invitational in Panama City Beach, Fla., for its best finish this spring. Redshirt junior **Benjamin Reuter (Naarden, The Netherlands)** has been the Yellow Jackets top finisher in three of the five spring events, with freshman **Albert Hansson (Fiskebäckskil, Sweden)** leading Tech at Pauma Valley, and sophomore **Carson Kim (Yorba Linda, Calif.)** doing so at the Ford Collegiate.

Hiroshi Tai (Singapore), who won the NCAA individual championship last May at LaCosta, and Reuter, who had a pair of top-10 finishes in the fall, are among five players who helped the Yellow Jackets advance to match play at the NCAA Championship each of the past two years. Also back are sophomore **Kale Fontenot (Lafayette, La.)** and junior **Aidan Tran (Fresno, Calif.)**.

Tech Lineup

Reuter and Tai lead the five-man lineup for the Yellow Jackets in the Ford Collegiate, joined by Fontenot, Kim and Hansson. Tran will compete as an individual.

Reuter has been Tech's top player all year, posting a runner-up finish at Olympia Fields and two other top-10s, including a tie for fourth at the Watersound Invitational this spring. He is ranked No. 53 in the Scoreboard NCAA rankings. Tai, a pre-season All-American by Golfweek magazine and Golf Channel who competed in the Masters two weeks ago, had three top-20 finishes this fall and is ranked No. 226 in the NCAA Scoreboard rankings. The junior won twice as a freshman prior to his NCAA Championship.

Hanson, ranked No. 138 nationally, finished 13th at Pauma Valley for his best showing of the spring, while Fontenot (No. 188 in the Scoreboard rankings) has a top finish of 30th place at Watersound. Kim, ranked No. 304, tied for 10th at the Ford Collegiate, the best finish of his career to date.

Tech has a 64-58-5 head-to-head record through the Ford Collegiate, its most recent tournament, needing to be at .500 or better after the ACC Championship in April to qualify for a berth in an NCAA Regional. The Jackets have competed against a demanding tournament schedule in 2024-25, with nearly 74 percent of the teams they have faced ranking in the Scoreboard top 50.

Tee Shots

- Tech has won 14 of its 19 ACC titles under head coach Bruce Heppler, who is in his 30th year leading the program. The Yellow jackets and Wake Forest are tied for the most ACC titles won all-time with 19 each.

- Tech has qualified for match play in three of the four ACC Tournaments since the conference added match play to the format in 2021, missing out only the first year (2021).

- The Yellow Jackets are 3-2 all-time in ACC match play, losing its semifinal contest to Florida State last spring, winning the championship in 2023 and falling to Wake Forest in the 2022 finals.

- Tech's only match play competition in 2024-25 occurred at the East Lake Cup, where the Jackets defeated Ohio State in the semifinals (4-0), and lost to Auburn in the finals (3-2).

- Tech has won a tournament this fall for the first time since the 2023 NCAA Salem (S.C.) Regional, winning the Olympia Fields/Fighting Illini Invitational. The Yellow Jackets reached the NCAA Championship semifinals without winning a tournament in 2023-24, the first time the Yellow Jackets had done that since 2003. Tech also went winless in 2016 and 2017, but in those

years, the Jackets failed to advance through their regional.

- The Scoreboard NCAA Rankings recognize Tech for having two tournament wins this year, but one of those was the stroke play portion of the East Lake Cup, which included just four teams and was only 18 holes.

- In 10 regular-season events, Tech has faced 102 teams ranked among the Scoreboard top 50 out of 138 total teams (73.9%), with no fewer than eight top-50 teams in any tournament outside of the East Lake Cup, in which three of the four teams were in the top 25.

- Outside of Tech's stroke-play wins at the Olympia Fields event and the East Lake Cup and its fourth-place finish at the Watersound Invitational in February, the Yellow Jackets have finished no higher than seventh in any of the other seven tournaments.

- Tech has seven total individual top-10 finishes, three of those by Benjamin Reuter, and one each by Albert Hansson, Kale Fontenot, Hiroshi Tai and Carson Kim.

- Since the NCAA added match play to the format to determine its champion in 2009, the Yellow Jackets have advanced to match play six times, including the last two consecutive years.

- In stroke play, Tech finished 15th in 2021, 12th in 2022, second in 2023 and eighth in 2024.

- Tech has played in the NCAA Championship finals for the 21 times in 29 years under head coach Bruce Heppler. Four of the Jackets' five runner-up finishes have come under Heppler.

Tech's ACC Championship History

Georgia Tech has won 19 ACC men's golf championships, tying the Yellow Jackets with Wake Forest for the most titles in conference history. Tech's titles have all come from 1985 to the present. Before the Demon Deacons outlasted the Jackets in the championship match in 2022, Wake Forest's most recent title came in 1989.

Tech has won the ACC Championship 11 times in the last 18 years, most recently in 2023. The 2020 ACC Tournament was not held after the 2020 spring season was cut short due to COVID-19.

Tech has won 14 of its conference titles under current head coach Bruce Heppler, 12 of those outright (1999, 2001, 2002, 2009, 2010, 2011, 2012, 2014, 2015, 2018, 2019, 2023) and two shared (2006, 2007). The Yellow Jackets won five championships (1985, 1991, 1992, 1993, 1994) under previous head coach Puggy Blackmon.

Twelve of Tech's ACC titles have been won at the Old North State Club in New London, N.C., site of the event 22 of the last 27 years. The others took place at Bryan Park Golf Course in Greensboro, N.C. (1985), Northgreen Country Club in Rocky Mount, N.C. (1991, 1992, 1993, 1994), Disney's Magnolia Course in Lake Buena Vista, Fla. (2001) and the Country Club of North Carolina in Pinehurst, N.C. (2023).

Georgia Tech has produced 10 ACC individual champions, including Bob McDonnell (1985), David Duval (1991, 1993), Mikko Rantanen (1994), Bryce Molder (2000), Cameron Tringale (2006), Chesson Hadley (2010), Paul Haley (2011), Anders Albertson (2013, 2015) and Ollie Schniederjans (2014). Albertson and Duval are among five ACC players to win two championships.

TECH GOLF NOTEBOOK

Tech's NCAA Championship History

Georgia Tech has reached the NCAA Championship finals 32 times since 1985 (33 times in program history), which is the fifth most in that time period behind Oklahoma State (37), Arizona State (35), Florida (35) and Texas (35).

Tech has posted 18 top-8 finishes in the NCAA Championship, 13 of those since Bruce Heppler became the head coach.

The Yellow Jackets have qualified for match play six times since the advent of the stroke-play/match-play format in 2009, finishing third in stroke play in 2010, second in 2011, second in 2013, fifth in 2014, tied for fifth in 2023 and eighth in 2024.

Tech lost to the eventual champion four times in its six appearances in match play, most recently in the championship match against Florida (3-1) in 2023. Tech fell to Augusta State by the score of 3-2 in the quarterfinals in 2010 and 2011 and to Alabama (3-0-2) in the 2013 semifinals.

Tech has been the runner-up in the NCAA Championship five times (1993, 2000, 2002 and 2005 before the introduction of match play, and again in 2023). Only Oklahoma State, which has 18, and Texas (6) have more.

In 1993 and 2002, the Yellow Jackets led after 54 holes, but finished second by one shot to Florida in 1993, and by four shots to Minnesota in 2002.

In 2000, the Yellow Jackets rallied to tie Oklahoma State after 72 holes, but lost to the Cowboys on the first hole of a playoff. Tech and OSU matched the lowest 72-hole team score in NCAA Championship history (36-under-par 1,116) at the Grand National Lake Course in Opelika, Ala. In 2005, Tech finished 11 shots behind Georgia, and seven shots ahead of third-place Washington.

Four Tech players have won national collegiate championships. Hiroshi Tai captured the title in 2024 in Carlsbad, Calif., and Troy Matteson lifted the trophy in 2002 at Ohio State. Watts Gunn (1927) and Charlie Yates (1934) won national titles under a match play format before the NCAA took sponsorship of the championship in 1939.

Tech and NCAA Match Play

The 2009 NCAA Championship featured a new twist with the team champion determined via match play. The top eight teams after 54 holes of stroke play advance to a match play tournament format.

The NCAA added a fourth round of stroke play in 2016 for the top 15 teams and nine individuals not on those teams, after which the national individual champion and the top eight teams for match play are determined.

Match play is a format that Bruce Heppler has supported vigorously. Under Heppler, Georgia Tech finished in the top eight of the NCAA Finals seven times in 10 tries under the 72-hole, stroke-play format.

Tech is one of six teams (Oklahoma State 9, Illinois 9, Texas 7, Vanderbilt 7, Oklahoma 6 are the others) to have advanced to match play six or more times in the 16-year history of the stroke play/match play format.

Georgia Tech Match Play History

While match play in college golf may be infrequent, Georgia Tech is no stranger to it, having participated in 15 regular season match play events since 2000, as well as six times since the NCAA added match play to determine its champion, and three times in the four years the Atlantic Coast Conference has implemented it as part of its format. Here is a history of Tech's participation.

Tech has a 31-19-1 record in match play since 2000, including a 3-6 mark in NCAA Championship matches and a 3-2 record in the ACC Championship.

Tech in NCAA Regional Competition

Georgia Tech has advanced through an NCAA regional 28 times in 33 tries, and all but four times since the NCAA went to a six-regional qualifying format in 2009. Head coach Bruce Heppler's teams have won seven regional tournaments overall, two of them shared titles, most recently in 2023, when the Yellow Jackets won in Salem, S.C.

The NCAA began using regional qualifying tournaments in 1989, first with the 81 teams split among three sites (27 teams each), then among six sites with either 13 or 14 teams each beginning in 2009. Since the NCAA went to six regional sites in 2009, Tech has advanced to the championship finals 11 times. No NCAA championship events were held in 2020 due to COVID-19.

Tech's first four victories all occurred in 27-team regionals in 1991 (New Haven, Conn.), 1998 (Daufuskie Island, S.C.), 1999 (Providence, R.I.) and 2002 (Roswell, Ga., tied with Clemson). The 2014 win in Raleigh, the 2022 victory in Columbus and the 2023 win in Salem occurred in a 13- or 14-team field.

Tech Golf APR Perfect Again

Bruce Heppler's golf program again earned a perfect four-year APR score of 1000 for the four-year period ending in the 2022-23 academic year in the NCAA's survey announced in May, 2024. The Yellow Jackets have earned a perfect four-year score each of the 20 years since the metric was introduced, and has also received an APR Public Recognition Award every year. Among Power 5 conferences, Tech is one of two men's golf teams and 12 programs overall that have achieved the feat. Tech has scored a perfect 1,000 in the single-year APR for 19 straight years since the metric was introduced.

APR is an annual scorecard of academic achievement calculated for all Division I sports teams. It measures eligibility, graduation and retention each semester or academic term and provides a clear picture of the academic performance for each team in every sport.

Heppler ACC Coach of the Year 10 times

Georgia Tech Bruce Heppler has been named ACC Coach of the Year 10 times in his 25-year tenure on The Flats. That is the most for one coach in conference history.

Tech won the Atlantic Coast Championship in April for the 18th time, matching Wake Forest for the most in conference history. The Yellow Jackets have won six tournaments altogether, more than any other Division I team in 2018-19, bringing to 59 the total number of titles earned by the Jackets under Heppler. He has coached Tech to 13 of its 18 ACC titles.
