TOP STORYLINES

• Georgia Tech baseball (35-14, 15-9 ACC) has its best record in 14 years (since 2011), coming off the sixth series sweep of the season, this time over Western Carolina, and a pair of midweek wins over Georgia Southern and Mercer.

• The Yellow Jackets enter the weekend on a 6-game winning streak, tied for the longest of the season and longest since winning 9 straight last year (March 8-19)

• The Jackets set a program record with their 11th mercy-rule win of the season, taking down WCU 13-0 (7) on Sunday – also the first shutout of the season.

• The Jackets end the regular season with a 20-5 record in non-conference games (.800 win %) – the best non-conference winning % since 2010 (26-6 / .8125%)

• Tech owns one of the most potent offenses in the Power 4, leading the nation's top four conferences in doubles (128) and among the Top 5 in batting average (2nd – .318), runs/game (2nd – 8.9), hits (2nd – 526), on-base percentage (5th - .421) and slugging percentage (5th – .545)

• Georgia Tech is averaging 2.61 doubles per game this season, the most in the Power 4 – the program record for doubles/game is 2.51, set in the 1987 season.

• Tech pitching has struck out 9.7 per-nine-innings this season, the program record for a full season is 10.00 set back in 1998.

• The Jacket arms have only allowed 8.59 hits-per-nine this season – the fewest since 1994 – Head Coach Danny Hall's first season on The Flats.

• The Georgia Tech bullpen boasts a season ERA of 3.93, the lowest in 11 seasons (since 2014).

• Tech is Top 20 across Division I in the following statistical categories: SAC flies (1st – 37), Doubles (1st – 128), batting average (10th – .318), slugging % (11th – .545), hits (12th – 526) and runs/game (15th - 8.9)

• The Yellow Jackets are one of four teams in Division I to be in the top 30 of both ERA (29th – 4.33) and runs/game (15th – 8.9) – also Arkansas, Tennessee and ETSU.

• Tech is the only team in the ACC and one of only 12 in all of Division I, to have three players over 50 RBI this season: Alex Hernandez (55), Drew Burress (51) & Kyle Lodise (50).

• Vahn Lackey leads all Power 4 catchers with 64 hits, tied for 4th-most by any catcher in Division I.

• Burress and Lodise are tied for second among Power 4 players and 18th overall with 19 doubles this season, two shy of getting into the Top 20 for doubles in a season over program history.

• Tech is the only Power 4 program in the nation to have three players with 16 or more doubles: Burress (19), Lodise (19) and Carson Kerce (16).

• The Jackets are the only team in the ACC to have seven players with double-digit doubles Burress (19), Lodise (19), Kerce (16), Caleb Daniel (14), Kent Schmidt (13), Vahn Lackey (11) and Alex Hernandez (10)

• Lodise and Burress lead the ACC with 35 extra base hits each, showing why they are one of the most potent 1-2 combos in the country. Only one other player in the ACC has over 30 HBHs this season, Kyle's cousin, Alex Lodise (34 at FSU).

• Georgia Tech is the only ACC school with four players at more than 20 extra-base hits: Burress (35), Lodise (35), Hernandez (22) and Daniel (21).

• Burress is the only underclassmen in Division I with 40 career home runs.

• Senior Mason Patel leads the Power 4 with nine wins this year, looking to become the first double-digit winner at GT since Mark Pope and Buck Farmer won 11 games in the 2011 season (14 years ago).

• Patel is the only pitcher in Division I to have at least eight wins and four saves this season.

• Defensively, Tech leads the ACC in stolen-base % against, holding opponents to just a 58.1% success rate. Most of that has come from the arm of Vahn Lackey who has caught half of all attempted base stealers since the start of April (8-for-16).

• Head Coach Danny Hall is in sole possession of 9th place on the NCAA all-time wins list, entering the weekend with 1,446 wins.

• Alex Hernandez picked up his second save of the year last time out, becoming the only undergraduate with multiple saves and 10+ home runs this season.

RECRUITING SUCCESS

• Tech has now signed top-5 classes in four of the last six years, top-10 classes in five of the last six years, and six-straight top-20 Perfect Game recruiting classes, leading the Atlantic Coast Conference in all categories.

• The 2024 freshman class was rated No. 2 in the nation and features three players ranked in PG's National top-100: Drew Rogers (No. 23 prospect / No. 3 Catcher), Connor Shouse (No. 83 prospect / No. 22 SS) and Alex Hernandez (No. 96 prospect / No. 8 3B).

• This class also contains one draft pick from the 2024 MLB draft who chose to come to GT instead (Cole Royer – drafted in the 20th round (601st overall) by the New York Yankees).

TOTAL	**161-116**	**.581**

• The Cardiac Jackets wasted no time returning for 2025, winning opening day by one run, 3-2, after scoring the go-ahead run in the bottom of the eighth after an infield grounder from **Nathan Waugh** gave just enough time for **Drew Burress** to come sliding home from third, despite a 5-man infield from ODU.

• In the 2nd game, Tech fell behind, 3-0 before recording an out, only for the bullpen to come in and pitch 9.0 innings of scoreless ball, striking out a season high 16 and only allowing three base hits. The bullpen kept the game, 3-0, until the bottom of the ninth, when Tech exploded for seven runs, the most scored in a ninth inning in a decade of GT baseball.

• That 7-run 9th inning began with a 5-pitch walk by **Nathan Waugh** before **Vahn Lackey** delivered his 2nd hit of the game to put runners at 1st and 2nd. **Alex Hernandez** drew a walk on 4 pitches to load the bases for **Tyler Neises** who connected on an 0-1 pitch, driving it into left for a single and cutting the deficit to one run, 3-2. **Will Baker** reached on an error when his sacrifice bunt was mishandled by the ODU pitcher, loading the bases for **Kyle Lodise** who took his second walk of the day to score Hernandez and tie the game. The very next batter was **Drew Burress** and he made no mistake, smashing a 1-0 pitch over the wall in right for the walk-off opposite field walk-off grand slam.

• The Jackets began ACC play with a pair of ninth-inning rallys to take two of three at Virginia Tech. On Friday, GT had been trailing, 2-3, since the fifth inning but **Carson Kerce** and **Kyle Lodise** led off the inning with walks before being brought home off singles from **Kent Schmidt** and **Alex Hernandez**, before **Patel** slammed the door in the bottom of the inning to earn the 4-3 win.

• In the series finale, Tech entered the 9th tied, 6-6 and had not scored since the 3rd. **John Giesler** led off the inning with a four-pitch walk, followed by a 5-pitch walk from **Parker Brosius.** It was freshman **Caleb Daniel** who came through in the clutch, launching a ground-rule double to put GT ahead, 7-6. **Carson Kerce** would drive home **Brosius** on a SAC fly to add the insurance run before the combination of **Brett Barfield** and **Cooper McMullen** shut down the VT bats for the victory and the 1st career save for **McMullen**.

• In the final game of April, the Jackets were on a season-long seven game losing skid, headed into the bottom of the ninth, down 4-6, facing the first 8-game losing streak since 1986. **Drew Burress** saved the day, launching a two-run game-tying home run after **Kyle Lodise** drew a walk to get on base. Once the game entered the 10th inning, **Mason Patel** put a zero on the board, allowing for **Kent Schmidt**, playing in his first series since missing 20 games with an injury, to launch a walk-off solo home run with two outs, to give Tech a 7-6 victory.

• Tech claimed its 5th one-run victory last time out, at Mercer, thanks to **Connor Chicoli**'s best start of his young career. The freshman allowed only two runs over 7.2 innings, the longest of any starter this season, allowing Tech to enter the 9th inning with a 4-2 lead. Fellow freshman **Alex Hernandez** slammed the door, thanks to a pair of excellent defensive plays at SS from **Kyle Lodise** to secure GT's 6th win in a row.

DANNY HALL - A LIVING LEGEND

• ABCA Hall of Famer **Danny Hall** joined the Top-10 winningest Division I coaches in history on March 15, when Tech defeated Pitt, 11-1 (7) - his 1,427th win.

Spinning From The Start

• The Georgia Tech pitching staff got off to a historically strong start in 2025 - holding its opponents to fewer than five runs in each of its first six games for the first time since 2002.

• The pitching staff allowed nine runs over the course of the series, a 10-run improvement after averaging 19 runs allowed over the previous three opening series sweeps (14 RA in 2024, 24 RA in 2023 and 19 RA in 2022).

• The Jacket pitchers struck out 40 in the opening weekend against Old Dominion — tied with 2022 for the most strikeouts through the first three games this century.

• In March, the Jackets allowed only three hits in back-to-back games against Georgia State (March 11) and Pitt (March 14) - the first time Tech has allowed 3 or fewer hits in back-to-back games since a doubleheader against Duke in 2012 (March 31st – 3 hits in game one / 2 hits in game two) — those games featured a complete game shutout from Buck Farmer and 4.1 innings from Luke Bard — both future major leaguers.

No PATEL-ing How Long This Will Last

• Senior RHP Mason Patel is simply put, the most effective pitcher in the ACC so far in 2025.

• He became the first Yellow Jacket pitcher this century to win each of his first six starts.

• He was awarded ACC Co-Pitcher of the week on Feb. 24 after dominating both Marshall and Georgia Southern to the tune of 8.1 innings with a 0.00 ERA, 11 strikeouts and a 2-0 record while only allowing four base runners.

• Patel becomes the first GT pitcher to earn pitcher of the week since Andy Archer (March 29, 2021).

• Patel's award-winning week got started on Wednesday, when he came out of the bullpen to start the third inning in Tech's road opener at Georgia Southern. Patel was perfect through 5.1 innings, retiring the first 16 batters he faced in order to quiet the Georgia Southern bats and allow for Tech to take the game, 5-3. He struck out a career-best nine batters in that appearance, which also goes down as his longest outing in White & Gold — Patel's longest since pitching 6.0 innings in a start against Brown for Georgia State back in 2023, all in only 50 pitches.

• He followed that with another gem of an outing on Sunday against Marshall, entering the game with runners on second and third and nobody out in the fifth inning, working around a hit-by-pitch to keep the Thundering Herd off the board with yet another scoreless inning. He would pitch two more scoreless to earn the victory, leaving after the 7th inning with the Jackets in front, 10-3.

• Patel's efforts bolstered a resurgent GT bullpen in 2025. The Tech bullpen struck out 54 batter while holding opponents to a .180 average — the best numbers by a Tech bullpen through seven games since at least the turn of the century.

• In his third appearance of the season, Patel entered in the sixth inning - retiring the first batter he saw to get Tech into the 7th inning and earning the win and improving to 3-0 – becoming the first Yellow Jacket pitcher to be 3-0 after only nine games since Xzavion Curry in 2018.

• Patel was first out of the bullpen vs. KSU, working a pair of flyouts to get Tech out of the second inning before striking out two around a couple of hits in the third and adding another K in the fourth around a two-out walk for 2.2 scoreless innings

• He would get credit for the win, improving to 4-0 on the season and becoming the first Yellow Jacket to earn the win in each of his first four appearances since Mark Pope in 2011.

• **Patel** came out of the bullpen in the 5th inning of the series opener at VT and continued his unconscious season, pitching 4.2 innings without allowing a hit.

• Patel allowed only three base runners (one walk, one HBP, one ROE) and retiring 7 straight during the middle innings.

• He would get credit for the win, becoming the first Yellow Jacket to earn a win in each of his first five appearances since Kyle Bakker in 2002.

• **Patel** slammed the door yet again in Tech's last game (vs.

GSU) pitching the final 3.0 innings and allowing only one base runner to secure his sixth victory in as many appearances, still without allowing a run.

• He came in to pitch the final three innings of the Saturday win against Pitt, earning his first save of the season. He gave up his first run of the year in the seventh inning, bringing his scoreless streak to an end at 22.2 innings to begin the year – the best by any Tech pitcher this century.

• Patel came out on Saturday at Virginia Tech, pitching a career-best 6.2 innings - the longest outing of any Yellow Jacket at that point – while striking out seven and throwing only 73 pitches.

• He entered the game at Notre Dame (March 22) in the third inning, coming in with the bases loaded, one out and a two-run lead (5-3). He proceeded to get a three-pitch strikeout before inducing an inning ending groundout to escape the jam and set the tone for what would be yet another dominant outing.

• He gave up one earned run on a solo homer, just his second earned run allowed over 29.2 innings of work.

• He is the only GT pitcher in the 21st century to earn a part of the decision in a each of his first eight appearances (seven wins, one save).

• Patel took the reins for the final four innings on Friday vs. Clemson, allowing a pair of home runs for a total of three earned runs allowed while striking out four.

• He got saddled with the tough-luck loss, dropping his season record to 7-1 with a save over nine appearances.

• **Patel** showed why he was a consensus midseason 1st Team All-American, pitching the final 4.1 innings on Friday with five strikeouts and only one run allowed, off a SAC fly following a leadoff triple in which the Tech fielder missed a diving catch to allow for extra bases.

• **Patel** earned the win, his NCAA leading eighth win of the season, improving to 8-1 with a save.

• He would collect a pair of saves over two appearances in GT's sweep over Cal (April 11 & 13).

• In his first appearance, on Friday, he pitched the final 3.1 innings to collect his second save of the season while recording his 40th K of the season, his first 40 K season in college.

• He followed that with a pitching clinic on Sunday, needing only 13 pitches to collect the final six outs of the game and his second save of the weekend.

• Against UVA, he bounced back after a three-run outing on Friday, pitching 3.0 socreless innings in the 8th, 9th and 10th against Virginia, earning his Power 4 leading 9th win of the season.

• It was his fifth outing of at least three innings in which he hasn't allowed more than one base hit this season as he proves why he was one of only nine relievers in the nation listed on both the National Pitcher of the Year and Stopper of the Year midseason watch lists.

• Last weekend, after graduating from Georgia Tech on Friday morning, Patel pitched the final three innings, allowing only one run and striking out four to collect his team-leading fourth save of the season against Western Carolina.

• He emerged for the ninth inning last night against Georgia Southern, collecting the final three outs for his 5th save of the year.

• Patel is the only pitcher in Division I with at least 8 wins and at least 4 saves and has set career highs this season in innings pitched (53.1), strikeouts (51), wins (9) and saves (5).

LAST WEEK...

Wed. Highlights - The Arms - GT 4 - Mercer 3

• Freshman Connor Chicoli, simply put, made the best start by any Yellow Jacket this season. He pitched 7.2 innings, the longest of any Tech pitcher this season, struck out a career-high four batters and earned his first-career quality start & win.

• Chicoli was remarkably efficient, facing the minimum through three innings, thanks to pair of double play balls turned by the Tech defense. By the end of his outing, he had thrown just 92 pitches to get his 23 outs, doing all of this without allowing a free base in any form.

• It was his first win of the year in his fourth start, and first start since March 11, improving his record to 1-0 while lowering his ERA to 4.05 for the season.

• R-freshman Jackson Blakely got the Jackets out of the eighth with the lead in hand, he would get the first out of the ninth before exiting after allowing a solo homer, pitching 0.2 innings when all was said and done.

• Freshman Alex Hernandez became the first underclassmen pitcher in Division I to record a second save while also hitting for double-digit home runs. He would record the final two outs of the game.

• It was his second save of the season and his second appearance in the last three games.

• He played the first 8.1 innings in right field, where he recorded one putout while going 1-for-4 at the dish, extending his hitting streak to six games in the process.

Tues. Highlights - The Arms - GT 8 - GaSo 5

• Carson Ballard made his 1st start of the season and 7th as a Jacket. He pitched 2.0 innings and struck out three while allowing a pair of solo home runs.

• Kayden Campbell enjoyed his best outing of the season, pitching a career-long 3.0 scoreless innings while striking out three. It was only his fourth outing of more than one inning all season.

• His effort was enough to get the W, improving his record to 2-0 and lowering his ERA back under 3.00 (2.45).

• Campbell's 2.45 ERA is second best on the team among those with more than two appearances, behind only Jaylen Paden (2.25).

• Mason Patel came in to close out the game in the ninth, facing four batters to collect three outs and earn his 5th save of the season.

• He struck out 2 batters, bringing his season tally to 51, the 1st time he has ever recorded 50 Ks in a season & the 1st Tech pitcher to reach 50 Ks without starting a game since Zach Maxwell in 2021 — currently playing for the Cincinnati Reds' AAA affiliate, the Louisville Bats.

• Patel has played a part in the end result in 15 of his 17 appearances this year, with a 9-1 record with 5 saves.

Friday Highlights - The Arms - GT 13 - WCU 5

• Tate McKee made his 12th straight Friday night start, working around some trouble but still pitching 5.0 innings and securing four strikeouts.

• He set a new career high for strikeouts in a season, now with a team-high 65.

• McKee got back into the win column, bringing his record to 6-2, the best among Tech starters this season. Those six wins are tied for the most by a Tech starter since 2019 when Amos Willingham (eight) and Connor Thomas (nine) both won more – both pitchers have since made their MLB debuts.

• Caden Spivey was back in his bag, coming out of the bullpen with 2.0 scoreless innings while allowing only one hit and striking out two.

• He has held opponents off the board in 6 of his 7 relief appearances this year with a 1.26 ERA out of the pen.

• Jackson Blakely allowed his first collegiate run in the eighth inning while also recording his first-collegiate strikeout. He has pitched 3.0 innings since recovering from Tommy John surgery that forced him to miss all of the 2024 season and the first part of 2025.

• Connor Shouse made his second appearance on the bump this season, collecting the final three outs after starting the first eight innings in right field. He would record a pair of strikeouts, giving him four over 3.0 innings of work.

Saturday Highlights - The Arms - GT 4 - WCU 2

• Junior Brady Jones made his 12th straight Saturday start, pitching 6.0 innings with a career-high nine strikeouts, allowing only four hits and one earned run.

• Jones becomes the second GT pitcher to reach 60 strikeouts, joining Tate McKee (65).

• He lowers his ERA to 4.33 this season and takes over

the team lead with three quality starts, all coming in his last four games.

• The effort sent him back to the W column, with a 5-2 record.

• Senior Mason Patel pitched the final three innings, allowing only one run and striking out four to collect his team-leading fourth save of the season.

• He graduated from Georgia Tech with a degree in Applied Languages (Spanish) earlier in the weekend.

Sunday Highlights - The Arms - GT 13 - WCU 0 (7)

• This was the first shutout of the season for Tech and its first since Georgia State last season (Feb. 27). The Jackets allowed only two hits, the fewest since a one-hit showing against Miami last year (April 28).

• The Georgia Tech bullpen pitched two scoreless innings, bringing their season ERA to 3.96, the lowest in 11 seasons (since 2014).

• The Georgia Tech starting pitcher was credited with a win in all three games this weekend, marking the first time that's happened over a three-game series since 2020 vs. Ohio State.

• The pitching staff struck out 9 batters today, marking the 35th time this season that the pitchers have struck out at least one-per-inning pitched (74.5 percent).

• Jaylen Paden made his third start of the season and second consecutive Sunday start, dominating the WCU bats to the tune of 5.0 IP, two hits, one walk, one hit batter and a season high eight strikeouts on 71 pitches.

• He has thrown over 5.0 innings in each of his Sunday starts this season, joining Caden Spivey as the only Tech pitchers to string together consecutive Sunday outings of at least 5.0 innings.

• He allowed only four base runners all game, the fewest in an outing of at least five innings since going 6.0 innings with four base runners against William & Mary on March 12, 2022 as a member of Georgia Southern, prior to transferring to GT.

• Paden brings his strikeout total to 42 on the year, joining Tate McKee (65), Brady Jones (60) and Mason Patel (49) in the 40 K club for this season.

• He lowers his ERA to 2.25 this season, the lowest on the team among pitchers with at least 5.0 innings pitched.

• The effort sent him back to the win column, giving him a 5-1 record over 11 appearances and three starts.

• Porter Buursema pitched 1.1 innings out of the bullpen, recording one strikeout and making his first-career putout on a 99-mph comebacker that he snagged in the 6th inning.

• He has allowed only 1 earned run over 3.0 innings since returning from an injury that put him on the shelf for March.

• Hernandez returned to the mound for the first time since starting a midweek against Gardner-Webb (March 18). He recorded the final two outs of the game to bring his season total to 6.2 innings. The freshman is the only underclassmen in the nation to record a save and 10 or more HRs across Division I this season, landing him on the John Olerud Two-Way Player of the Year Award Midseason Watch List.

Jim Poole Number - John Giesler

Georgia Tech baseball continues the legacy of former Yellow Jacket standout and Major League Baseball relief pitcher Jim Poole, who passed away from ALS in October of 2023, by designating a student-athlete each year to wear his No. 21 jersey. The student-athlete selected must exemplify Poole's characteristics both on and off the field.

This year, senior infielder John Giesler becomes the third Yellow Jacket to earn the honor, continuing the tradition begun by Jack Rubenstein in 2023 and Ben King last season.

"I am excited that John Giesler will wear number 21 this year," Head Coach Danny Hall said. "Jim Poole was part of an era in Georgia Tech Baseball that established us as a national power. Jim's prowess on the mound and in the classroom set the bar high for future Yellow Jacket players and teams. John exemplifies those same character traits of excellence on the field and in the classroom. As a two-time Captain he is the ultimate "Tech Man" to honor Jim's legacy."

Giesler, a sixth-year senior from Marietta, Ga. (Walton HS) will wear No. 21, having shown a longstanding commitment to Poole's ideals – self-determination, a strong academic work ethic, and high moral fiber on and off the field. Giesler is a five-time member of the ACC Academic Honor Roll, a two-time academic all-district honoree and earned Academic All-America (3rd Team) in 2023. He is currently pursuing a master's degree in real estate development.

On the diamond, Giesler is entering his second season as team captain. He is a career .308 hitter for the Yellow Jackets and set career highs in doubles (17), home runs (10) and RBI (43) last season while delivering a .990 fielding percentage in 41 games in the corner infield. He will be a key piece of the Jackets' offense again in 2025 as Tech strives for its 36th NCAA Regional berth and fifth in Giesler's career in White and Gold.

"Simply put, this is the greatest honor I have ever been given," Giesler said. "From knowing Jim and knowing who he was as a person, I don't feel deserving but I am incredibly honored. I will do everything I can this year to wear this number with respect and honor him and his family the best I can."

ABOUT JIM POOLE

Poole arrived on The Flats in 1985 and had an immediate impact, as Georgia Tech baseball would win the first of four-straight ACC Tournament Championships. During his four years, he pitched in 120 games and struck out 263 batters in 188 innings. He still ranks first in the Tech record book with 22 career saves, including 10 as a junior and nine as a senior. He was named all-ACC his last two seasons. Poole would be enshrined into the Georgia Tech Sports Hall of Fame just nine years later in 1997.

A stellar worker in the classroom, Poole elected not to turn professional after being selected in the 34th round of the 1987 MLB Draft by the LA Dodgers, and returned to Georgia Tech for his senior year, recording a 2.03 ERA and 113 strikeouts in only 71 innings. Once again, the LA Dodgers would call his name in the 1988 MLB Draft, this time taking him in the ninth round. He would return to

graduate from the Institute with a degree in electrical engineering in 1990.

Poole played 11 years in the major leagues, predominantly with the Baltimore Orioles, Cleveland Indians, and San Francisco Giants. In 431 games played, he finished with 22 victories and a 4.31 ERA, as well as 256 strikeouts and four saves. He helped pitch Cleveland to two American League Championship Series (1995, 1998), making it to the 1995 World Series where he would face the Atlanta Braves.

Following his retirement at the end of the 2000 season, Poole returned to Georgia Tech to join the Alexander-Tharpe Fund as a fundraiser and supporter of the baseball program. He then began serving as the pitching coach at Johns Creek High School in 2010, teaching many young men about pitching mechanics, while also conveying his personal pitching philosophy.

He later joined the business world as a Personal Wealth Advisor for the Baseball Division of BIP Wealth.

After being diagnosed with ALS in 2021, Poole worked tirelessly to raise awareness for the disease. In addition to serving on MLB ALS boards, he also worked with Georgia Tech, who together hosted an ALS Awareness Day during the 2022 baseball season, with Tech wearing Jim Poole shirts and both teams wearing honorary wristbands. Professional players also wore the shirt. Tech later designated the number 21 each year to be worn by a student-athlete who exemplify Poole's ideals – self-determination, a strong academic work ethic, and high moral fiber on and off the field.

Every 90 minutes, someone is diagnosed with ALS, or Lou Gehrig's disease, with an estimated 30,000 people living with ALS in the United States at any given time. Primarily affecting people between the ages of 40 and 70, ALS is a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord. There is no known cure.

2025 ACC TOURNAMENT

Beginning this spring with the 2025 ACC Baseball Championship in Durham, North Carolina, all 16 teams in the ACC will compete in a single-elimination championship. The championship will remain six days as it has in previous years, running from Tuesday, May 20, through Sunday, May 25, 2025, from Durham Bulls Athletic Park.

"There's once again tremendous excitement surrounding ACC Baseball and today's announcement will bring an improved championship experience for our student-athletes, coaches, and fans alike," stated ACC Commissioner Jim Phillips Ph.D. "Nationally, the ACC is once again well-represented in the preseason polls and award lists. After what we know will be a highly competitive regular season, we look forward to showcasing all 16 baseball teams in Durham this May."

Since 2006, the ACC Baseball Championship has been played in a pool play or round-robin style format. The tournament last expanded its field size in 2017, moving from 10 to 12 teams.

Under the new format, the top four seeds in the championship will be based off the performance in the regular season and will receive a double-bye into the quarterfinal round, which is scheduled to be held on Thursday and Friday. Seeds five through eight will earn a bye into Wednesday's second round. Seeds 9-16 will begin play with four first round games on Tuesday.

LET'S BRAG ABOUT BURRESS

"Burress is as big a star as you'll find in college baseball, the reigning D1Baseball Freshman of the Year and a 2024 first-team All-American after hitting .381/.512/.821 with 25 homers. He's a no-brainer first-team preseason All-American as a sophomore, and our preseason pick for ACC Player of the Year.
– D1Baseball

• In 2024, Drew Burress established himself as one of the best hitters in college baseball and one of the most exciting prospects to watch leading up to the 2026 draft. If he can continue his historic run through the ranks of NCAA Baseball, every MLB front office will be begging for Burress to become the next face of the franchise.

• Burress hit 25 home runs last season, one shy of the Georgia Tech program record (set by Kevin Parada in 2022) and two shy of the NCAA freshman home run record set by Tommy White (NC State) in 2022 as well.

"If he continues to crush the ball at anything mirroring his current rate, he could follow in [Dylan] Crews' footsteps and reach his high ceiling when he's eligible for the 2026 Draft."
– Jesus Cano, MLB.com

• Burress can claim to have an unofficial piece of the GT home run record since he hit a home run against Georgia that would ultimately not be recorded officially after the game was ended due to rain.

• Last year, Burress became the 1st Yellow Jacket to ever slug over .800 with at least 200 at bats. His .821 slugging percentage led all Division I freshman and 6th overall among those with 200+ ABs.

• Not only did Burress turn heads with his bat but he also set the Georgia Tech record for the most assists by an outfielder in a single season, gunning down 10 runners from his spot in center field.

"He has thunderous bat speed and does a nice job creating leverage in his swing, and shows off plus power, especially to the pull side."
– Peter Flaherty, Baseball America

• This season, Burress has placed an emphasis on showing off his base running. After stealing 8 bags on 10 attempts last year, Burress feels that his speed isn't getting enough attention & looks to amend that in 2025.

• He became the fastest Yellow Jacket in program history to reach 30 career home runs – doing so in just 73 games, a full 20 games faster than the previous record holder, Kevin Parada and faster than legendary Tech sluggers such as Jason Varitek, Mark Teixeira and Nomar Garciaparra

"From Day 1, you never thought he was a freshman. He's a very mature kid. He doesn't mix any words about it. He wants to be a first-round pick. He wants to be the best player in the country. That's what drives him. That's his passion. He is one of those guys that makes everybody around him better. Every day."
– Danny Hall, ABCA Hall of Famer

Against Western Carolina, all three starters recorded wins, marking the first time that's happened over a three-game series since 2020 vs. Ohio State.
