TOP STORYLINES

- No. 3 Georgia Tech takes on No. 4/5 Auburn in the Yellow Jackets' fourth-straight Top 10 contest of the season.
- The Jackets are in the middle of a three-city, seven-game road trip that began with a series win at No. 8 Clemson and continues at No. 4/5 Auburn before wrapping up this weekend at Pittsburgh.
- The Jackets are the highest ranked team in the ACC across the five major national top-25 polls, coming in at No. 3
- This is the first week that Georgia Tech has been ranked in the Top 3 of all the major college baseball polls since 2010.
- The Yellow Jackets enter this week as the best offense in the country and the best offense in modern college baseball history. In the 16 seasons of the BBCOR era, the 2026 Yellow Jackets have produced the best batting average (.393) ever recorded through the first five weeks of the season. They also hold the highest marks in hits (280), on-base percentage (.511) and runs scored (254) of any Power 4 team after five weeks in the BBCOR era.
- Tech leads Division I in six standard statistical categories: batting average (.393), OPS (1.194), on-base percentage (.511), hits (280), runs (254) and walks (148). The Jackets lead the ACC and are top 5 in the nation in doubles (2nd - 58), slugging (2nd - .683) and home runs (3rd - 46).
- The Jackets also lead Division I in five advanced stats: BABIP (.439), WOBAs (.527) WRC (245) WRAA (103) and WRC+ (173)
- There are 219 Division I teams that do not have a single player with a batting average higher than Georgia Tech's team batting average (.393). Auburn has two players above .393 entering today.
- GT has scored 254 runs through its first 20 games, the most runs scored up to this point in GT's 131-year history. Tech eclipsed 200 runs scored for the season in just 15 games, breaking the previous program record by two games (set back in 1987).
- Tech has outscored its opponents 254-83. That +171 margin is the highest through 20 games in program history and the 8.5 average margin of victory is the highest in Division I.
- The Jackets have already matched their record for 20-run games in a single season in the BBCOR era, with three - tying the record set in 2023 when the team did so over 57 games.
- Tech stands at 17-3, best start to a season since 2013 and tied

for the best start since 2010.

- **James Ramsey** holds the best record by any first-year head coach in GT Baseball history through this point of the season.
- On the mound, the Jackets enter Tuesday with a 3.84 team ERA, the lowest team ERA through 20 games in a decade (since 2016).
- GT is 2nd in the ACC and 24th in the nation in FIP (fielding independent pitching - 4.56).
- **Carson Kerce** leads the NCAA with 13 doubles this season. **Will Baker** is right behind with 12. GT is the only program in the nation with multiple players delivering more than 10 doubles this year.
- Last Tuesday, vs. West Georgia on March 10, junior **Vahn Lackey** made GT history by becoming the first player in recorded history to play eight different defensive positions in a single game, every position but pitcher. He went 3-for-4 at the plate, finishing a single shy of the cycle and leads the team in batting average (.479), OBP (.602), slugging percentage (.972), OPS (1.574), RBI (31), hits (31), home runs (9), walks (20) and stolen bases (7-for-7).
- He has been named ACC Player of the Week, Buster Posey Award Catcher of the Week and Perfect Game National Player of the Week.
- **Drew Burress** has hit a BBCOR era program record 49 home runs over his GT career, the 5th-most in Georgia Tech program history. He is now three home runs away from tying Andy Bruce (1988-91) for the fourth-most HRs by a Yellow Jacket and eight homers shy of the record (57) set by Jason Varitek (1991-94).
- Georgia Tech is now outscoring opponents 55-18 in games played away from home this season.
- GT has scored at least 10 runs in 14 of 20 games this season.
- Dimitri Angelakos is making his third consecutive midweek start and his first against a Power 4 opponent. Angelakos has pitched 8.1 innings scoreless innings with 4 hits allowed, 7 strikeouts and 0 walks in his two career starts.
- The Jackets will renew their rivalry with Auburn for the 249th time, tied for the second most common opponent in program history. Auburn leads the all-time series 130-113-5 and have won the last four meetings dating back to 2023.
- This is the first time the two teams have met as Top 5 ranked programs in the series' 249 game history.

GEORGIA TECH®

RECRUITING SUCCESS

• Tech has now signed top-5 classes in four of the last seven years, top-10 classes in five of the last seven years, and six-straight top-20 Perfect Game recruiting classes, leading the Atlantic Coast Conference in all categories.

• The 2025 class was ranked No. 28 overall, due to only having nine commits. Although the average player grade came in at 6.44 - the 15th best in the nation.

• The class featured three signees that signed MLB contracts, notably Ryan Mitchell (2nd round pick by the Cardinals) and Ryan Hall (5th round pick by the Tigers)

• It also features **Cooper Underwood**, the No. 1 LHP from the state of Georgia and the 2025 Prep Baseball Georgia Player of the Year out of Allatoona HS. He turned down a 7 figure signing bonus from the Brewers after they selected him in the 12th round of the 2025 MLB Draft.

• Underwood was named the third starter for the opening weekend series, becoming the first true freshman pitcher to start on opening weekend for the Yellow Jackets since Adam Finateri in 2022.

RAMMER TIME - A NEW ERA OF TECH BASEBALL

• 2026 is the first season for new Head Coach **James Ramsey** who had been serving as an assistant coach for the past seven seasons.

• Since Ramsey took over coaching the offense in 2019, Georgia Tech leads the ACC in batting average (.311), OPS (.929), OBP (.413), slugging (.516), hits (4,241), doubles (854) and SAC Flies (219), they are second in runs (3,191), triples (89) and RBI (2,948) and third in HR (593).

• Ramsey takes over for the legendary head coach, and Hall of Famer, **Danny Hall**, who retired after his 32nd season in 2025 with the ninth-most wins in college baseball history - 1,452

• This is the first time Tech has had a new head coach since Hall took over in 1994, leading the Yellow Jackets to the College World Series final on the backs of three 1st round draft picks: Nomar Garciaparra, Jason Varitek and Jay Payton.

• This season, Ramsey takes over a team with similar expectations and possibly more 1st round picks. Drew Burress is considered the top outfielder in the upcoming draft along with Vahn Lackey, the top catcher in the class. Jarren Advincula and Alex Hernandez are both projected as Top 50 prospects with the opportunity to play themselves into the 1st round with a strong 2026.

Returning the Culture

• Georgia Tech baseball returns eight of the nine players from the starting lineup of the opening game of the Oxford Regional last season: CF Drew Burress, 1B Kent Schmidt, RF Alex Hernandez, C Vahn Lackey, LF Caleb Daniel, 3B Carson Kerce, 2B Will Baker and DH Drew Rogers.

• The Jackets return 11 hitters from last years team, returning 519 hits (82%), 119 doubles (80%), nine triples (75%) 72 home runs (77%) and 375 RBI (80%).

• They return the 2025 team-leaders in batting average (Kent Schmidt - .397), slugging pct. (Drew Burress - .693), on-base pct. (Drew Burress - .469), runs scored (Drew Burress - 77), hits (Vahn Lackey and Alex Hernandez - 77), RBI (Alex Hernandez - 69), doubles (Drew Burress - 23) and home runs (Drew Burress - 19)

• Alex Hernandez was named 2025 ACC Freshman of the Year, giving Tech back-to-back ACC Freshman of the Year after Drew Burress took home the award in 2024. Georgia Tech was already the only program in conference history to win the award in back-to-back seasons after doing so in 1991 (Jason Varitek) and 1992 (Nomar Garciaparra) - now having done so twice.

• Hernandez became the 7th Yellow Jacket to win Freshman of the Year, joining GT legends Drew Burress (2024), Matt Wieters (2005), Micah Owings (2003), Mark Teixeira (1999), Nomar Garciaparra (1992), and Jason Varitek (1991).

• He earned the award after setting a Georgia Tech freshman record with 69 RBI.

• Georgia Tech is now tied with North Carolina for the most freshman of the year awards in ACC history. Since the conference first began awarding them back in 1991, GT and UNC are the only programs with more than five.

LIVING UP TO EXPECTATIONS IN 2026

- The Yellow Jackets offense entered the 2026 season with as lofty of expectation as you can imagine, being lauded as "the best position player group... and it's not even close," by D1 Baseball's Aaron Fitt. Additionally, D1 Baseball's Bradley Smart gushed over the talent in the Tech lineup when he said, "This position player group has a chance to be the best in the country. Full Stop."
- Through 20 games, the Yellow Jackets have lived up to the hype, exploding for a Power 4 BBCOR era record 228 runs against Bowling Green (50), Georgia Southern (25), Stony Brook (51), Georgia State (8), Northwestern (44), Virginia Tech (36), West Georgia (14) and Clemson (28).
- 254 runs through the first 20 games of the regular season is the most in the program's 131-year history and the + 171 margin of victory is also the largest in program history.
- Tech has scored at least 10 runs in 14 of 20 games this season (70%).

- The 50 runs against BGSU were the most Tech has scored over an opening weekend three-game series in program history.

- The 27 run outburst in the second game of the series vs. Bowling Green is tied for the most runs scored by GT in a single game since 1994 – Danny Hall's first year with Georgia Tech, and the year the Yellow Jackets finished runners-up at the College World Series.
- 25 runs at Georgia Southern are the most GT has ever scored in the series' 144 game history, while the 24-run victory was the largest margin of victory in the BBCOR era (since 2011) and the largest since defeating Virginia Tech by 25 runs on May 14, 2005 (27-2).
- Tech delivered its third 20+ run game of the season on Sunday against Stony Brook (Feb. 22). It was the third 20-run game of the season, matching the BBCOR era record for a single season and the most, overall, since 2010.

- The 15-run margin of victory is the most in Tech has had an ACC game since beating Clemson, 18-2, last year.

The Yellow Jackets were the highest ranked team in the conference across four different national preseason top-25 polls: No. 2 (Perfect Game), No. 4 (Baseball America), No. 4 (USA Today Coaches Poll) and No. 5 (D1 Baseball).

The No. 2 preseason ranking is the fourth highest in program history and the highest since 2003 (BA), 2001 and 1994 when the Jackets were preseason No. 1.

Tech earned its highest preseason ranking from Baseball America since 2006 (the last time GT reached the College World Series)

The No. 4 ranking from the Coaches Poll was the highest in that poll since Tech was ranked preseason No. 2 in 2003.

The No. 5 ranking from D1 Baseball was the best Tech has received since the publication began doing preseason rankings in 2014.

The Yellow Jackets are officially a consensus Top 5 team headed into the season. It is the first time Tech has been consensus Top 5 at any time since 2006, the last time the Jackets went to the College World Series.

It is the first time GT is a consensus Top 5 team in the preseason since 2003, 23 years ago.

"It's great to see us ranked so highly to start the season," head coach James Ramsey said. "It's a reflection of all the hard work that our players and staff have been putting in since the end of last season both in recruiting new players and continuing to develop the talent that helped us to an ACC Championship last year. We're all excited to get to work and put a product on the field that Georgia Tech can rally behind and be proud of. We know our fanbase is ready for championship level baseball on The Flats and our team couldn't be more excited to play this season in front of them."

This week, Georgia Tech was a consensus Top 3 team, the first time that has happened since 2010.

PITCHING

The Matt Taylor Effect

• 2026 is the third year on The Flats for pitching coach Matt Taylor and Director of Pitching Jason Richman.

• Last season, the Tech pitching staff improved in just about every statistical category and with 60% of the innings pitched returning for 2026 infused by a very well regarded freshman and transfer class. The Jackets are hoping to be even stingier on the mound this year.

• GT pitching finished 2025 with a 4.91 team ERA, its lowest in six years (2019 – 4.46) and 4th lowest in the ACC.

• It was the first time Tech has been in the Top 5 of the conference in ERA since 2011.

• The Jackets struck out 527 opposing hitters this past season and have struck out at least 500 in every season since the pandemic shortened 2020 campaign – one of only four ACC programs to have done so (also FSU, Duke and UNC).

• GT improved its ERA by 1.57 runs from 2024 to 2025, the third largest improvement among Power 4 programs and the largest improvement by any Power 4 team to make a Regional.

• So far, through 20 games, Tech pitching is striking out opponents at a 10.5 K/9 clip, the 39th best rate in the nation and the 7th best in the ACC.

• Tech pitching surrendered five or fewer runs in each of its first eight games for the first time since 2014 and only the second time in the 21st century. This marks the 14th season that Tech has accomplished this overall: 2026, 2014, 1993, 1987, 1965, 1964, 1959, 1957, 1925, 1920, 1917, 1913, 1909 and 1905.

• GT matched a program record with 19 strikeouts, the most since 1989 and only the third time it has been accomplished in 131 years of Tech baseball.

• The Jackets enter the weekend with a 3.84 team ERA, team ERA, the lowest team ERA through 20 games in a decade (since 2016).

• GT is 2nd in the ACC and 24th in the nation in FIP (fielding independent pitching – 4.56)

Stat	2026	2024	Change	'14-'24 avg.	Change
ERA	3.84	6.48	2.64	5.45	1.61

• Prior to joining the Yellow Jackets, Taylor was the minor league pitching coordinator for the Atlanta Braves after three seasons as the pitching coach at Georgia State.

• On opening weekend, the Jackets recorded 37 strikeouts in 25.0 innings, good enough for a 13.33 K/9 clip, the 23rd best mark in the country and the fifth highest in the ACC.

• Sophomore Jackson Blakely recorded nine strikeouts in his first career start, the most Ks by any Tech pitcher making career start No. 1 since at least the turn of the century.

• R-freshman Dimitri Angelakos also made his first career start, one week after Blakely against Georgia State, pitching 5.0 scoreless innings with five strikeouts and only two hits allowed. He was perfect through the lineup for the first time, retiring the first nine batters he faced.

• All 17 Tech pitchers that have thrown in a game have recorded at least four strikeouts.

Last Friday: GT 10 - CU 0 (7)

• Junior Tate McKee made his 21st consecutive series opening start, pitching a season-long 6.0 shutout innings, the longest outing of any GT pitcher this year.

• This was the second time in his career that he has thrown 6.0 shutout innings, after also doing so against Western Kentucky in the Oxford Regional last season.

• He would strike out a season high seven batters to bring his season tally to a team-high to 25.

• He improves to 3-0 on the season and lowers his 2026 ERA to 2.82.

• Tech improves to 17-4 in series openers started by McKee (.809 win %).

• R-sophomore Jake Lankie shut the door in the 7th inning, inducing a double-play ball before securing another groundout to close out the mercy-rule win.

• This was his fifth appearance of the season, totaling 7.1 innings pitched. He has yet to surrender an earned run in any of his outings this year, one of three Tech pitchers with a 0.00 ERA (also Jackson Blakely (9.0 IP) and Adam McKelvey (4.0 IP).

Last Saturday: GT 14 - VT 5

• Junior Dylan Loy made his fourth start of the season and third consecutive weekend start, pitching 4.1 innings and inducing plenty of weak contact over 75 pitches.

• He recorded one strikeout, bringing his season total to 22, just three behind Tate McKee for the most on the team.

• Loy has now pitched 22.0 innings, just 12.0 shy of his career high.

• His ERA stands at 2.45 for the season, the lowest of any weekend starter.

• Mason Patel returned to the bump for the first time in 20 days after leaving the game on Feb. 21 with an injury.

• He entered the game with an 0-2 count, delivering one of his trademark changeups to secure the K.

- Patel would throw 24 pitches over 1.2 innings of work, earning his second win of the season. The win takes him to 2-0 in 2026 and 14-3 out of the bullpen over his career as a Yellow Jacket, having set a program record with 11 wins out of the bullpen in his All-American 2025 season.

- R-junior Caden Gaudette made his team-leading eighth appearance of the season out of the bullpen, pitching the 7th and 8th innings and allowing only one hit, a solo home run in the 8th.

- Gaudette is now tied with Caden Spivey for the most innings pitched by any Yellow Jacket this season without starting a game, at 8.1 innings.

- R-junior Carson Ballard delivered a scoreless ninth inning to polish off the win. It was his fifth appearance of the season and the fourth in which he has not allowed a run.

- Ballard drops his season ERA to 1.23 over 7.1 innings of work, with his only earned run coming off a SAC fly.

Last Sunday: GT 7 - CU 13

- Sophomore Jackson Blakely made his second career start, pitching 4.1 innings. He would rattle off three scoreless across the 2nd, 3rd and 4th innings but ran into trouble in the bottom of the fifth and, due to inherited runners scoring, would get saddled with his first loss of the year.

- Blakely allowed his first earned runs of the season today, in his fourth appearance of the season. He has now pitched 13.1 innings, the third most on the team behind weekend starters Tate McKee and Dylan Loy, and is third on the team in strikeouts, at 19.

- The Jackets would use six different pitchers in the fifth inning, ultimately surrendering eight runs.

- Senior Kayden Campbell produced a scoreless seventh inning. It was his fourth straight scoreless outing of the season and improves his ACC numbers to 4.0 innings pitched with a 0.00 ERA.

- Freshman Charlie Willcox recorded a pair of strikeouts in a scoreless bottom of the eighth for his second straight scoreless outing out of the bullpen.

Last Midweek: GT 14 - West Georgia 0

- The Jackets lower their season ERA to 3.60 heading into this weekend, the lowest team ERA through 17 games in a decade (since 2016).

- The Tech bullpen did not allow a run over 3.2 innings of work, already the seventh scoreless outing for them this season and the third in the last four games.

- The GT bullpen has allowed two or fewer earned runs in 13 of 17 games this season.

- R-Freshman Dimitri Angelakos continued his excellent form. After pitching 5.0 scoreless innings in his first career start last Tuesday against Georgia State, Angelakos delivered 3.1 scoreless frames this time out, striking out two and allowing only two hits.

- The "Midweek Greek" has now pitched 8.1 innings scoreless innings with four hits allowed, seven strikeouts and zero walks in his two career starts.

- He lowers his season ERA to 1.38 over 13.0 innings with a 0.62 WHIP, the lowest on the team among pitchers with at least 4.1 innings pitched.

- The only Yellow Jacket with a lower WHIP got the ball next as sophomore Adam McKelvey entered the game in the fourth inning, making his first appearance since exiting the game vs. Stony Brook on Feb. 20 with an apparent injury.

- He would pitch 0.2 innings to keep the Wolves at bay in the fourth inning, recording one strikeout and retiring both batters he faced.

- That appearance lowered his WHIP to a team-best 0.50 while he maintained his 0.00 ERA over 4.0 innings of work.

- Freshman Charlie Willcox was next out of the pen, delivering a purely dominant showing. The freshman retired all six batters he faced, with three strikeouts.

- He was one strike away from an immaculate inning in the sixth, throwing a ball with his ninth pitch after striking out the previous two batters on three pitches each. He would induce a 1-3 groundout on pitch No. 10 to preserve 2.0 perfect innings out of the bullpen for his first scoreless outing as a collegiate pitcher.

- Junior Porter Buursema got the ball for the seventh inning, recording a pair of strikeouts around a couple of walks to put the game to bed.

Jim Poole Number - Carson Ballard

Georgia Tech baseball continues the legacy of former Yellow Jacket standout and Major League Baseball relief pitcher Jim Poole, who passed away from ALS in October of 2023, by designating a student-athlete each year to wear his No. 21 jersey. The student-athlete selected must exemplify Poole's characteristics both on and off the field.

This year, r-junior RHP Carson Ballard (Alpharetta, Ga./ Wesleyan HS) becomes the fourth Yellow Jacket to earn the honor, continuing the tradition begun by Jack Rubenstein in 2023, Ben King in 2024 and John Giesler last season.

"Carson Ballard is the epitome of what it means to be a student-athlete at Georgia Tech," head coach James Ramsey said. "He has been a mainstay on the ACC Academic Honor Roll as both a Biomedical Engineering major and a trusted arm for us over his three years with our program. He embodies the kind of dedication and love for Georgia Tech, both in the classroom and on the mound, that made Jim Poole such a beloved Tech Man. He has heard Jim's legacy preached since he stepped on campus. Not only about what a great pitcher he was and the incredible MLB career he enjoyed, but the husband, father, coach and advisor that Jim was and the life after baseball that he earned through the hard work that he put in while in White & Gold. That work ethic is perfectly reflected in Carson. Beginning as a walk-on and working his way to becoming a focal point of our 2025 ACC regular season championship roster and now, becoming a scholarship player on a 2026 team that has hopes of being one of the very best to represent this incredible Institution. The No. 21 has a deserved venerable legacy here and Carson is the perfect player, leader and engineer to continue this tradition into 2026."

Ballard will wear No. 21, having shown a longstanding commitment to Poole's ideals – self-determination, a strong academic work ethic, and high moral fiber on and off the field. He is a three-time member of the ACC Academic Honor Roll, a two-time Academic All-ACC honoree and a member of the 2024 CSC Academic All-District Team. He is currently pursuing a degree in Biomedical Engineering.

On the diamond, Ballard is entering his fourth season as one of the more reliable arms on the Tech pitching staff that has shown dramatic improvements from his freshman season to now. He has made 30 appearances including seven starts over his two years on the active roster, collecting three wins and a 5.07 ERA, with 64 strikeouts over 71.0 innings pitched. He was leaned on most when the lights were brightest, pitching a team-high 14.2 innings against SEC competition last year and delivering 13 strikeouts and a .226 opponent's batting average over those appearances with a 4.30 ERA. He introduced a knuckleball into his arsenal last season, throwing it with great effect down the stretch, including heavily relying on it during his 4.0 innings of work in an elimination game at the Oxford Regional.

"It's an incredible honor and privilege to wear No. 21 this year," Ballard said. "I hear all the time about the legacy Jim Poole left behind at Tech. Not just as a player, but as a person who impacted so many people on and off the field. He's someone I strive to be more like every day. I'll do everything I can to honor him and his family and to wear his number with pride."

ABOUT JIM POOLE

Poole arrived on The Flats in 1985 and had an immediate impact, as Georgia Tech baseball would win the first of four-straight ACC Tournament Championships. During his four years, he pitched in 120 games and struck out 263 batters in 188 innings. He still ranks first in the Tech record book with 22 career saves, including 10 as a junior and nine as a senior. He was named all-ACC his last two seasons. Poole would be enshrined into the Georgia Tech Sports Hall of Fame just nine years later in 1997.

A stellar worker in the classroom, Poole elected not to turn professional after being selected in the 34th round of the 1987 MLB Draft by the LA Dodgers, and returned to Georgia Tech for his senior year, recording a 2.03 ERA and 113 strikeouts in only 71 innings. Once again, the LA Dodgers would call his name in the 1988 MLB Draft, this time taking him in the ninth round. He would return to graduate from the Institute with a degree in electrical engineering in 1990.

Poole played 11 years in the major leagues, predominantly with the Baltimore Orioles, Cleveland Indians, and San Francisco Giants. In 431 games played, he finished with 22 victories and a 4.31 ERA, as well as 256 strikeouts and four saves. He helped pitch Cleveland to two American League Championship Series (1995, 1998), making it to the 1995 World Series where he would face the Atlanta Braves.

Following his retirement at the end of the 2000 season, Poole returned to Georgia Tech to join the Alexander-Tharpe Fund as a fundraiser and supporter of the baseball program. He then began serving as the pitching coach at Johns Creek High School in 2010, teaching many young men about pitching mechanics, while also conveying his personal pitching philosophy.

He later joined the business world as a Personal Wealth Advisor for the Baseball Division of BIP Wealth.

After being diagnosed with ALS in 2021, Poole worked tirelessly to raise awareness for the disease. In addition to serving on MLB ALS boards, he also worked with Georgia Tech, who together hosted an ALS Awareness Day during the 2022 baseball season, with Tech wearing Jim Poole shirts and both teams wearing honorary wristbands. Professional players also wore the shirt. Tech later designated the number 21 each year to be worn by a student-athlete who exemplify Poole's ideals – self-determination, a strong academic work ethic, and high moral fiber on and off the field.

LET'S BRAG ABOUT BURRESS

"The definition of a college baseball superstar. On the same tier as Adley Rutschman and Dylan Crews. One of the great, no-brainer superstar players that will have that kind of transcendent career."

– Aaron Fitt, D1Baseball

- Burress hit 25 home runs his freshman season, one shy of the Georgia Tech program record (set by Kevin Parada in 2022) and two shy of the NCAA freshman home run record set by Tommy White (NC State) in 2022 as well. He hit 26 homers in 2024 but one was not official, since the game was called off for rain before enough innings were played.
- His freshman year, Burress became the 1st Yellow Jacket to ever slug over .800 with at least 200 at bats. His .821 slugging percentage led all Division I freshman and was 6th overall among those with 200+ ABs.

"What Burress lacks in size, he makes up for with impact on both sides of the ball." It's explosive bat speed from the right side of the plate with an affinity for hammering fastballs routinely.

– Tyler Jennings, Just Baseball

- Not only did Burress turn heads with his bat but he also set the Georgia Tech record for the most assists by an outfielder in a single season, gunning down 10 runners from his spot in center field in 2024
- In 2025, he was the only player from a Power 4 conference with at least 60 RBI (62), 20 doubles (23), 50 walks (53), 15 HR (19) and 70 runs (77).
- Last season, he led the ACC in extra base hits (43) and doubles (23) while finishing 2nd in the conference in home runs (19) and runs (77).

"Few hitters in the country combine his level of consistency with true, game-changing power... He is the best statistical producer returning to college baseball right now. Period."

– Jacob Rudner, Baseball America

- He became the fastest Yellow Jacket in program history to reach 30 career home runs – doing so in just 73 games, a full 20 games faster than the previous record holder, Kevin Parada and faster than legendary Tech sluggers such as Jason Varitek, Mark Teixeira and Nomar Garciaparra.
- Burress was named a semifinalist for both the Dick Howser Trophy and the USA Baseball Golden Spikes Award for the second year in a row. One of only two players in the nation to do so (also FSU's Jamie Arnold).
- This season, Burress becomes the first Yellow Jacket to ever wear a "C" on his jersey as the team's permanent captain.

"From Day 1, you never thought he was a freshman. He's a very mature kid. He doesn't mix any words about it. He wants to be a first-round pick. He wants to be the best player in the country. That's what drives him. That's his passion. He is one of those guys that makes everybody around him better. Every day."

– Danny Hall, ABCA Hall of Famer

Last season, Tech set a program record, going 37 games without recording a loss from a starting pitcher.

This season, it took until the 20th game for a Tech pitcher to get saddled with a loss, when Jackson Blakely saw his inherited runners score for a total of 6 earned runs.

Last season, against Western Carolina, all three starters recorded wins, marking the first time that's happened over a three-game series since 2020 vs. Ohio State.

Underwood became the first true freshman to start on opening weekend since 2022.

Blakely recorded nine strikeouts in his first career start, vs. Georgia State on Feb. 24 - it was the most strikeouts by any Tech pitcher in their first career start since at least the turn of the century

Angelakos was excellent in his first career start, pitching 5.0 innings with 2 hits, five strikeouts and zero walks, becoming the first Tech pitcher to throw 5.0 scoreless innings in his first career start since Carson Ballard, against Georgia State back in 2024.

Angelakos has now pitched 8.1 scoreless innings with four hits allowed, seven strikeouts and zero walks in his two career starts.
