30 BUTCH THOMPSON HEAD COACH

THE AUBURN SKIPPER

- Nine College World Series appearances / 20 postseason appearances
- 2025 ABCA Southeast Region Coach of the Year (Auburn)
- 2014 Baseball America/ABCA National Assistant Coach of the Year
- 2013 National Runner-up (Mississippi State)
- 2006 FCA Coach of the Year
- 2001 National Champion (Birmingham-Southern)
- Coached 25 pitchers who went on to pitch in the Major Leagues
- Recruited and coached 47 pitchers who were drafted out of college that weren't drafted out of high school

Butch Thompson enters his 11th season at the helm of the program in 2025, posting a record of 324-233-1 in his first 10 seasons. He has led the program to two College World Series appearances and four regional championships.

Butch Thompson was named Auburn's head baseball coach on October 22, 2015 and enters his 11th season at the helm of the program in 2026.

Recently hitting his 10-year mark with the program, Thompson is not only the third longest-tenured coach in program history, but also the third winningest with 324 wins.

After guiding the Tigers to a record-setting season in 2025 that saw multiple single-game and series attendance records as well as the fourth straight single-season attendance record and culminated with the first home Super Regional in program history, Thompson signed a contract extension that will keep him with the program through at least 2031.

A native of Amory, Miss., Thompson has coached 34 Division I All-Americans and 54 all-conference performers. He has seen 25 of his former pitchers called up to Major League Baseball, including 19 since 2014. Thompson has also turned 47 pitchers who went undrafted out of high school into MLB draft picks.

Along with his pitching pedigree, Thompson is also considered one of the top recruiters in the country. Since 2003, he has secured 18 recruiting classes that were ranked in the top 10 by either Baseball America or Perfect Game, including three straight top-10 classes from 2024-26 and four classes ranked in the top five on National Signing Day.

In 33 years of coaching at the collegiate level, including 24 in the Southeastern Conference, Thompson has coached nine College World Series participants, including leading the Tigers to the program's first trip to the College World Series in 22 years in 2019 and taking the team back for the second time in three postseasons in 2022. Thompson has also coached one national champion and a national runner-up, won nine conference championships and made 20 postseason appearances.

Following the previously mentioned 2025 season, Thompson was named the American Baseball Coaches Association Southeast Region Coach of the Year, joining Hal Baird (1994) as the only other coach in program history to earn the distinction. He has also been named the 2006 Fellowship of Christian Athletes SEC Coach of the Year while at Auburn and the 2014 Baseball America and ABCA National Assistant Coach of the Year while at Mississippi State.

Highlighting Thompson's 10 seasons at Auburn, he has led the Tigers to six NCAA Tournament appearances in the last eight postseasons, including the pair of College World Series appearances, and has taken the program to four of the five Super Regionals in program history (2018, 2019, 2022, 2025). His four regional championships are the most by a head coach in program history. Along with all of the postseason success, Thompson's teams have finished seven of the last nine seasons ranked in the top 25, including top-10 marks on four occasions.

After going 12-3 in league play at Plainsman Park in 2025 and finishing the regular season as one of four SEC teams to win seven or more conference series, the Tigers matched a program record by earning the No. 4 national seed for the NCAA Tournament, marking the third time in the last four seasons the program had been selected as a regional host. Auburn is one of seven programs in the country, including three from the SEC, to host at least three times in the last four years.

Including the team's 17-13 SEC record a year ago, which matched the 2023 team for the most SEC wins since 2010 (20), Thompson has guided Auburn to 15 or more league wins in five of the last eight seasons, including three of the last four.

Along with all of the on-field success, Thompson also played a pivotal role in the

planning, approval and completion of the newly-renovated Plainsman Park, a \$30 million project that was completed prior to the 2025 season. In its first season in the renovated and expanded ballpark that now features three premium club options and a standing room area on top of the War Eagle Wall in left field, Auburn welcomed more than 200,000 fans through the gates, ranking top 10 in the country both total attendance (201,703) and average attendance (5,603).

Thompson, who spent three seasons as an assistant coach and recruiting coordinator at Auburn from 2006-08, returned to the Plains after seven seasons at Mississippi State as both associate head coach and pitching coach. In seven seasons at MSU, Thompson made four regionals, two super regionals, won the SEC Tournament and advanced to the College World Series, finishing as NCAA runner-up in 2013. In addition to his experience at Auburn and Mississippi State, Thompson also spent five seasons at Georgia from 2002-05, including a trip to the College World Series in 2004.

Thompson launched his coaching career as pitching coach and top assistant at Huntingdon College (Ala.) in 1993, before returning to his alma mater in Birmingham, where he helped lead the Panthers to back-to-back Southern States Conference championships and in 1995 coached BSC to its first NAIA World Series berth.

Thompson left BSC briefly to serve as head coach at Jefferson State Community College in Birmingham in 1997, where he was honored as the Regional Tournament Coach of the Year, the ABCA Alabama Junior College Coach of the Year and the Southeast Region Coach of the Year after guiding JSCC to a 39-21 mark, the AJCAA Region 22 State Championship and a third-place finish in the NJCAA Division II World Series.

He returned to Birmingham-Southern as top assistant the following season, beginning a four-year run during the most successful span in BSC baseball history, making three straight appearances in the NAIA World Series while winning the NAIA National Championship in 2001.

Thompson prepped at Amory (Miss.) High School and later starred as a pitcher at Itawamba (Miss.) Community College from 1989-90. On Oct. 25, 2014, Thompson was inducted into the ICC Athletic Hall of Fame. He was later inducted into the Mississippi Association of Community Colleges Conference (MACCC) Hall of Fame as a member of the class of 2021.

Thompson earned a bachelor's degree in history at BSC in 1992 and completed a master's degree in sports administration at UAB in 1996. He is married to the former Robin Ashe of Birmingham, Ala., and they are the parents of three daughters - Anna, Olivia and Madelyn Gail - and grandparents of Mary Gail and Hayes Grady Moreman.

SAMFORD STADIUM-HITCHCOCK FIELD AT PLAINMAN PARK

Auburn baseball's home for the past 76 seasons, an expanded and renovated Samford Stadium-Hitchcock Field at Plainsman Park shattered the single-season attendance record (201,703) in its debut season in 2025 and is back for an encore in 2026.

After undergoing a \$30+ million project, the ballpark now features premium club areas including the Broadway Club at Plainsman Park located at the top of the stadium behind home plate and the 984 Club located down the first base line to go along with the pre-existing Hall of Fame Club located at field level behind home plate, which opened prior to the 2024 season.

Along with the premium club areas, Plainsman Park now features multiple expanded general admission areas. The YETI Yard now includes three tiers of paved terrace space with the bottom tier featuring nine boxes equipped with soft seating and drink rail viewing areas, Traeger pellet grills, refrigerators and more. Additional general admission areas include the two-tiered standing room space atop the War Eagle Wall in left field and the expanded Plainsman Patio at concourse level down the first base line.

The new and improved ballpark, which continues to feature the timeless elements inspired by Camden Yards, Wrigley Field and Fenway Park that were included in the initial renovation spearheaded by former head coach Hal Baird nearly 30 years ago, has a capacity of 7,189. The design continues to combine the look of old-time ballparks with academic buildings on the Auburn campus to create a facade of brick and painted steel.

Kickstarted by the completion of the Josh Donaldson Hitting Facility prior to the 2021 season, Auburn baseball's player development areas also continue to take a step forward. Along with the hitting facility, the program has a new state-of-the-art locker room, bullpen and pitching lab, weight room and nutrition center, and coaches offices and team meeting space located on the second floor of the old Plainsman Park Rehab Center adjacent to the ballpark.

Plainsman Park, which has hosted seven NCAA Regionals (1978, 1999, 2003, 2010, 2022, 2023, 2025), including three in the last four seasons, and also had the privilege of hosting President George W. Bush on Oct. 24, 2002, has twice been named one of the best facilities in college baseball. Baseball America initially voted it the best facility in the country prior to the 2003 season, and D1 Baseball named it one of the top venues in the nation in 2016.
